State Goals

To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

At Nixyaawii Community School, it is important to us that all of our students and their families feel safe, welcome and included. Everyone is welcome in our schools regardless of race, gender identity, sexuality, immigration status, country of origin or other factors. Everyone is entitled to academic success regardless of their background or family circumstances and each student will be provided the necessary support to ensure that success. We want students to focus on learning without fear of discrimination or harassment.
