

MAURY RIVER MIDDLE SCHOOL

Welcome Back Eagles!

We hope you've gotten back into the swing of school. We completed a Needs Assessment with students in September to discuss what discussion topics they would like to participate in this year. We plan to have at least 3 small counseling group opportunities this year for students to participate in.

We're so glad you're here!

Notes on Growth Mindset

- Recognize your strengths - write down things you are good at or enjoy about yourself.
- Practice in the mirror or leaving yourself positive notes where you can see them daily!
- Just because you can't do something right now, doesn't mean you'll never learn.

THERE is a
difference
BETWEEN
not knowing AND
NOT KNOWING YET.
