

IMMUNIZATION AND HEALTH ASSESSMENT REMINDERS

- Any student new to NC public schools is required to submit a Health Assessment (Physical Exam) completed within 12 months prior to the first day of school entry. This assessment must be completed using the state form <https://www2.ncdhhs.gov/dph/wch/doc/aboutus/HAForm2016-v2.pdf>
- Please make sure your families receive the Notice of Requirements and when records are incomplete, the Notice of Deficiency **at enrollment.**
- Students have 30 calendar days from their first day of school to submit proof of the required immunizations and/or health assessment. After the 30 days, students whose records are not in compliance are to be excluded from school. Without proof, students will not be able to be in school after September 27th [August 24th for Continuous Learning Schools].
- We are working closely with the Mecklenburg County Public Health Department and the School Health Nurses to review the records of 6th graders for 7th grade immunization requirements. Please do everything possible to provide the nurses with access to student health documents as they are being enrolled (Pre-K, K and any other new enrollments).
- Please share the community resources below.
- For questions or more information contact Monica Adamian, Coordinated School Health Specialist, monicas.adamian@cms.k12.nc.us or 980-343-6269.

RESOURCES FOR IMMUNIZATIONS & HEALTH ASSESSMENTS (PHYSICALS) FOR SCHOOL

Updated April 2017. Information may change. Call to verify.

The best place to get immunizations and a physical is your child's doctor's office. Plan ahead. It may take a few months to get an appointment. If your child does not have a doctor or if you are not able to get an appointment before the due date for school attendance, the following providers may be able to help. Fees may apply. If you have insurance, call ahead to ask if your insurance will be accepted. Take a copy of your insurance card to the appointment. Also, take copies of your child's immunization record and a blank copy of the NC Health Assessment Transmittal Form to your appointment. **Contact your School Nurse if you need help or have questions.**
