	1. Rachel is the single guidance counselor that works at Coffin Elementary School. She works alongside the social worker.	
	2. She would like to have an office with window and ventilation.	
	3. She generally limits her work to working with four students, maximum would be five.	
	4. When she does 504's so goes to other spaces.	
	5. She needs shelves on the wall for games and books.	
	6. She wants to be close to the front door and main office because she is often visited by law enforcement or Human Services.	
	7. She would like to have a lockable closet for hiding materials that are not in every day use.	
	8. A real wish list item would be sink for possibly working with art materials. They have this at Harriet Beecher Stowe and she's heard the guidance counselor likes it a lot.
