- Complimentary Reports from MSHSAA:

10/18 vs. Chilhowee

The coaching staff from Drexel was outstanding in coaching players through the adversity of a foul. Each time a foul was called on one of his players, he removed the player, corrected the issue and sent him back to the field without complaint of the foul called. This is an outstanding example to set for his players and coaches.

10/25 vs. KC East

Field was very well marked and administrators and coaches provided a pleasant experience.
