WORDS OF WELCOME FROM PRINCIPAL BAILEY

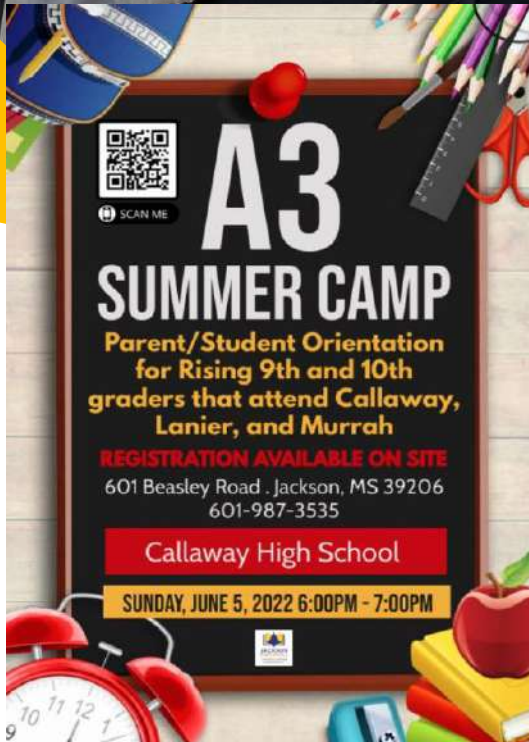

MRS. STACEY BAILEY
A3 CAMP PRINCIPAL

I am Stacey Webb Bailey and I am excited to serve as the A3 Summer Enrichment Program Principal. Last year we had an amazing academic and enrichment experience and I am looking for to another great summer camp.

In August of 2003, I began my educational career at Callaway High School. Over the next 16 years, I provided quality educational experiences in various mathematics courses, served as co-department chair, collaborated with curriculum specialists, and presented many professional development sessions. In August of 2019, I stepped into an administrative role at Callaway High School. My motto and beliefs remain the same.
