Newmarket School District

Mission Statement

The Newmarket School District is committed to the highest standards of quality education. We ensure a safe and successful learning community. We embrace diversity and respond to the social, emotional, intellectual and physical needs of every child. We strive to work with the broader community to ensure that students develop lifelong skills enabling them to be contributing and productive members of society.

Newmarket Junior-Senior High School

Mission Statement

Our mission is to provide opportunities for students to realize their potential in a safe and tolerant environment. Our goal is to develop a solid academic foundation of basic skills, critical thinking and creativity. We commit to fostering respect, trust, self-awareness, and an appreciation of cultural, ethnic, lifestyle, and learning diversity. We accept the responsibility for preparing our students to function successfully as productive individuals and responsible citizens in a complex and technological society. To this purpose, we, the administration, staff, parents, and students, dedicate ourselves to work together to create a community of lifelong learners.

NONDISCRIMINATION (SEE POLICY [AC](#) FOR MORE INFORMATION)

It is the policy of the Newmarket School Board that there will be no discrimination on the basis of age, gender, race, creed, color, religion, marital status, sexual orientation, national ethnic origin, economic status or disability for employment in, participation in, admission/access to, or operation and administration of any educational program or activity in the School District.

PRINCIPAL'S WELCOME TO NEWMARKET JUNIOR SENIOR HIGH SCHOOL

The *Student/Parent Handbook* is provided to parents and students as a resource for learning. The Newmarket Junior Senior High School faculty strives to make each student's school experience academically rigorous, highly engaging, and personally rewarding.

Every student will experience success and enjoy a quality education. In order to realize these goals, students, parents, and faculty must communicate openly and frequently. Together we will clearly define goals and expectations. We will provide continuous support and encouragement for all. It is through communication that students will develop a sense of responsibility and an ability to continually evaluate progress made toward personal fulfillment.

Success in learning, similar to success in life, does not come easily. Students must possess a desire to succeed. It is a student's responsibility to be prepared for class activities.

Students, faculty, and families must be committed to working with one another to provide a highly engaging learning environment. This means placing a high priority on school and school-related activities. Students must keep in perspective jobs, outside interests and personal goals if they are to get the most from their educational experience.

Communication, hard work, and commitment are the keys to success in any endeavor in life. It is through the proper blend of these attributes that students experience personal growth and development, as well as success. I invite every parent and student to focus on these criteria and to work with us in order to enhance the educational process at Newmarket Junior Senior High School.

Go Mules!

Christopher Mazzone, Principal

ATTENDANCE

The Newmarket School Board and the Newmarket Junior-Senior High School staff and administration are committed to offering the best possible education to students. The educational program offered by the District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Regular attendance and participation in classroom experiences are an integral part of any meaningful education program. School attendance is mandated by state law, and it is the responsibility of parents and guardians to assure the punctual and regular attendance of their children. Frequent absences disrupt the continuity of the instructional process. In summary, *school staff cannot teach pupils who are not present.*

The Board considers the following to be excused absences: illness, recovery from an accident, required court attendance, medical and dental appointments, death in the immediate family, observation or celebration of a religious holiday, such other good cause as may be acceptable to the Principal or permitted by law. Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

As school attendance is essential to success in school, Newmarket Junior-Senior High School will closely monitor the amount of school time missed by students. After five (5) absences from any class, the teacher will contact parents. After five (5) absences from school, a letter of concern will be sent home by the administration. Academic credit may be denied in cases of excessive absenteeism.

ABSENCE FROM SCHOOL

The school should be notified of any anticipated absences and/or called on the morning of an absence. The main office is open from 7:00 am to 3:00 pm. You may call 292-7660 to leave a message at anytime on the answering machine. Any absence not reported by a parent or guardian will be considered truancy.

PLANNED EXTENDED ABSENCES

Parents are urged to plan family trips during school vacations so as not to interfere with the education of the student. The missed days will be counted toward the class absence limits listed in the following paragraph. Students are expected to make up all missing work in a time frame that is established by the individual teacher.

