November 2023 Vol. 2

A note from the Coordinator:

Parents/Guardians,

This past month has been exciting for us as Wilkins as we have the only Elementary Band Program in JPS and in the state of Mississippi. They performed on October 26, 2023 for Our Lights on Afterschool. The scholars were excited to showcase their musical talents with the parents who attended the program. Without our parents being supportive, we would not be able to properly service your scholar. Thank you again for your continued support.

 **Ms. Jackson**
After School Coordinator
