

MS Boys Play in Bazine
By Brianna Stoll

On Monday, January 11, the Golden Plains Middle School traveled to Bazine, facing off against the Western Plains Bobcats. The B team boys only played a two-quarter game, falling short to the Bobcats. The A-team boys, on the other hand, came home with a win.

The night started off with the B-team. The Bobcats only have 8 players so they played two quarters against the GP sixth graders. The Bulldogs fell behind in the first quarter 2-10. Not letting up, the Bobcats defeated the Bulldogs 19-4. The B-team boys are now 2-6.

The A- team boys played a full game against the Bobcats. The Bulldogs came out on fire during the first quarter, outscoring the Bobcats 12-2. The Bobcats answered in the second outscoring the Bulldogs 12-8, but the 'Dogs held their lead 20-14 at the half

Determined to keep their lead, Golden Plains scored 16 more points in the third quarter, and their strong defense held Western Plains to only two points to lead 36-16 at the end of the quarter. The Bulldogs were struck with fatigue during the fourth quarter, but they were still able to keep their lead to win the game 39-22.

The A-team boys record is now 6-2. "I thought the game went really well on Monday," said Jaime Infante-8th grade. "We played together really well." Infante led the Bulldogs with 16 points. Wade Rush added 10, Austin Patmon-6, Colby Lathrop-4, and Joseph Yanez-3. The Bulldogs will hit the road once again on January 21 to play A-team games only against the Healy Eagles.
