<u>Latitude/Longitude</u>

Use pages 588 and 589, in the Geography Alive Textbook, to complete the following.

1. What country is found at 20° N, 80° E? _____

2. What country is found at 1° S, 115° E? _____

3. What city is found at 37° N, 126° E? _____

4. What water feature is found at 27° N, 80° E? _____

5. What land feature is found at 43° N, 110° E? _____
<u>What Feature?</u>
| Country | Country | Water feature | Land feature |

_____ _____ _____ _____

| Country | City | Country | Water feature |

_____ _____ _____ _____
<u>What Direction?</u>

Use a compass rose to determine which direction you would travel. (Ex: North, Southwest, etc.) Use pgs. 588-589 in Geography Alive.

Hong Kong to Beijing _____   North Korea to Sri Lanka _____

Mumbai to Japan _____   Mount Everest to Indonesia _____

Seoul to Manila _____   Himalayans to Yangtze River _____

Monsoon Asia Mapping Lab
Use **pages 588-593**, in **Geography Alive**, to answer the following questions.

_____1. One country in Monsoon Asia has all of these *climate zones*: highlands, humid subtropical, semiarid, arid, tropical wet and dry, and tropical wet. What is the country?

        A. Thailand   B. South Korea

        C. India   D. Nepal

        Map(s) Used: Climate Zones, Economic, Physical Features, Pop. Density, Vegetation

_____2. Mount Everest is located on the border of which two countries?

        A. Nepal and China   B. Nepal and India

        C. China and India   D. Bhutan and China

        Map(s) Used: Climate Zones, Economic, Physical Features, Pop. Density, Vegetation

_____ 3. Which city of over 8 million people is located on the Ganges River?

        A. Delhi   B. Patna

        C. Calcutta   D. Shanghai

        Map(s) Used: Climate Zones, Economic, Physical Features, Pop. Density, Vegetation

_____ 4. Which of the following types of vegetation is most common on the islands of Southeast Asia?

        A. temperate grassland   B. tropical grassland

        C. coniferous forest   D. broadleaf evergreen forest

        Map(s) Used: Climate Zones, Economic, Physical Features, Pop. Density, Vegetation

_____ 5. Which country in Monsoon Asia has the following features:

- Lies entirely **south** of the Tropic of Cancer.
- Has these **resources**- coal, hydroelectric power, natural gas, and petroleum.
- Does **NOT** have precious metals.

        A. Cambodia   B. Bangladesh

        C. Philippines   D. Thailand

        Map(s) Used: Climate Zones, Economic, Physical Features, Pop. Density, Vegetation

_____ 6. You are a writer for a Travel Book company. For your latest book, you write the following:

- The **climate** is pleasant, not too dry nor too wet, like some parts of Monsoon Asia.
- The capital city of **over 8 million people** offers shopping, museums, and entertainment.
- There are **different types of forests** to enjoy.
