The Golden Plains Middle School Volleyball played against the Grinnell/Wheatland Thunderhawks on October 5 in Rexford. The A-team gained another victory while the B-team lost their match.

The A-team played the first match of the evening. Golden Plains took the first set 25-10. Brenlynn Rath set an 11-point serving streak to start the match. It put the team in a good starting position and set the pace for the game. In the second set, the Dogs came out with the same intensity and finished the set 25-8.

The B-team girls played the second match of the evening. Grinnell served tough at the Lady Bulldogs not letting them pick the serves up. The Thunderhawks took the set 25-7. The Dogs came out with more energy in the second set but fell behind 25-14. "It was a rough game," said MaKenlea Focke, 6th grade. "Nobody wanted to work together or call the ball." The Middle School Girls will finish their regular season against Logan/Palco in Rexford on October 9.
