Superintendent's Holiday Card Contest Winner

Congratulations Malaika Khan, winner of the Superintendent's Holiday Card contest! Ms. Khan is a fifth-grade student from Guy B. Teachey Elementary School.

Loflin Students Compete in National PTA Reflections Competition

At Loflin, the arts have been alive and well through the implementation of the A+ program and the school's recent participation in the **National PTA Reflections** Student Arts contest.

Twenty-four students participated in the contest. They were required to create an original work of art based on the competition's theme, "Within Reach." Loflin students competed in the categories of dance choreography, literature, music composition, photography, and visual arts. The faculty and staff at Donna Lee Loflin are very proud of these students and they are incredibly grateful for the Loflin PTA for spearheading the program.

SAMS Geography Bee Winners

The winner of the South Asheboro Middle School Geography Bee is eighth-grade student Luke Hurley. This year's runner-up is Adam Goodman. Luke will now complete a written exam as a preliminary to the state level Geography Bee. If his written exam score is high enough, he will compete in the state competition later in 2018. SAMS would like to congratulate all students who competed in the bee based on high scores in the preliminary classroom round.
