I know that other support services (school counselors, nurses, etc.) are available, and how to access them, to support my student during this period of Connected Learning.

I know that a "Free Meals for Kids" program is available for all students 18 and under through the school district.

How would you describe the amount of schoolwork assigned by your student's teacher(s) during Connected Learning?

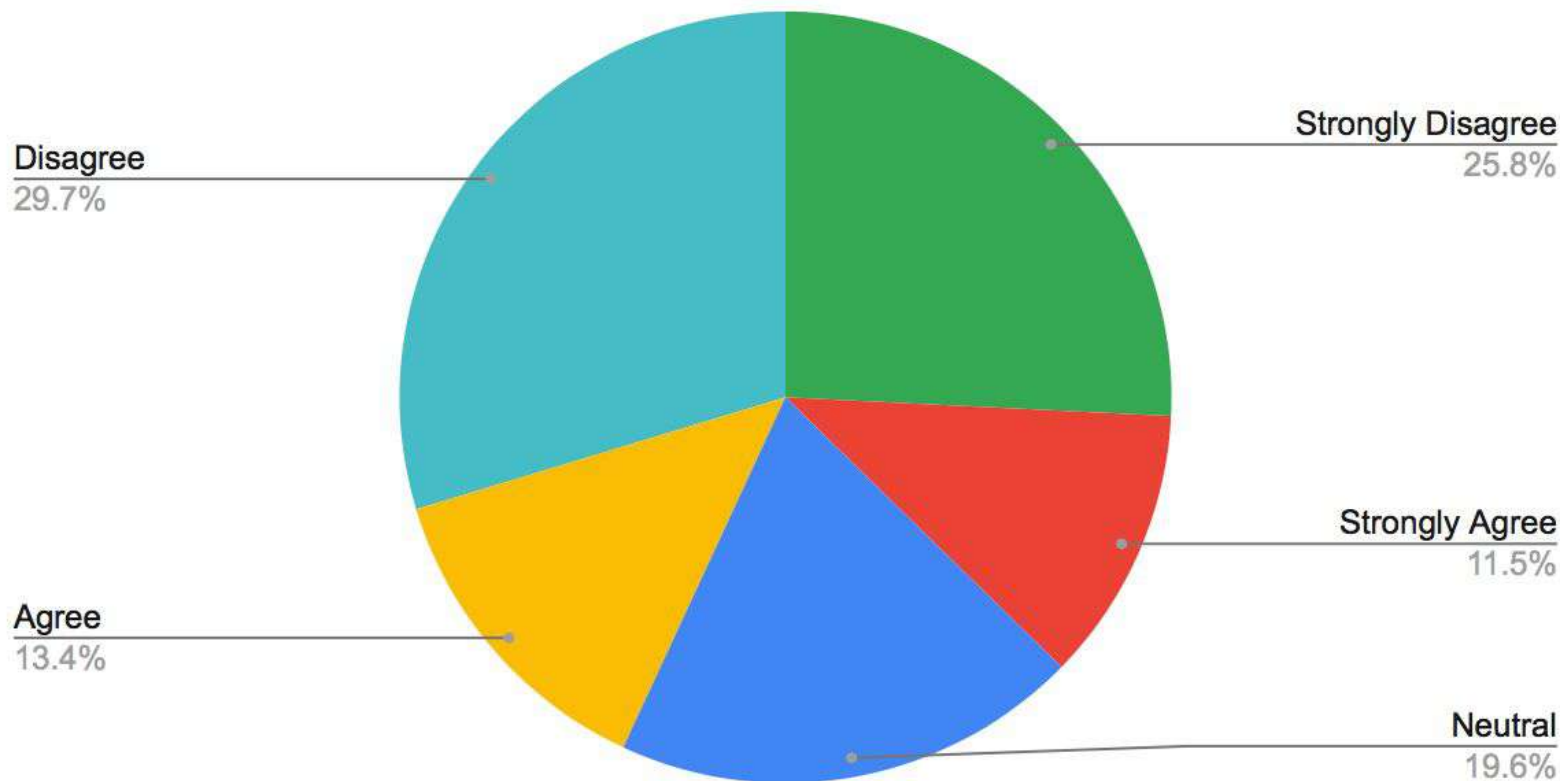

As a family, we are able to support my student's learning.

