Corey Comet Wellness Tips

Heading to the beach or pool this summer? Stay safe with these tips from Corey Comet!

1. Never swim alone.
 2. Do not swim at all if you have been drinking or if you have taken medication that hinders your physical/mental capacity.
 3. Check the water temperature before swimming.
 4. Learn cardiopulmonary resuscitation (CPR).
 5. Exercise to build up muscle and endurance in the water.
 6. Before swimming consult your doctor to find out how much exercise you should do and if water exercise is appropriate.
