

Northeast Middle School Technology Information

BASD G Suite for Education: Access point for the majority of BASD Technology Applications

- Clever HUB
- Pearson
- Schoology
- Google Suite (Drive, Gmail, etc.)
- HMH Math Inventory Assessment

<https://sites.google.com/a/basdschools.org/google/>

Schoology™: Website used as the main hub for Northeast students/parents/guardians

(accessible from the BASD Google Suite for Education site)

- Grade Book
 - Daily or Weekly Agendas
 - Classroom Updates
 - Team Announcements
-

Pearson: Main portal to the Pearson enVision2.0 Mathematics online curriculum

(accessible from the BASD G Suite for Education site)

- Textbook Access
- Classroom Videos and Examples
- Lesson Assignments - MathXL for Schools
- Intervention - Supports and Enrichment
- Quizzes and Topic Assessments

This is where students are assigned classwork, homework, and additional assessments to be completed online. The online resources mirror the consumable enVision2.0 Student Textbook and work in conjunction with teacher directed lessons.

IXL: Comprehensive, standards-aligned math practice

- Unlimited problems in thousands of skills
- Support to the enVision2.0 Curriculum Topics