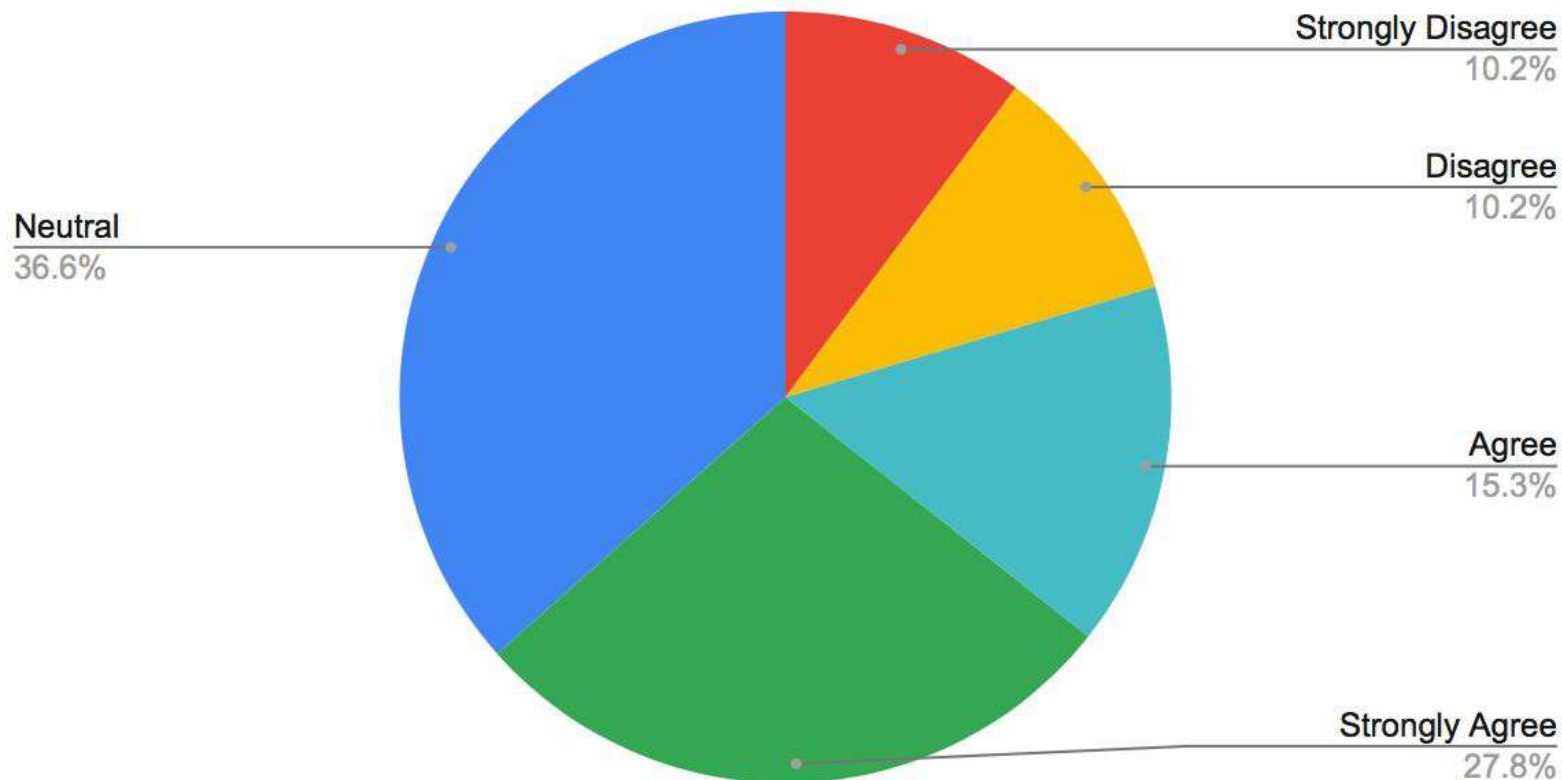

My student's learning program is requiring too much of parents.

