#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Expect to work only part of the year;

2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

3. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

**E-mail Usage Policy** 

Section G - Personnel; Code - G

#### **Introduction**

This policy sets out the general rules and guidelines for use of electronic mail (email) in the Dinwiddie County Public Schools (DCPS), including electronic noticeboards hosted therein. E-mail and other electronic information systems will reduce the need for paper-based communication. DCPS makes an e-mail system available and encourages the appropriate use of e-mail as an alternative to paper based communication.

The DCPS e-mail system is coordinated and managed by the Department of Technology. No other e-mail system (server or client) is recognized or supported by DCPS.

#### Use of E-mail

The e-mail system is DCPS property and DCPS reserves the right to monitor and to access any e-mail messages. The use of e-mail for personal purposes is permitted for convenience. All users are responsible for ensuring that their e-mail usage is within regulations and is ethical and lawful. The sending of text or images that contain material of an offensive, indecent or obscene nature is prohibited.

Provided the appropriate security guidelines are followed, e-mails sent from one user to another on the same e-mail system are relatively secure - any other e-mails should at all times be regarded as having the same status as a postcard. Users of email should be aware of formal requirements and good practice in the use of e-mail as set out in the sections below.

E-mail may be used for any legal activity in furtherance of the aims or policies of DCPS, subject to the conditions listed below. The following specific uses are excluded:

- Any use that violates DCPS policies, standards or administrative notices;
- The use of another individual's e-mail account using that individual's identity (i.e. the individual's username/password details);
- Impersonation or misrepresentation of another individual;
- Alterations of source or destination address information;
- The use of e-mail that could result in the inadvertent commitment of DCPS to a contract or agreement if it appears to the other party that he/she has authority to do so;
- The use of e-mail for personal reasons to promote or denigrate companies or organizations, or defame other employees.

#### Misuse of E-mail

Penalties for misuse of e-mail will depend on the seriousness of the offence, and be in accordance with current DCPS Procedures.

#### Code of Practice for E-mail Users

Users should make every effort to adhere to the following guidelines for appropriate use:

- Check your e-mails regularly;
- Be polite. Messages sent by e-mail can often seem abrupt, even when this is not the intention. Use professional courtesy and discretion. The use of all upper-case text in either the subject or the body of an e-mail should also be avoided as this is deemed to be the e-mail equivalent of shouting;
- Do not reply with history of message if it is not necessary, especially if it incorporates a large attachment.
- Do not use "Reply to All" and distribution lists unless the message is relevant to <u>all</u> the specified recipients in order to keep the number of your messages to a minimum and reduce the risk of sending messages to the wrong people;
- Set the Auto Responder (Out-of-Office) to deal with your e-mail if you are away;
- Messages should be clearly addressed to those from whom an action or response is expected, "cc" or "bcc" should be used for other recipients of the message;
- Respect privacy and consider this aspect before forwarding messages;
- Delete unwanted or unnecessary e-mail. It is the user's responsibility to manage their own e-mail folders and keep within the quota limits set. The Technology Department can give advice and assistance if required;
- Unsolicited e-mail, especially with an attachment, may contain a virus. If in doubt, delete the e-mail or contact the Technology Department before opening if possible;
- Do not attempt to carry out confidential or sensitive tasks exclusively by email;
- Enter a meaningful 'Subject' field to help the reader anticipate the content correctly;
- Do not use all or part of someone else's message without acknowledgement. Do not edit someone else's message without making clear the changes that you have made and do not distribute other people's messages without permission;
- Avoid subscribing to unnecessary mailing lists. Unsubscribe from mailing lists when they are no longer required;
- E-mail group lists provided by the Technology Department should be used for matters of DCPS or individual school business. Use of multiple e-mail group lists should be avoided unless absolutely necessary. Prior permission from the Technology Department is required to send a message to all users;
- Do not forward e-mail "chain letters". These are e-mails which either ask you to forward them on to all your friends (or to everyone you know) or which state that something bad will happen if you do not forward them on. E-mails of this type, including those warning about something (e.g. computer viruses), are almost certainly hoaxes;
- If you are unsure about any e-mail that you've received, contact the Technology Department for assistance.

#### Cautionary Notes

The nature of e-mail is such that total confidentiality cannot be guaranteed and users should be aware of the following points about the use of e-mail:

- Copies of e-mail may exist on a back-up copy or a remote system even after the author or recipient has deleted the message;
- E-mail may be forwarded by any recipient without the author's consent, although it may not have been the author's intention. A forwarded message may be a modified version of the original;
- It is possible for the author or sender of an e-mail to disguise or alter their identity;
- Organizations outside DCPS may have different policies on e-mail. Some consider it the property of the organization, subject to examination, copying or forwarding. Be aware of this possibility when sending e-mail;
- A reply to a personal message sent via a 'list server' or electronic bulletin board may be inadvertently distributed to all subscribers to the list;
- Usernames and passwords should not be disclosed to others. This could result in security breaches and other people using your e-mail account to send unauthorized messages. Suspected security breaches should be reported to the Technology Department at once;
- Once a message is sent, there is no way to recall it. Check carefully that messages are addressed to the correct recipient(s) before sending.

