Mr. Ondondo-

About me

. Teaching science past the two years

. Majored in Science- Biology and Special Education at Kean University before getting teaching certifications.

.Currently pursuing a Master's Degree in Applied Behavior Analysis in Autism and Other spectrum disorders.

.Music and gardening are major hobbies.

Expectations

Students to attend zoom meetings or google meet classes per their schedules. Will call you if they do not attend classes.

Students to submit their work on google classroom, and ask for assistance via remind when they have a problem with an assignment.

Students to get a Chrome book from school during the device distribution days and should not be browsing on their phones during the zoom or google meeting.

Parental care:

I would like the parents to enrol on the remind app and google classroom to follow their child's progress.

Every parent should have a login for genesis to see their child's grades.

Talk to your kids to apply themselves and focus to achieve their best grades in the current classes.

Encourage their child to meet with teachers during the office hours for that extra help or push to a better grade.

Teacher web page how to

My teacher web page has some relevant information related to the courses; log ins for zoom, google classroom and remind.

My email address, course syllabus, and the orange school calendar is on the web page.
