<ul style="list-style-type: none"> Hand sanitizer Disinfecting Wipes [Kills 99.9% of germs] Kleenex Tissues 			

Students are reminded that during the Covid 19 pandemic, supplies should not be shared while at school. Please make sure to be safe. If you have a friend that is in need of supplies, be a good friend and help them notify a teacher. We want everyone to have what they need.

Students will also be supplied a mask from the state of North Carolina if they do not have one of their own.

**Please keep in mind that while all schools in Asheboro City Schools are using remote learning to provide instruction, students will have to maintain some supplies at home. Make sure you have a good supply for any projects that need to be completed.*
