

## **Mrs. Schick's Music Notes-4<sup>th</sup> Grade- September**

Welcome back everyone! I hope your summer was restful and fun and full of music! We're off to a great start already in 4<sup>th</sup> grade music class! This is an especially exciting year to be a 4<sup>th</sup> grader because we are doing a fun musical in November and will be starting to learn it very soon. The musical will be presented on November 12 at Memorial Hall so please mark your calendars now. Your child will be practicing in every music class so I know you will want to see how much they are learning and enjoy the results of all their hard work! I will be sending information home soon about simple costumes. If there are any parents who would like to help coordinate the costumes, you may contact me here at school. (548-2815)

The 4<sup>th</sup> grades will also be learning to play the recorder later in the year. I will send a letter with information regarding the purchase of recorders at a later date.

Thank you for all of your support in your child's music education. We are going to have a great year!

Happy singing,
