

Music & Hat Day Procedures

For \$2 all students will be allowed to wear a hat OR listen to a device that plays music, students must have ear buds. For \$3 students will be allowed to do both. Students must have the appropriate wrist band in order to participate in Music & Hat Day. If students are found without the proper wrist band for either item they will receive a consequence.

Students WILL be allowed to listen to music during the following times:

- Transition in the hallways to and from class.

- In the cafeteria during breakfast & lunch.

- Students will be allowed to listen to music in the classroom with teacher discretion **ONLY!**

Students may **NOT** play games, take pictures, send/or receive text messages or access any social media sites on their device. If a student is in violation of any of the before mentioned items, the student will receive a consequence.

Parents please understand that the pre-selected Music & Hat Days are the **ONLY** times that students may have their devices out and use them for non-academic purposes. Please speak with your child regarding this to ensure that we **ALL** are on the same page.
