A Conversation Between NHED and NH Families

## Attention Newmarket families!

Our school district is being monitored by the New Hampshire Department of Education's Bureau of Special Education Support (NHED) for compliance with special education laws and ensuring that all children have access to free, appropriate public education.

As a part of this process, they want to hear directly from YOU—families/caregivers of children receiving special education services.

This is an **invite only** event for the Bureau to hear from **families and caregivers directly impacted by Special Education**.

Join us to:

- Learn: Gain knowledge about the monitoring process in NH.
- Share: Provide feedback and address specific areas of success in your district.
- Shape the Future: Answer questions and share recommendations you have for improvement.

February 18 from 6:30-7:30 PM
