There's a lightweight version for STARters, and a

every advanced challenge.

WAT120...STARter is tough for his size!
He's a lot like 200... just a little thinner.
His hat (with WC pans) and pre-wetted brush
indicate how eager he is to perform under the
pressures of watercolor work.
His heavy texture is visible from afar.

Art Teachers' Unanimous Decision!

Looks, Feels and Performs Like Canvas! At 1/5 the price!

X2 is double thick paper that looks, feels and performs like canvas. It works great with acrylics. If you want the more rigid feel of a panel, have students tape an X2 sheet to a canvas panel, using the panel as a **reusable** artboard. (You buy the panel only once!)

X2 Canvas Paper™ is Bright White.

Molly Hawkins' House

ORDERING INFORMATION

Molly Hawkins' House is a Wholesaler (not a retailer...not a store). Sorry...we don't sell to individuals...we sell only to tax exempt organizations (schools, museums, therapists, etc.) and resellers (studios, stores, paint party companies, etc.).

It's really easy to order!

All we need is a list of your items and quantities, and the "Bill To" and "Ship To" addresses. If you are paying by credit card, we'll need the card number, expiration date, and security digits on the back. You can go to MollyHawkins.com and click on **ONLINE ORDER WRITING** to complete & submit this information.

We accept handwritten orders all the time. A handwritten list attached to a purchase order is fine...no need for you to type the list out. We also offer SUPER Preprinted Order Forms on our website so all you need to do is fill in the quantities. It's Fast!

Scan and email your order to SALES@MollyHawkins.com

Of course you can send your order via email. Faxing the order to 888-329-8725 (FaxTrak) is another favored method, and some mail by USPS to: PO Box 129, Naples NC 28760. We prefer the above methods to avoid errors, but you can call your order in to our USA based service: 1-888-Hi Molly.

Molly's Pricing Policy

As a true wholesaler (not a retailer) serving Art Teachers, our policy is to price every item as low as possible (an average 53% discount) and then charge only actual UPS costs AFTER DISCOUNTING THEM...never a handling charge. This delivers products at the lowest possible cost.

**QUESTIONS? Your fastest response will come
by emailing HELP@MollyHawkins.com**

Visit **MOLLYHAWKINS.COM**

Prices Are Subject To Change. At press time many suppliers had yet to announce their 2021 pricing due to a volatile market. If there is a price increase on your order, we will confirm the order by email before shipping. Sorry...not our fault.
