

NCVPS GRADE CHANGE REQUEST FORM
2nd Semester 2020-2021

CMS implemented a Pandemic Grading Plan for the 2nd semester that included an expectation that a student would not receive a grade lower than 50% for any assignment. However, students enrolled in NCVPS courses may have been taught by teachers outside of CMS that were not expected to follow this grading plan. Therefore, if there is an assignment graded below 50 for the 3rd or 4th quarter that you would like to request a review and possible adjustment, please complete this NCVPS Grade Change Request form and submit to the NCVPS contact at your school by May 25, 2021.
