Our Community

Mountain View High School is part of the Bend-La Pine School District. The District serves more than 17,800 students in grades K-12. Bend is the hub of Central Oregon with Redmond and Madras to the north, Sisters to the west, and Sunriver and La Pine to the south. The high desert environment is filled with natural beauty, snowcapped mountains and broad, blue skies. The area attracts a variety of businesses, both large and small, serving industry, recreation, health, and community.

Bend-La Pine School District Organization

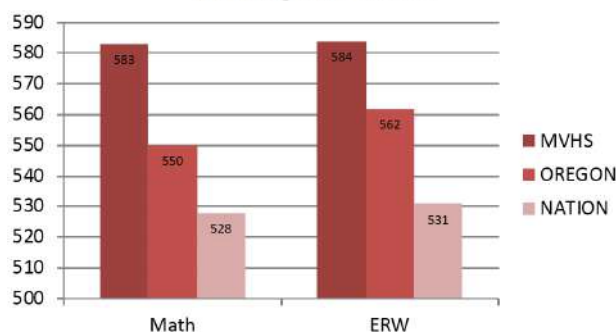

The schools are organized on a 5-3-4 plan which means that the elementary schools are grades K-5, the middle schools are 6-8, and the high schools are 9-12. There are eighteen elementary schools, seven middle schools, four comprehensive high schools, and one alternative high school.

Mountain View High School

Grading System

The majority of classes are weighted equally on a 4.0 scale when computing grade point average. AP courses and certain college credit courses are weighted on a 5.0 scale. Class rank is determined by the accumulative semester grade point average from ninth grade through the most recent semester grading period. Total class enrollment is used in computing the class rank.

2018-19 SAT Scores

Special Programs

Advanced Placement Program

AP CLASSES: English, Biology, Chemistry, Calculus, Physics, Art, Art History, US History, European History, Human Geography, Government, Psychology, Spanish, French, Statistics, Music Theory

These rigorous college level courses prepare our students to meet their higher education ambitions and also provide an opportunity to earn college credit while still in high school.

AP Scholar Awards Program

Students must meet score criteria on several AP exams to qualify as an AP Scholar.

AP International Diploma

Students must designate an exam score be sent to an international university and earn a score of 3 or higher in the required test areas.

Early College Dual Credit Program

COLLEGE TRANSFER COURSES: credits available in Geography, Language Arts, Math, Psychology and Science

CAREER TECHNICAL EDUCATION COURSES: credits available in Agriscience, Auto, Business, Criminal Justice, Culinary, Health, Music, Visual Arts, and Woods

Students participating in this program have the opportunity to earn up to 109 college credits over 4 years. These credits can be used to meet certificate or degree requirements at many colleges and universities across the country.
