

myMealOrder

Something NEW from Auburn Public Schools Food Services!

We are excited to now offer online pre-ordering of meals at **myMealOrder.com**. **myMealOrder** is a simple and effective convenient way to pre-plan and pre-order school breakfast and lunch meals online. And foremost, we are excited to be back to serve every student, by offering tasty meals with great nutrition that supports their growth and learning!

Meal prices will remain the same as 2019-2020. At this time, Meals to GO and ALL Meals at School will not be free for everyone. We will follow the USDA guidelines for students qualifying for Free, Reduced and Paid pricing. More information on Meal Prices by school as a refresher will be out soon along with the application for USDA Free and Reduced Meals.

Due to complexities of service in the classroom meals, Grab and Go, Dining Kiosks and Meals TO GO options, we will need ALL families to utilize our online myMealOrder to order meals. This applies for students on scheduled in school days and for those families picking up meals on Wednesday from our Meals TO GO location at Auburn Middle School. We will work tirelessly to help you acclimate to this new system and we begin with brief instructions here and as we get closer to September 1st; we will provide a video with more details. And you can always call or email us with any questions. **Information will be provided regarding timelines for ordering meals with myMealOrder!**
