# INFORMATION FOR PARENTS

The background features a stylized rainbow with orange, yellow, and green bands, arching over a dark green horizon. The sky is white with numerous small black dots representing stars. The title 'INFORMATION FOR PARENTS' is written in large, bold, black capital letters with a white outline, centered at the top.

Our goal tonight is to give you  
a tour of our classroom and  
day-to-day happenings while  
answering any questions you  
may have!

# LET'S HAVE A GREAT YEAR!

Even though this is a year “unlike any other”, I’m so excited to have your child in my class. They are the reason I love my job and come to work with a smile everyday! I hope we can continue to work together to help them learn and grow to their greatest potential this year!

# GOOGLE CLASSROOM TOUR!

# EXPECTATIONS

## In-Person

- ❑ Be here on time @ 8am on your assigned day with a positive attitude!
- ❑ Bring any work you have completed back to school with you each day you attend in person.
- ❑ Work hard and have fun!

# EXPECTATIONS

## Online Learning

- ❑ Please have a positive learning space for your child: a table and somewhere quiet where they can sit and focus without distractions for them or their classmates.
- ❑ All students should be muted unless it is their turn to share! Background noises and interruptions during Zoom calls make learning challenging for everyone!
- ❑ All learning materials should be ready to go and easy to access for the lesson.
- ❑ Please eat, drink, and use the restroom before or after our meeting-not during!

# READING

We use the Journeys reading Curriculum. Every child receives whole group instruction and targeted small group instruction.

## Big Ideas in 3rd grade:

- ❑ Comprehension
- ❑ Fluency and Accuracy
- ❑ Grow and become Readers!

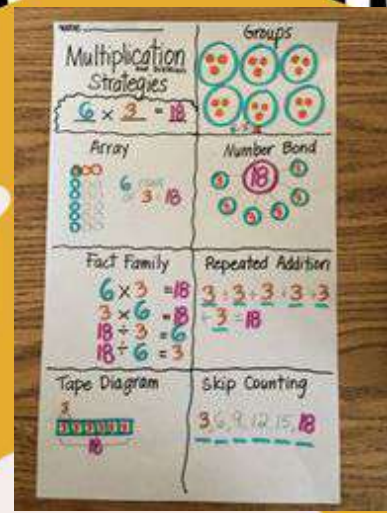

## Fluency Goals:

Beginning: 88  
Words/Min.

End: 117 Words/Min.

# MATH

We use the Eureka Math curriculum. It looks different than how we learned math so please read the Math News sheets that come home in the homework packet and reach out with any questions you might have! We will be using Zearn this year to help with our online learning.

## Big Ideas in 3rd grade:

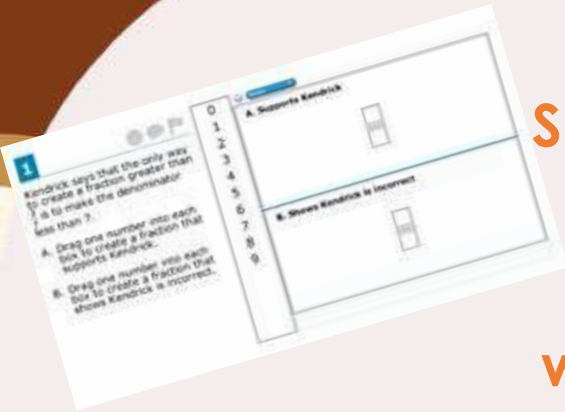

- ☐ Multiplication and Division
- ☐ Multi-step problem solving
- ☐ Fractions
- ☐ Measurement/Elapsed Time

# STATE TESTING

This year your child will take the Smarter Balanced Assessment for the first time beginning in late April. This is challenging but we tackle it with good attitudes, confidence and always do our best!