CLASS ABSENCE LIMITS

To receive credit for a course a student must not exceed 7 class absences per semester. A class that is missed because of a school-sponsored activity (field trip, athletic activity) or a religious holiday will not be considered an absence. Absence due to long-term or chronic illness may be excluded from this total on a case by case basis.

Any student who receives a passing grade in a course but who exceeds the number of allowed absences will receive an EA (**Excessive Absence**) designation on his/her report card. The student will remain in class and attempt to fulfill the class requirements. However, no credit will be awarded toward graduation and the grade will not be considered in the computation of the student's GPA. A student who is notified of a violation of the attendance policy may request a hearing with the Attendance Committee within five school days of the issuing of the notification letter. **However, a student who has been truant from school or who has cut the class in question forfeits his/her right to an appeal.**

It is important that students and parents realize that the limits of absenteeism listed in this policy are not to be considered as approved days to be absent from class. **These days should be considered as a bank for sick or emergency days and used only when needed.** A note from the licensed provider should be obtained at the time of all appointments to document the absence for medical, psychiatric, dental or therapeutic reasons.

TARDINESS

As it is our responsibility to prepare students for full participation in society and work, we expect students to arrive promptly and ready to engage in school. Students are expected to be in class when the bell rings. Students entering the school after 7:35am must sign in with the attendance secretary in the main office immediately upon arrival.

Students will be marked absent for any class in which they are ten or more minutes late. Three tardies of less than ten minutes to a class will also constitute one class absence. In both instances, the absence mark will count toward the semester- or year-limits for academic credit. Teachers may also issue detention for excessive tardiness. Three or more tardies in an academic quarter may result in an administrative detention. Continued unexcused tardiness will be referred to administration for appropriate disciplinary action. For any student driver, driving privileges may be revoked after the fifth tardy in a quarter.

DISMISSAL DURING SCHOOL HOURS

Students needing to be dismissed during the school day must present a dated note to the office between the hours of 7:10 am and 7:35am. The home phone number should also be included on the note, signed by a parent/guardian or student of legal age stating the reason for the dismissal. Students are encouraged to obtain appointments during school vacations or after school hours.

Newmarket Jr./Sr. High School reserves the right to verify all appointments for which students are dismissed from school. Excessive absences from school may result in the loss of credit and possible disciplinary action.

If a student becomes ill while in school, the school nurse will notify the main office and the student's parent or guardian to recommend dismissal.

All students who are being dismissed are required to sign out in the front office when they leave the building and, if returning to school, upon return.

MAKE-UP WORK

Students are expected to make up all missing work in a time frame that is established by the individual teacher. If a student needs school work sent home due to a "prolonged" excused absence (in excess of 5 days), a request must be submitted in writing or by phone from the parent or guardian of the student to the Guidance Office.

HIGH SCHOOL GRADING PHILOSOPHY & PROCEDURES

EXAMINATIONS

Final exams or culminating activities may be administered to all students in all courses, within the last two weeks of each semester.

GRADING SYSTEM

GRADING

The following grading system is used at Newmarket Junior-Senior High School:

A+	97-100	B+	87-89	C+	77-79	D+	68-69		
A	94-96	B	84-86	C	74-76	D	66-67		
A-	90-93	B-	80-83	C-	70-73	D-	65	F	<65

Percentages are shown on report cards and high school transcripts. Report cards include the above letter grade table, and, when transcripts are sent to colleges, universities, the military and employers, a school profile is included explaining our grading system. When calculating percentages, our grading software computes to the tenths place, i.e. 91.7%. Rounding occurs to arrive at the final percentages displayed on report cards and transcripts.

