

NFL Postseason

Did your team make
the postseason?

Let's pick the winner!

- Pick the winner and see who gets it right leading into the Super Bowl!
- We are only picking through the AFC & NFC Championship games!

Here's how we will score:

(Before the games) + 3 points if a player on your team is featured in ANY national advertisement (TV, etc)

+ 5 point for a team win (If you pick wrong, you don't gain anything)

- 5 points if a player on your team draws negative attention to the team in the media
