

Music Rhythms

- A. Create 4 different 4-beat phrases.

Use quarter notes  eighth notes  sixteenth notes  and sixteenth note combinations   to create your pattern.

Remember, each rhythm is worth 1 beat.

4/4 _____ 4/4 _____

4/4 _____ 4/4 _____

- B. Use your phrases to create an 8-measure rhythm composition. You can arrange them in a any order you like.

4/4 _____ | _____ | _____ | _____ |

_____ | _____ | _____ | _____ ||

- C. **Perform!** Find a “found sound” in your house that you can use as an instrument. Remember, a “found sound” is anything that makes noise. Use your imagination. Use your “found sound” to play your 8-measure rhythm composition.

Do you like your composition? Make revisions as needed.
