

Musings from Mrs. March

Dear Parents and Guardians:

Thank you so much for everything you have done to support your students and our staff. Our Red Ribbon Week participation was fantastic!

Our fall conferences are coming up this week and next. Conferences provide an excellent venue to learn about the start of the year for your child or children and set goals for the rest of the year. We were grateful for how many of you have already signed up for conferences. It clearly shows us how much you value this time to talk to our teachers. Our staff loves this time as well.

Our first quarter ends on November 12th. Teachers will have a collaboration day on November 13, so there is no school for students that day.

Below is the link from our fall party parade. We are sorry you cannot hear the music. We are learning new things each day and appreciate your flexibility and patience.