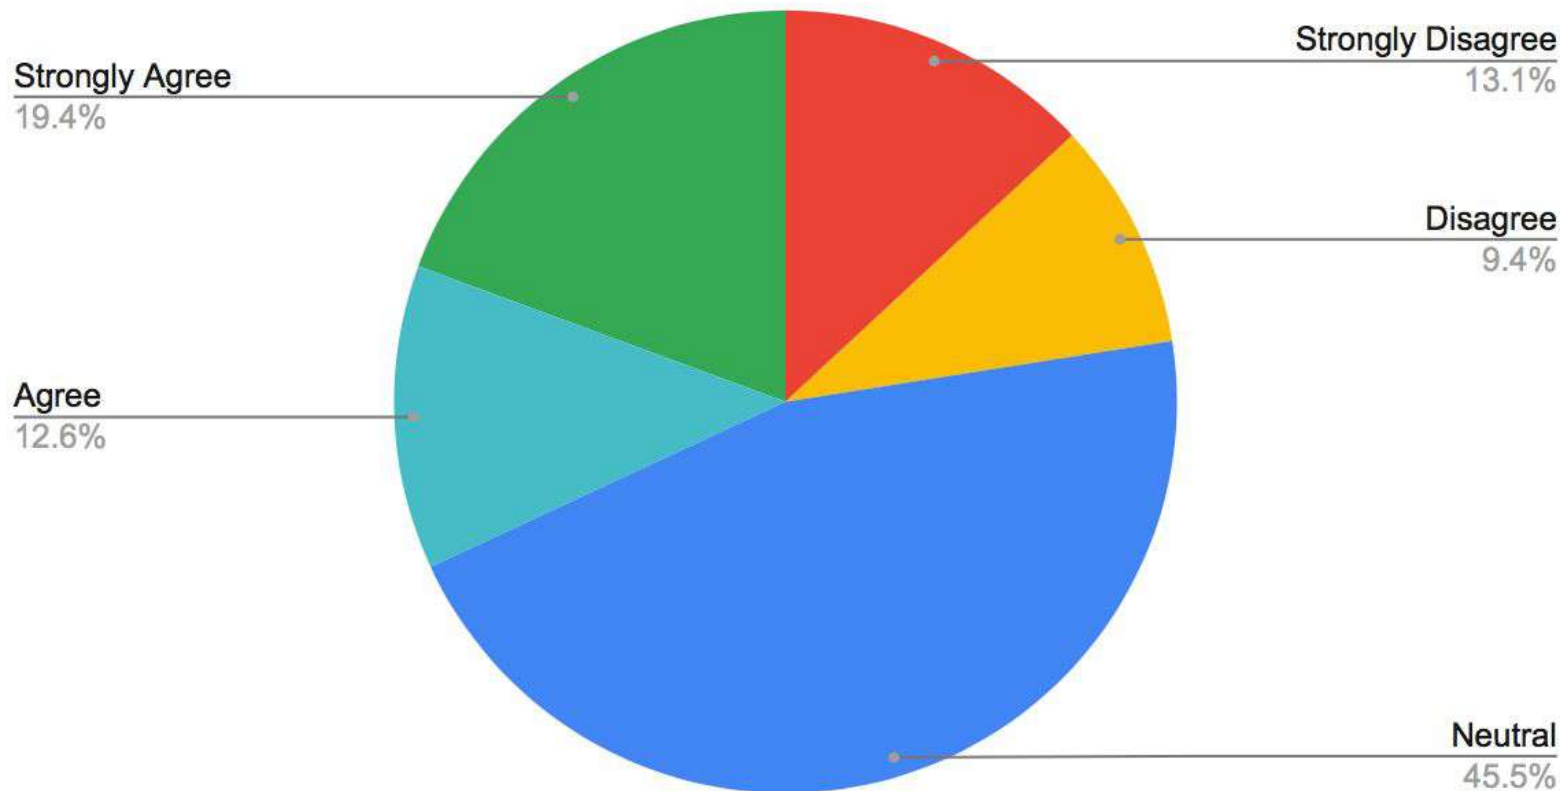

My student's learning program is requiring too much of my child.

For families of students with IEPs, school staff are working hard to support my student in a Connected Learning environment.

For families of students with 504s, school staff are working hard to support my student in a Connected Learning environment.

In the past week, if you needed to talk to your student's school, how often were you able to get in touch with faculty/staff?
