

Music

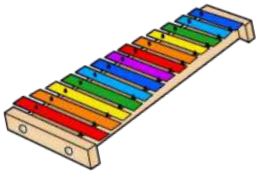

Newmarket Elementary

kingm@newmarket.k12.nh.us

Welcome to *Newmarket Elementary Music*! I am Morgan King and I have been teaching Elementary Music for 5 Years and have been performing around New Hampshire for over a decade.

All students participate in music at NES and have one 45 minute class a week. Through the music curriculum students develop their musical skills such as: steady beat, pitch matching and singing, analyzing musical form, music literacy, creating musical rhythms, melodies, learning about music around the world, learning about music history through various musicians, and much more!

National Music Standards

Source: nafme.org

Creating

- Generating musical ideas
- Evaluate and refine musical ideas
- Share musical ideas

Performing

- Practice, evaluate, and perform with technical accuracy.
- Perform with expression and technical accuracy

Responding

- Analyzing musical works
- Responding to others while playing an instrument or moving expressly

Connecting

- Relating personal experience and knowledge to music
- Demonstrate relationship between music and other arts, culture, society, and history.

What is offered outside of the Music classroom?

4th and 5th grade Chorus! After school on Tuesdays students learn to sing in a group, learn vocal technique, and how to read choral music.

5th grade Band Lessons! Band students have weekly 30 minute lessons before school for their instrument group. Students can choose between: Trumpet, Trombone, Flute, Clarinet, and percussion.
