

Plans for the week of March 30- April 3

MONDAY:

Please return the assignments. Refer to the email.

We will have a zoom meeting at 1:30 today. Go to your email to log in. We will go over plans for the week, some Math practice, and Spelling words.

If you want help one on one. Let me know and I will schedule a meet for just the two of us. We can also include your parents!

Assignments:

Reading: continue listening to audible and sending me summaries of what you have read. Taking notes as you listen and pausing the recording so you can write will really help you with your summary. The Riley Mack story should be completed by the end of the week. Wishes and Wellingtons should be about half done. Listen some every day!

Math: We will do the practice set for lesson 76 together during our class meeting. I am sending a whiteboard and marker so we can do some problems together and you can show me your work. You will need something to use for an eraser.

Spelling: Practice your words! Say the word, Spell the word, Write the word, and Check the word just as we did in class and you should have done last week. Put your paper in the folder. Do one Spelling City activity.

English wb 54 is a review of adjectives, demonstrative adjectives and articles.

Science: begin Peregrine poster. See your Science assignment page for more information.

Tuesday: Zoom meeting at 9:00 this morning. I will help with any questions and we will begin on Math lesson 77. We will meet again at 1:00 on zoom. We will work on reading skill and I can help with any problems.

Reading: Continue on audible

Math: lesson 77 # 1-30 Label your paper and place it in the folder.

Spelling City: two activities

English: Read information in Book p. 266 about comparative and superlative adjectives. Do wb 55 and tear it out and place it in the folder

Science: continue on peregrine falcon poster.

Wednesday: Zoom meeting at 9:00. I will answer questions, check on Math lesson 77, and introduce lesson 78. We will meet at 1:00 to do some reading skills and answer questions.

Reading: continue on audible. Send summaries on email.

Math: lesson 78 # 1-30 Label your paper and place in the folder.

Spelling: Practice your words: Say, Spell, Write and Check your words. Put the paper in the folder. Do one Spelling City activity.

English: Read information in Book p. 268 on using more and most with adjectives. Do wb 56.

Science: continue on poster.

Thursday: Zoom meeting at 9:00 and again at 1:00

I will be sending you a link to Study.com where you will find an article for Science on Peregrine falcons.

Reading: continue on audible. Send summaries on email.

Math: lesson 79 # 1-30 Place your paper in the folder.

Spelling: Say, spell, write and check your words. Place the paper in the folder.

English: book p. 270 explains using the words- good, better, best and bad, worse, worst instead of more good, gooder, goodest and worser. Get the idea? Do wb 57. Tear out page, label, and place in folder.

Science: you should be finishing your peregrine falcon poster today.

Friday: Zoom meeting at 9:00 for anyone needing help. If you do not need help, you do not have to attend. You may go straight to your work.

Reading: finish audible and send concluding summary. Include your claim.

Math: go to Khan Academy

Spelling: Test on Spelling City

Science: Study.com assignment and read My Side of the Mountain p. 3-8.
