November 2023 MONTHLY NEWSLETTER Vol 2 Issue 3

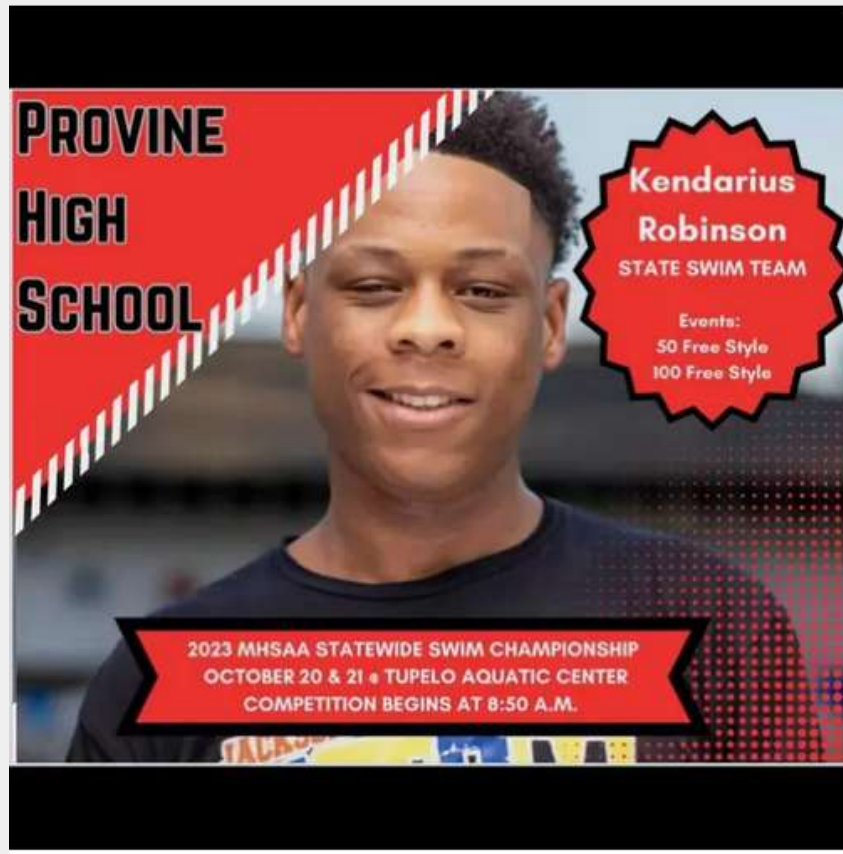

Let's congratulate our very own Stephanie Hatcher. Ms. Hatcher was chosen by De'Monte Russell, former Provine Ram and MS State football player, as a recipient of the SEC (Southeastern Conference) Extra Yard Teacher. SEC recognizes teachers (voted by students) that have had a great impact on their success, and the teacher's that go over and beyond for students. Mrs. Hatcher was featured on air last week on the SEC Network. Ms. Hatcher received funding from DonorsChoose as part of her award to enhance her classroom as she continues her journey to making sure all her students succeed.

Great job Ms. Hatcher, and keep making a difference in your scholar's lives.

Ram City Celebrates National Hispanic Heritage Month

Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America.

The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, falls within this 30 day period.

Student Business Expo

On October 27th, Ms. Dickey and Ms. Gray held a business expo for academy members and aspiring entrepreneurs. The business expo included local business owners in the community coming to speak to the students. The business owners had a small cash prize give away for participation and also left lasting advice to the future entrepreneurs. The pop up was the second part of the expo allowing student vendors, and two outside vendors to sell their products. All of the students were able to attend and listen to music, purchase food and various products.

Rams on the Move

On October 4th, the 210 Club volunteered at a food drive hosted by Pearl Street AME Church. The 210 club was started in Mrs. Daniel's class, focuses on volunteering, and giving back to our community. The students packed boxes, set up the food drive, as well as gave the food away to the community.

On October 18th, the career coach in partnership with Hinds hosted a Resume Writing class with the students from CCR. Here, we learned how to create professional resumes and the importance of leaving first impressions.

On October 26th, the seniors visited Ole Miss. The seniors were able to learn about different majors as well as visit the campus. The day included riding on a charter bus to Ole Miss. We then got to meet the president of the University, followed by dining in the dining hall.

New Teacher Spotlight

My name is Evelyn O'Briant. I am originally from a small town in the Delta called Rolling Fork, MS. I received my Masters from Walden University, and I am currently working on my MAT Certification from Belhaven University. My Husband and I share three amazing kids who are a part of the JPS school system. Two of my children have been diagnosed with autism, which led my interest of wanting to be in the educational field. Having children with autism can be a challenge, especially in the classroom and that is why I have so much respect for teachers. It had always been my desire to teach. Deciding to teach at Provine was an easy decision. It was in a school system which my kids were a part of, and I knew that I would be able to make a great impact here. Children are our future, and I understand that some children go through so much and if I can make a difference in at least one child's life, I'll know I have done my duty.
