

Student name: _____

High School Registration 2020-2021 School Year

It's time to register for classes for next school year! The 2020-2021 registration form for rising 9th graders is attached. Counselors from Forest Hills will be at East Union on Monday, March 23-24 and March 26-27 to meet with each student individually to review their course requests. Before then, students and parents should complete the registration form and return to your Homeroom Teacher by March 19th. Please see the information below for specifics on how to complete the registration form:

- **Write the student's name in the bottom right hand corner**
- **Students should choose three (3) ELECTIVE courses and four (4) ALTERNATE electives and mark them on the registration form.**
 - Your top 3 elective choices should be marked with an 'X' in the column to the left of the course name.
 - 4 alternate courses (selections that will be used if your top choices cannot be scheduled) should be marked with an 'A' in the column to the left of the course name.
- **Students do NOT need to mark/choose their core classes (English, Math, Science, Social Studies). Rising 9th graders will be placed in English, Math, Social Studies and Science courses based on middle school grades, teacher recommendations, and test results. Most 9th graders will take:**
 - English I or English 2
 - Math I or Math 2
 - World History
 - Earth & Environmental Science or Biology
 - Health and PE
 - 3 elective courses

We encourage students to review the registration form and discuss their course choices with parents or guardians. For full descriptions of every course and course prerequisites, you can access the Program of Studies online at: <https://www.ucps.k12.nc.us/Page/3182>

Every effort will be made to honor student course choices, but final student schedules will be based on graduation requirements, class size, and course availability.
