

EXCELSIOR MIDDLE SCHOOL – How to Create a Family PowerSchool Account

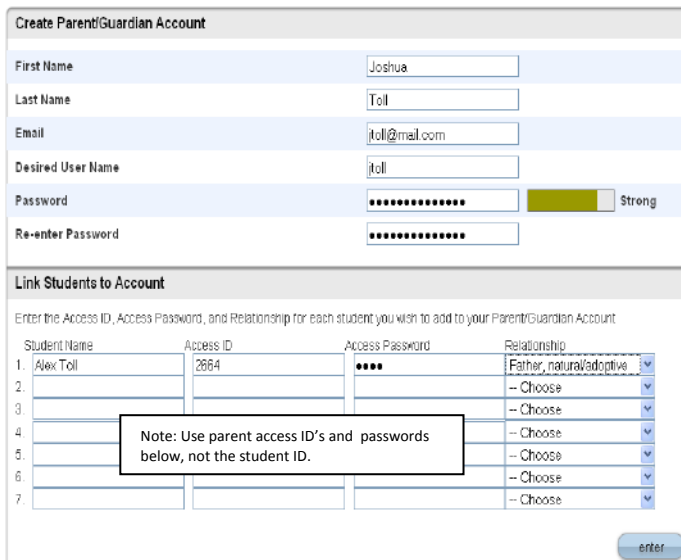

PowerSchool is our student database system where parents/guardians can access our daily bulletins, your child's grades, attendance, and update your child's emergency information at registration time.

You will need to go to the Linn-Mar web page : www.linnmar.k12.ia.us and click on "PUBLIC" under the PowerSchool heading in the left hand column.

You will NOT have a personalized login user name and password until you create an account. Click on "Create Account".

1. The screen below will appear

This is where you will setup access to ALL your students. Next, enter the parent first and last name, and email.

Create a personalized user name and password to be used with the account. Use no apostrophe's and it must be at least six characters. Once you set up your family account with a personalized password the buildings can no longer lookup your password if you forget it; so please write it down for future reference.

Link **ALL** of your students to your family account by entering each student's **LEGAL** name; the **parent** access ID and Access Password. Select the relationship you are to the student.

Click **Enter** and you should be ready to login.

4. Assuming you are successful, you will receive this message.

Congratulations! Your new Parent/Guardian Account has been created. Enter your Username and Password to start using your new account.
