There are two exceptions: (a) if the student has already completed ENGL 101 or (b) they are placed into a developmental English courses. In the case of these exceptions, Trustee Scholars must enroll in at least one Honors course for Fall Semester (e.g. ENGL 102, ART 110)

- A **second year** of the Trustees' Scholarship will be awarded if—at the conclusion of the first academic year—the student's grade point average is 2.75 or higher.
- For students awarded a second year, the total scholarship **may not exceed a total of 62 credits** for the first and second years combined. Although strongly encouraged, enrollment in Summer courses is not a requirement.

### Scholarship Expectations:

- Trustee Scholars **must be registered** for Fall classes at Mott by June 28, 2020 or the scholarship will be awarded to an alternate high school student.
- Trustee Scholars **must attend** the *Trustee Scholars Night* scheduled on Monday, August 24, 2020. Tickets will be provided to the Trustee Scholar and two guests.
- Trustee Scholars are required to **enroll full-time** (i.e., 12 credits or more) for *both* Fall and Winter semesters.
- Trustee Scholars placed into **developmental courses** must enroll in those courses during Summer and/or Fall Semester in the first year of the scholarship.