****** Beginning with the class of 2022, grade point averages for all courses in calculated on a 4.0 scale. AP courses will be reported on a 4.5 scale. Students are still required to earn 28.25 credits to graduate. Also reflected for the class of 2022, students are required to achieve four credits of Math and English. Algebra I remains as a graduation requirement. Freshman Writing has been recategorized as an elective (.5 credits)**

Grade Point Average

Grade Point Average (GPA) is the average of all grades of all classes taken at Newmarket High School. It is calculated as follows:

1. A percent average is computed using this formula:

Percent x Potential Credits / Total Potential Credits

$$\frac{(\%1 \times PC1) + (\%2 \times PC2) + (\%3 \times PC3) \dots}{PC1 + PC2 + PC3 \dots}$$

% is the percent grade PC is the potential credits for the course

Example: COURSE	REPORT CARD GRADE	POTENTIAL CREDITS
Art	87%	.5
Math	75%	.5
Social Studies	88%	.5
Science	92%	.5
English	87%	.5

Computers

77%

.5

$$\frac{(87 \times .5) + (75.2 \times .5) + (87.6 \times .5) + (92.1 \times .5) + (87.4 \times .5) + (76.8 \times .5)}{.5 + .5 + .5 + .5 + .5 + .5}$$

$$\frac{43.5 + 37.6 + 43.8 + 46 + 43.7 + 38.4}{3}$$

$$\frac{253}{3}$$

3

equals: 84.3 = 84%

NOTE: While our report cards and transcripts display grades as whole numbers, when doing this calculation, our software uses the actual grades issued by our teachers, which are figured to the tenth, ie: 87.6%, which would appear as an 88% on report cards and transcripts.

2. The percent is converted to a **Grade Point Average (GPA)** using the following chart:

PERCENT	LETTER	GPA
96.5-100	A+	4.33
93.5-95.5	A	4.00
89.5-92.5	A-	3.67
86.5-88.5	B+	3.33
83.5-85.5	B	3.00
79.5-82.5	B-	2.67
76.5-78.5	C+	2.33
73.5-75.5	C	2.00
69.5-72.5	C-	1.67
67.5-68.5	D+	1.33
65.5-66.5	D	1.00
64.5-65.4	D-	0.67
0-64.4	F	0.00

RANK IN CLASS

Class ranking begins in grade 9. To determine rank in class, the following holds:

1. Class rank is based on the average of grades earned in English, World Languages, Mathematics, Social Studies and Science only.
2. Each class is weighted Level 4, 5, 6 or AP.
3. Report card grades are given **grade points** based upon the level of class taken.

Grade points are assigned according to the following scale:

Level	L4	L5	L6	AP	L4	L5	L6	AP
-------	----	----	----	----	----	----	----	----

A+	4.33	5.33	6.33	7.33	C+	2.33	3.33	4.33	5.33
A	4.0	5.0	6.0	7.0	C	2.0	3.0	4.0	5.0
A-	3.67	4.67	5.67	6.67	C-	1.67	2.67	3.67	4.67
B+	3.33	4.33	5.33	6.33	D+	1.33	2.33	3.33	4.33
B	3.0	4.0	5.0	6.0	D	1.0	2.0	3.0	4.0
B-	2.67	3.67	4.67	5.67	D-	.67	1.67	2.67	3.67
					F	0	0	0	0

4. Class rank is dynamic, in that it can change each semester. Each grading period is weighted for **potential credit** as follows:

Quarter 1	50%	(.50)	Quarter 3	50%	(.50)
Quarter 2	50%	(.50)	Quarter 4	50%	(.50)
Semester 1 Grade	100%	(1.00)	Semester 2 Grade	100%	(1.00)

5. Class rank is determined by the following formula:

Grade Points x Potential Credits / Total Potential Credits

$$\frac{(GP1 \times PC1) + (GP2 \times PC2) + (GP3 \times PC3) \dots}{PC1 + PC2 + PC3 \dots}$$

GP is grade points earned. PC is the potential credits for the course

Example: To determine rank at the end of Semester 1:

