Parking is always an issue so please watch the signs!

Alternate Transportation Form

If your child has been assigned to a bus route, and they are not riding the bus, you need to complete an Alternate Transportation Form. Anytime there is a permanent change to a students' transportation schedule (such as alternate bus, daycare or parent pick-up) then the Alternate Transportation Form must be completed and turned into the school office. Forms are located on the district website at www.centerville.k12.oh.us. **Please make sure we have this form prior to August 12!**

Breakfast and Lunch

We are serving breakfast on the first day! Students may enter the MPR at 7:35 for breakfast at a cost of \$1.55 per day/\$7.75 per week. Our student lunch is \$2.65 per day/\$13.25 per week and includes milk. The menus are located on the district website at Centervillenutritionservices.com

You can pay meals in advance and the balance will be maintained in your child's account via MEALPAYPLUS www.mealpayplus.com. This free service allows you to set up low balance notices and make automatic payments. You can pay for meals in cash or by check. Please make checks payable to "Centerville City Schools". Make sure to include your child's name on the check. Forms and information regarding free or reduced lunch are available here at Normandy and the Student Nutrition Services Office.

Medication Needs

If you child is taking any medication and needs to take their medication at school, a Medication Form needs to be completed and signed by your physician each school year. There are three different forms available on the district web page. Please complete the appropriate form based on your medical needs.

1. Permission to Dispense Medication Form
2. Allergy Form
3. Asthma Form

All medication must be transported to school by a parent in the original container. Please bring with you to OPEN HOUSE on August 12th if possible.
