

Mrs. Walsh's Courses

Dear students and parents, what follows are plans for work and studying that my students can do for the next two weeks while our normal school schedule is disrupted. Obviously this is not ideal, but I have attempted to give you meaningful assignments that will help us all to keep moving forward in our learning. My students' challenge will be to do all of this while on their own. The good news is that I will be available to both my students and their parents if you have questions, all you have to do is email me at mwalsh@rsd.k12.pa.us. I will answer you as quickly as possible.

Read the assignments and instructions carefully. Each of my students received the paper copies of these assignments on Thursday or Friday. I am asking my students to be thorough in their work. **I will collect all of the work I assigned each group of students when we return to school.** If a student needs another copy of these assignments, I can email a scanned copy of this work. I have also told all of the students in my English 10 Honors and Academic English 10 Classes that they need to bring their books home with them. The Honors 10 students will continue to read *Night*, and the Academic English 10 students will continue to read *To Kill A Mockingbird*. The students in my Speech 7 Classes have two packets to read and to highlight on Speaking Ethically and Listening, and these students know they are to practice their Admiration Speeches using the notecards they made during class this week.

The specific plans and assignments can be found on the following pages of this document.

Thank you,

Mrs. Michelle Walsh
