Parents

The Cleveland School District is lucky to have PAPER for tutorial.

This is a free 24/7 tutorial for your child with a live tutor. Your child can access the app through their CLEVER account.

Please make sure you are connected to our ClassDojo classes so you can stay informed!

Countdown to MAAP State
Testing

Parents—As we progress further into the year, attendance is extremely important. We are less than 50 school days away from the MAAP test. Please make every effort to make sure your child is at school.