#### Auditing

The Technology Department does not routinely monitor or access e-mail. All e-mails, however, arriving at Dinwiddie County Public Schools are automatically scanned for viruses and for "spam" content, i.e. whether they match unsolicited, nuisance, e-mails previously sent to the School DCPS - any such e-mails are blocked. Filtering/virus-scanning can never be 100% effective so any unsolicited e-mails/attachments should always be treated with caution. Similarly, an e-mail may be incorrectly marked as infected or "spam" and therefore some e-mails could be blocked unnecessarily. The Technology Department reserves the right of access to users' e-mail and audit logs on both the client workstation as well as the servers for legitimate purposes, such as investigation of complaints of misuse. Content and audit logs for both sent and received e-mail may be inspected (including personal e-mail) at any time without notice. Authorization must always be given by the Director of the Technology Department (or designee) for access to staff e-mail.

The Technology Department will endeavor to maintain privacy of e-mail. There may be special cases, however, when it is essential that e-mail messages are accessed due to, for example, illness of the owner of a mailbox. In these instances, on the request of the appropriate Administrative personnel and on the authorization of the Director of the Technology Department (or designee), the Technology Department may locate and make available e-mail messages for access by a member of staff. The owner of the mailbox will be notified in due course.

Certain authorized members of the Technology Department may necessarily have access to the contents of e-mail messages in the course of system administration. Any knowledge thus obtained will not be communicated to others, unless required for system administration.

The Technology Department reserves the right to take special actions in administering e-mail if this is essential to preserve the integrity or functionality of the systems. This may include the deletion of e-mail.

#### **Retention**

DCPS has an automatic centralized system to archive e-mails. This enables DCPS to track down previous e-mails in respect of correspondence that would be significant in an internal or external matter (e.g. correspondence of a contractual nature). It will also be used to provide access to information, when required to do so, in response to a request for information pursuant to the Virginia Freedom of Information Act.

The e-mails are stored as part of an archiving system. Generally, e-mails will be archived for a period of no less than two calendar years.

#### **Deletion and Archiving**

E-mail messages are archived along with other files in accordance with existing Technology Department operational procedures so messages deleted by users might still be held on archives. Archiving of e-mail messages, however, is not intended to act as a backup to user mailboxes and recovery will be limited to division critical messages. Users should make an effort to maintain their own essential messages.

#### Security – Opening and Closing of Accounts

Computer and e-mail accounts for staff are set up by the Technology Department. Associated passwords are issued directly to the end user or via faculty staff.

Before leaving employment at Dinwiddie County Public Schools, staff should unsubscribe from any e-mail lists that they may have subscribed to and delete any personal e-mails in their account. If there are any work-related e-mails that need to be transferred to another user then these e-mails should be forwarded as appropriate – contact the Technology Department if assistance is required.

At the discretion of the DCPS Administration, following the departure of a member of staff from DCPS, that user's e-mail account will be disabled for a period of 2 weeks after which time the account will be deleted. DCPS Administration may request access to the closed mailbox be given to another member of staff for this duration.

#### **Disclaimer**

All e-mail messages sent from DCPS will include an e-mail disclaimer, as follows: "The information conveyed in this communication is intended for the use of the original addressee(s), and may be legally privileged, confidential, and/or exempt from disclosure under applicable law. If this communication was not addressed or copied to you, then you have received it in error and are strictly prohibited from reading, copying, distributing, disseminating, or transmitting any of the information it conveys. If you received this communication in error, please destroy all electronic, paper, and other copies, and notify the sender of the error immediately. Accidental transmission of this communication is not intended to waive any privilege or confidentiality protected under Virginia's Freedom of Information Act."

#### **Review**

It is the responsibility of the Technology Department to review regularly the content of the Electronic Mail Usage Policy for relevancy.

#### Notice to Applicant/Volunteer

#### **Directions for Challenging a Criminal History Record**

In the event you are determined not qualified to work or volunteer in a position that involves access to children, the elderly or disabled you may initiate a personal review of a criminal record. Please remember: you were fingerprinted for the position and the Central Criminal Records Exchange (CCRE) of the Department of State Police has determined the fingerprints are identical to criminal fingerprints on file at CCRE and/or the Federal Bureau of Investigation (FBI) and a conviction exists which is a barrier to employment or volunteering services. To initiate a review of a criminal record, follow these instructions:

#### CCRE – Criminal Record within the Commonwealth of Virginia

Report to Virginia State Police Administrative Headquarters between the hours of 8:00 am and 4:30 pm at 7700 Midlothian Turnpike, Richmond, Virginia or a VSP Area Office\* and inform the receptionist you desire to challenge a criminal record. You must provide two forms of identification, one of which must contain a photograph. Your fingerprints will be obtained and searched against the criminal record fingerprint database and the criminal history record for the State of Virginia only will be reviewed with you. Should you have a discrepancy either at the charge or final disposition level you must address it with the contributor of the record or the court or arresting agency that submitted the record to CCRE. CCRE staff will provide the necessary guidance and information to establish contact with a contributing agency.

#### FBI – Criminal Record outside the Commonwealth of Virginia

Telephone the FBI, Special Correspondence Unit at (304) 625-5590, or visit <u>https://www.fbi.gov/services/cjis/identity-history-summary-checks</u> for instructions.

#### **Privacy Act Statement**

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses.
