Serves: Students in a traditional setting
Allows for: Virtual learning option

Schedule(s):
5th Grade - Team Teaching w/Elective

- Will operate on a normal schedule
- Students will remain in two classrooms, exception will be elective class

6th Grade - Team Teaching w/Elective

- Will operate on a normal schedule
- Students will remain in two classrooms, exception will be elective class

7th/8th Grades - 7 Period Day

- Will follow same schedule format as last year
- Students will change classrooms throughout the day

9th-12th Grades - 7 Period Day

- Will follow same schedule format as last year
- Students will change classrooms throughout the day

** Ivy Tech students will be required to wear a mask at all times when on campus. Ivy Tech Dual Enrollment students will follow the [Ivy Tech Reopening plans linked here](#).

Lunches: 4 lunches at jr. high
3 lunches at high school

Virtual Option:

MCHS Virtual option is SELECT Program where students will have access to courses in the SELECT program and will have daily access to a live teacher for guidance and help.

MJHS Virtual option will utilize Google classroom on a schedule to mirror face-to-face classroom instruction with daily access to a live teacher for guidance and help.

Please note: MCHS or MJHS students opting for virtual learning through Madison schools will be eligible for participation in fall athletics. (See [Change of IHSAA Guidelines](#) press release)

After School Events, Special Events, Outside Visitors, or Parents by Appointment

- We will continue to stay up to date on guidance as we approach holidays and events that have been held during the school day as we will minimize or eliminate outside visitors.
- No field trips will be scheduled at this time.
- Anyone with an appointment will follow sign-in procedures, will be required to wear masks, and meet in a designated area which will be sanitized after meeting with a student or meetings will be held virtually.
- Annual Case Review meetings will be held virtually.
- Attendance at evening athletic events or extracurricular/co-curricular activities will be based on recommendations for safe social distancing and any current guidelines from the state or local department of health.