Class	Grade	Grade Points	Potential Credits
English L3	87 B+	3.33	.5
Math L4	95 A	5.00	.5
Social Studies L4	78 C+	3.33	.5
World Language L4	91 A-	4.67	.5
Science L4	81 B-	3.67	.5
Social Studies L5	87 B+	5.33	.5

$$\frac{(3.33 \times .5) + (5.00 \times .5) + (3.33 \times .5) + (4.67 \times .5) + (3.67 \times .5) + (5.33 \times .5)}{.5 + .5 + .5 + .5 + .5 + .5}$$

$$\frac{1.66 + 2.5 + 1.66 + 2.33 + 1.83 + 2.66}{3}$$

$$\frac{12.64}{3} \text{ equals: } 4.21$$

Class Rank Mark

6. The highest number will be ranked first in the class, etc.

ACADEMIC PERIODS

The school year is divided into four quarters, or marking periods. The closing dates for the four quarters are, respectively, November 9, January 25, April 5, and June 19 (or the last day of school).

INTERIM PROGRESS REPORTING

Student grades will be available through Infinite Campus daily. October 4, December 14, February 22, and May 17 are the mid quarter dates. It is the student and parents responsibility to review interim progress with their child. Parents are encouraged to call the school guidance office to obtain a current login for Infinite Campus. Any questions or concerns about a class or grade should be directed to the classroom teacher.

HONOR ROLL

The students of Newmarket Jr. /Sr. High School are recognized for their individual academic achievement. The recognition categories are as follows:

Highest Honors: 94% Average, No grade lower than an A- (90%)

High Honors: 90% Average, No grade lower than a B (84%)

Honors: 84% Average, No grade lower than a C+ (77%)

REPEATING COURSES

Students who fail a course with a final average of "F" (50%-64%) may repeat the course in a certified summer school with the approval of the administration. The student needs to earn a C or better in order to receive credit for summer make-up work. If a student repeats a course in a summer school other than Newmarket, the chairperson of the Department reserves the right to administer an assessment to the student before the final credit is granted.

ADD/DROP PROCEDURES

Requests to change a schedule must be initiated through the Guidance Office. Students wishing to add or drop a course may see the guidance secretary to schedule an appointment. All schedule changes must be approved by the teacher, the department chair, the parents, guidance counselor and the principal. Add/Drop ends two weeks after the first day of the quarter.

- Courses dropped prior to the end of the first marking period will not be recorded on the report card.

- Courses dropped after the end of the first marking period will be recorded as "WP" (withdrawn/passing) or "WF" (withdrawn/failing). This will not affect the student's grade point average or honor roll eligibility.
- Drops that occur after the December or April vacations will result in the assigning of a final grade of "F". The "F" will be posted on the report card and will be applied to the grade point average

OTHER CREDIT OPPORTUNITIES

COMMUNITY OUTREACH AND SERVICE PROGRAM

The administration and staff of Newmarket Junior-Senior High School are committed to the benefits of community outreach and service projects. These are projects that require the student to go out into one's community to implement, enhance and assist with a service project that improves the quality of life and provides assistance to others. This is a learning experience that cannot be duplicated in the classroom.

The staff of Newmarket Junior-Senior High School acknowledges that students should be recognized for their work and efforts in providing these service projects; in an effort to provide this recognition, we have initiated a process that will allow students to request course credit for approved outreach and service projects. The staff of NJSHS may also formally supervise student efforts related to service projects by validating or officially recognizing student participation through the use of letters of recognition on school letterhead which can then be included in the student's college application portfolio.

Individual students who are requesting course credit for their service project(s) must have the projects approved and monitored on a regular basis. Course credit will be awarded using the following guidelines:

- a. 180 hours of service is equal to one credit.
- b. 90 hours of service is equal to one-half credit.
- c. 45 hours of service is equal to one-quarter credit.

CREDIT FOR HIGH SCHOOL COURSES TAKEN IN JUNIOR HIGH SCHOOL

Any high school course successfully passed by a student in the junior high school shall be placed on that student's high school transcript, listing final average, and credit earned. It will be noted that the course was taken before high school entrance. Prior approval from the school counselor and principal is required.

* The grades earned **will not** be counted when calculating the cumulative scholastic average each year of high school.

* Credits earned will count toward the total needed for graduation.

