Instructions for 6th Grade Registration Card

Our school day consists of six class periods that meet every day of the week. The school year consists of two 20 week semesters.

REQUIRED ACADEMIC CLASSES: Every student will be assigned four full year academic classes to include Language Arts, Math, Science, and World Studies courses. **Students may choose Math 6 or Accelerated Math 6, which covers more content at a more rigorous pace.*

REQUIRED MUSIC ELECTIVE CLASS: A full year of music is required for all 6th grade students. Please mark an **X** next to the top choice.

The music classes are a full-year commitment. Once the school year begins, changes to music choice cannot be made. No previous experience is needed for any music class. Information from the band and orchestra teachers will be made available to parents regarding the different options for obtaining an instrument at a later date.

ELECTIVE CLASSES: Two 20-week elective classes will complete a student's schedule. Please rank the five elective classes in order of preference. First choice - #1, Second choice - #2, and so on, ranking **all electives 1 – 5**. Please note that students are not guaranteed their first two choices and may be placed in their alternate choices (3-5) based upon availability.

NOTE: Students with IEP's: Parents of students with current IEP's will meet with staff from both schools in the spring. At that time, any necessary adjustments will be made to the registration card.

Parents – Please be sure to:

1. Discuss with and assist your child in making the appropriate music class selection. Please remember that this selection is for the full year.
2. Discuss the elective options with your child and make sure the options are ranked 1-5.
3. Fill out the registration card completely and include required signatures.
4. Provide documentation/a copy of current report card from previous school.
