

Dear Middle School Families,

Welcome back! The Food Service Team and I hope you had a great summer! The District and Chartwells are so excited for the start of the 2024-2025 school year! We are thrilled to offer a full lunch program including a variety of delicious and nutritious food choices. We have worked together to develop a variety of healthy and appetizing meals for our students. Some of our recipes are scratch made and contain the best ingredients, including low-fat whole muscle proteins, locally sourced whole grains, fresh fruits and vegetables. When available, we choose to serve organic and/or local fruits and vegetables.

The students will enjoy specially themed days such as “Breakfast for Lunch”, “Little Italy” and “Comfort Food Friday”. Additionally, we plan to host fun, interactive educational events such as Discovery Kitchen and Farm to Table. Please feel free to view the September menus on [Nutrislice](#). This portal may be used to *pre order customized deli sandwiches and made to order salads* as well.
