Away From Home Care Program (HMO & SOS Plans)

- This program allows Enrollees and their covered family members to have a Guest Membership in **select states** when residing outside the network service area for 90 consecutive days or more.
- For availability, information on how to enroll and the states that participate, contact Anthem using the phone number on your ID card.

A Guest Membership is designed to address your healthcare needs if you have one of the following situations:

- **Students** – Typically used for students requiring ongoing medical care while they are away at school.
- **Families Apart** – Available to qualified spouses and dependents residing in different HMO service areas.
- **Long Term Travelers** – Available to qualified Enrollees, spouses and dependents who are temporarily away from their home HMO service area.

PRESCRIPTION BENEFITS

Covered Medications

- Your coverage is based on a list of covered medications known as a formulary.
- A prescription drug formulary is a list of preferred drugs established to encourage the use of safe, effective generic and brand-name medications while helping to control prescription drug costs.
- Certain prescription drugs, such as those that have a direct generic or brand-name therapeutic equivalent medication available, may be excluded from coverage.
- The formulary list will be reviewed quarterly and is amended from time to time.

How It Works?

- Providers will have electronic access to the formulary at the point of prescribing and will be able to prescribe covered medications based on this information.
- If there are documented medical reasons why you must take a medication that is not on the formulary, your provider can request a coverage review by calling **855.240.0536**.
- Log in to your Secure Enrollee Portal (SEP) at www.healthtrustnh.org to access the most up-to-date coverage and formulary information.

PRESCRIPTION BENEFITS

Specialty Medications:

- Specialty medications are used for the treatment of complex conditions, such as cancer, multiple sclerosis, rheumatoid arthritis, and are often injected or infused.
- Exclusively filled by CVS Specialty Pharmacy® with 24/7 access to specifically trained pharmacists and nurses to help manage complex conditions and treatment.
- You can have your specialty medications available for pickup at any CVS Pharmacy retail location, or you can have your medications delivered to your home or location of your choice.
- To get started, call a CVS Specialty representative at **800.237.2767** or register online at **CVSpecialty.com**.

Prior Authorization:

- Prescriptions for certain medications require a prior authorization – also known as a coverage review – to ensure the medication is cost-effective and clinically appropriate.
- Required prior authorizations are subject to change from time to time.
- Your doctor will contact CVS Caremark directly for you to initiate the Prior Authorization process.

Preventive Vaccines:

- Certain vaccines (i.e., flu, shingles, pneumonia) may be obtained at any network retail pharmacy location – choose from over 68,000 locations!
- Show your prescription ID card to receive the vaccine, at no cost.
