

NETA- bitmoji & sticky notes

Mrs. Good

Bitmoji

What is it?

How does this apply to my classroom?

How do I get it onto my computer?

Bitmoji

y tho

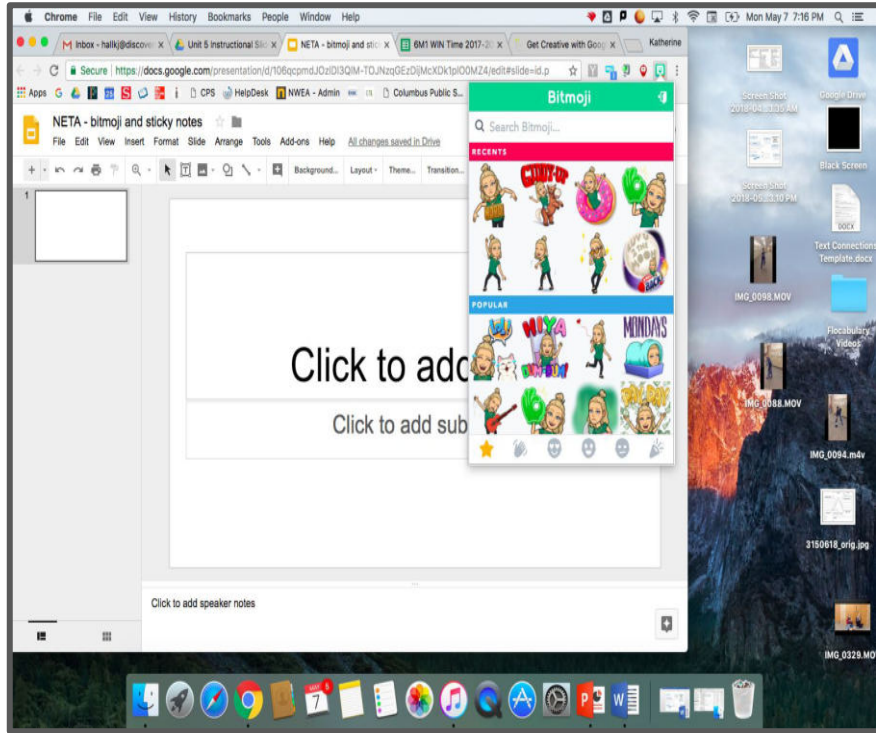

- **Create comments on tests, quizzes, and worksheets**
- **Spruce up your slides**
- **Connect with your students who are using it**
- **Add humor**

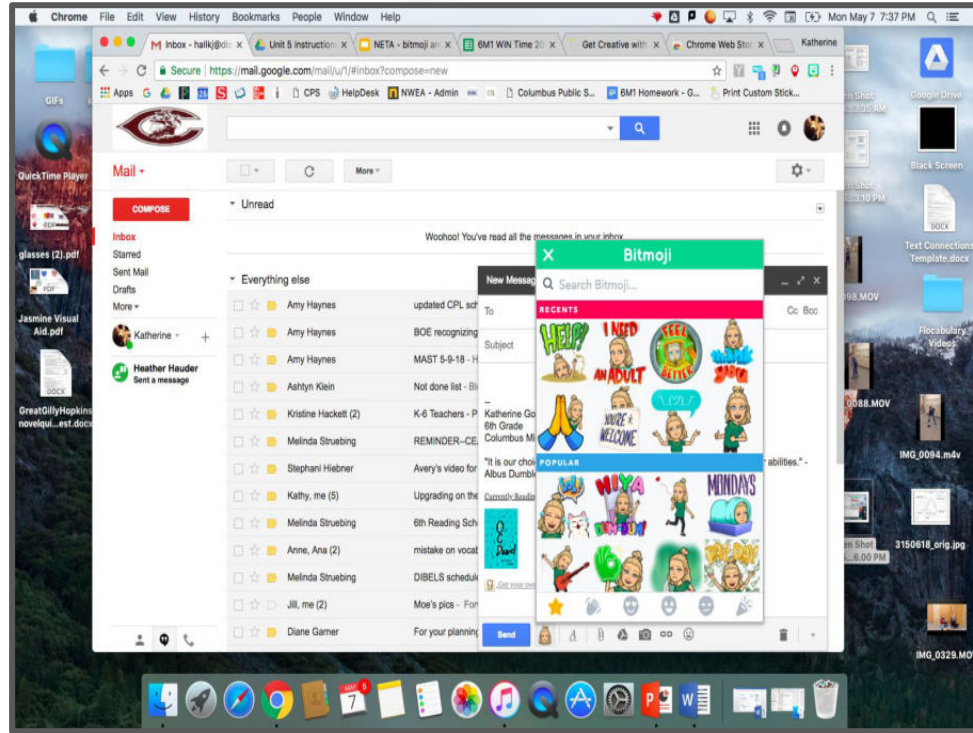

Bitmoji

**Google Slides, Docs, Drawing,
ETC.**

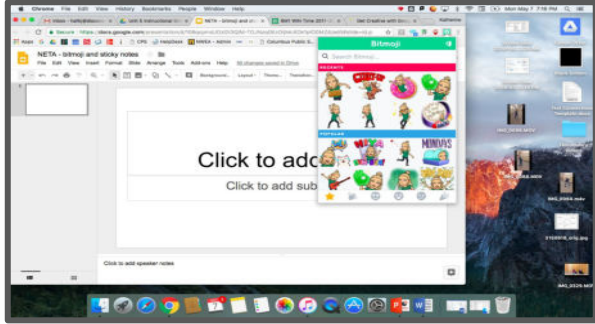

Like a bitmoji, but don't
want the words or extras?

Here are your choices→

1. Double click and crop
it out using the black
cropping rectangles.
2. Add a white (or any
color) text box over it
to hide it!

Bitmoji

Google Slides, Docs, Drawing,
ETC.

Welcome Back!

1. Add your own words using WORD ART!
 - a. Click on insert
 - b. Scroll down to click on Word Art
 - c. Type your new saying- you can change color and font
 - d. Connect it by placing it where you want!

Sticky Note Printing

Sticky Note Printing

Replace or delete the text
on this page....

**Using Google Slides,
create a template by
duplicating a blank
slide and inserting
what you'd like.**

- Print Setting and
Preview.**
2. Click the **Hide Background** button.
 3. Click the **Print** button.
 4. Click the field under **Pages** and enter **2-2**.
 5. Click **Print**.