EARNING COLLEGE CREDITS WHILE AT NJSHS

There are three methods students can earn college credits while attending Newmarket Junior-Senior High School:

1. At the end of their junior year, qualified students (typically in the top 10-20% of the class) can apply to take classes at the University of New Hampshire or Great Bay Community College either during the summer prior to their senior year or during their senior year. Tuition and transportation are the responsibility of the student. Any UNH class taken in the school year can count towards the grade 12 minimum of 6 classes per semester. Any college credits earned will not count towards graduation. College classes and grades will be displayed on the transcript but will not count towards cumulative GPA or class rank.
2. Students can take Running Start courses as part of their career and technical education at the Seacoast School of Technology in Exeter. Running Start is a program that offers college credit while taking a high school course that meets college requirements at Great Bay Community College or other state community colleges. Tuition for these courses is \$100.00.
3. Students can enroll in eStart online courses offered by the NH community college system. More information can be obtained at: <http://www.ccsnh.edu/estart/>.

DISTANCE LEARNING ALTERNATIVES

Students can access educational opportunities on-line, through our school-sponsored Virtual High School (VHS) or through other accredited online programs, or via the Virtual Learning Academy Charter School (VLACS).

Virtual High School courses are eligible for elective credit. With department chair permission, students may use a VHS course as credit towards unspecified course requirements, i.e. one credit of social studies or math. With department chair and administrative permission, students may use a VHS course to make up credit for a required course that has been failed, i.e. "Perspectives in Health" could replace a failed health course.

In order to be used for credit, other accredited courses must be approved in advance by the guidance department. Major examinations, i.e. mid-term and final exams, must be taken at Newmarket High School, proctored by a guidance counselor or teacher. Course fees are the responsibility of the student/parent(s).

Courses taken through VLACS, New Hampshire's online high school, must be pre-approved by Guidance and the principal.

No more than two distance learning courses may be taken per semester.

HOMEWORK

Purpose: Homework assignments are an extension of learning that takes place in the classroom and focus on the development of **skills**, accumulation of **knowledge** and deepening of **understanding**. **Homework will count no more than five percent of a student's grade.**

RESPONSIBILITIES

STUDENTS

1. Students are expected to make sure they understand homework assignments and due dates.
2. Students are expected to put forth their best efforts in completing their homework assignments.

3. Students are expected to submit their homework on time.

SCHOOL COUNSELING SERVICES

The School Counseling Department seeks to provide support for students in the areas of academic, career, and social/emotional development utilizing a comprehensive counseling program.

Your counselors at Newmarket Jr./Sr. High School feel that counseling is the key to the guidance service they offer. Counseling is a type of helping relationship in which counselor and student communicate about feelings, attitudes, plans, and ultimately about decisions. The counselor is in a position to act as a listening board, offering alternatives and information so that the student may more fully develop self-understanding and capacity for self-direction.

Teachers are in an ideal position to be aware of students in need of counseling and refer them to the guidance personnel. When a student demonstrates the inability to be a good school citizen or other signs of poor adjustment, he/she may be helped by the counseling process. The guidance personnel also refer to outside agencies if the student's needs cannot be met within the school structure. Parental permission may be requested.

Students are encouraged to make use of guidance services by making their own appointments with a guidance counselor. Be sure to let someone know if you need to talk with a counselor immediately.

Other information available in the guidance library is a comprehensive collection of school, college, vocational, and educational materials. Group guidance and counseling sessions will be conducted as needed to best serve the interest of the greatest number of students.

Special Education Services

Federal law guarantees all students the right to a free and appropriate public education and require that the Newmarket School District evaluate children with disabilities who are in need of special education and related services. The legislation further states that every child is entitled to an education regardless of disability and stipulates that students with disabilities are to be educated with non-educationally disabled students in the least restrictive educational environment.

Special education services are available to all students who qualify. If you have questions about whether your child may eligible for such services, please contact the Special Education Coordinator or your child's teacher. (See School Board policy [IHBA.](#))
