NOVI COMMUNITY EDUCATION

Register

ONLINE ANNUAL REGISTRATION

All K-12th Grade Students

Starts **August 15th** for
the 22/23 School Year

Middle School & High School families will complete
both the Online and in person annual registration

USE POWERSCHOOL PARENT PORTAL
www.novi.k12.mi.us/academics/powerschool-portal

More information will be coming soon to parents /
guardians. Have Questions Now?
Call Central Enrollment at 248-675-3400

TABLE OF CONTENTS

Peachjar is the new electronic flyer distribution system for the Novi Community School District. Families receive flyers in an individual email based on the school their student attends. The flyers are also posted on each schools' website. If you have any questions contact Kayley Dahring at 248-675-3421.

REGISTRATION INFORMATION

Community Enrichment programs are funded entirely by your fees. Any classes which do not meet the minimum enrollment requirements may be cancelled. Please register early to enhance our planning and ability to provide you with excellent service. Course fees are due at the time of registration. All material or book fees are additional and payable to instructor at the start of the first class. No registration will be accepted at class. Confirmations will be emailed.

REFUNDS

1. FULL REFUND if a class is cancelled by the office.
2. FAMILY REQUESTED REFUNDS: A request must be made prior to the start of the second class, regardless of attendance (not applicable to classes with less than three meeting dates).
3. A prorated refund will be issued for classes that have already begun.
4. There is a \$10 cancellation fee per class for processing a refund.
5. NO REFUNDS will be issued for classes that have met two or more times regardless of attendance.

CLASS DATE CHANGES

Sometimes a class needs to be rescheduled or moved due to a building activity or unforeseen circumstances.

Advance notice will be given when possible.

PLEASE BE SURE TO CHECK YOUR RECEIPT AND EMAIL FOR ANY IMPORTANT CHANGE NOTICES.

CHARGES FOR INSUFFICIENT FUNDS

A \$30 fee will be added to checks returned for insufficient funds.

SENIOR CITIZENS

A 10% discount is available for residents age 60 years or older. Birth-date must be included on registration form. All students are required to pay any material fees that may be included as part of the class fee.

WEATHER CANCELLATION POLICY:

If the district schools are closed due to inclement weather or unforeseen circumstances, all Community Education classes are cancelled regardless of their location. When classes are cancelled due to weather, make-ups or refunds may not be given.

*"An Exciting Hands-On Environment

NOVI COMMUNITY EDUCATION

EARLY CHILDHOOD EDUCATION CENTER

PRESCHOOL PROGRAM

ECEC BUILDING LOCATED AT 25745
TAFT ROAD.

REGISTRATION IS ONGOING FOR THE 2022/2023 SCHOOL YEAR

This program uses the Creative Curriculum. This nationally recognized curriculum supports children learning through hands-on activities and follows the State of Michigan Early Childhood Standards. Lesson plans reflect social, emotional, physical, cognitive, and language development.

Subjects Include: STEAM (Science, Technology, Engineering, Arts, Mathematics)

Preschool Before and After School C.A.R.E. program is available on site. Registration for Before/After Preschool C.A.R.E. begins August 1st. Space is limited.

**FOR MORE INFORMATION
PLEASE CALL 248-675-3431 OR EMAIL
ECEC@NOVIK12.ORG**

REQUIREMENTS:

Must be 3, 4, or 5 by December 1, 2022

Children are required to be fully toilet trained (no pull-ups allowed)

PARENTS PROVIDE:

- Transportation
- Daily Snacks

PROGRAM FEES:

- Registration and Material Fee
- Tuition based on program

HALF DAY AND FULL DAY CLASSES AVAILABLE

HALF DAY CLASSES:

- Meet 2, 3, or 5 days per week
- 3 hours per day

FULL DAY CLASSES:

- Meet 2, 3 or 5 days per week
- 6.5 hours per day
- Lunch is provided

GREAT START READINESS PROGRAM 2022:

4-Year-Old - Preschool: If you live in Oakland County (Novi), your child may be eligible for a free preschool program. Child must be 4 years old by September 1, 2022. Eligibility is determined by income and other factors. For more information, please visit our website at <https://ecec.novi.k12.mi.us/programs/programs/gsrp-preschool> or call 248-675-3431

*All forms, schedules and class updates are available on our website:

Important Information

The CARE Child Information Record and Parent Agreement form must be completed in its entirety for each child attending CARE. Forms must be completed prior to your child's first day of attendance. Failure to complete the forms in their entirety will result in removal from the program.

All fees and days of operation are subject to change

Career Prep High School

41500 Gardenbrook Rd, Novi, MI 48374

Office (248) 449-1717 Fax (248) 449-1719

- *Interested in an alternative learning program that offers scheduling flexibility?*
- *Want to participate in a paid career internship while attending school?*
- *Earn a Novi High School Diploma!*

Registration Information: School Begins on September 6, 2022

RETURNING student's register on **August 24 & 26, 9:00 am to 1:00 pm and 2:00 p.m. to 4:00 p.m.**

NEW students interested in enrolling can call the office number above and set up an appointment with our program director to determine admission eligibility. Career prep students can earn up to two (2) credits per quarter or eight (8) credits a year. Enrollment is based on seat availability and interview. We are an open-entry and open-exit program. A parent or guardian must accompany minors. Students with a previous IEP must call to schedule an appointment.

We offer three class start times to accommodate students who need flexible scheduling options. A full time schedule is four classes per quarter, two classes a day.

To expedite potential enrollment students or parents can email transcript to careerprephs@novik12.org
<https://cp.novi.k12.mi.us/career-prep-high-school/career-preparation-registration>

Walk in Registration Dates: Wednesday & Thursday (August 17 & 18) 9:00 a.m. - 4:00 p.m.

Career Prep High School Program (9 Weeks)

Quarter 1 - September 6, 2022 to November 9, 2022

Quarter 2 - November 10, 2022 to January 26, 2023

Quarter 3 - January 30, 2023 to April 11, 2023

Quarter 4 - April 12, 2022 to June 8, 2023

Class Schedule

We offer classes in three-hour blocks starting at 9:30 a.m., 12:45 p.m. or 4:00 p.m. Each class meets twice per week (M/W or T/TH) for nine weeks. Highly qualified teachers teach all classes. Graduates will earn a Novi High School diploma. Our program follows the same holiday break schedule and inclement weather school closings as the Novi Community School District.

Paid Mentorship Programs

Novi Career Prep offers students the opportunity to obtain a paid flexible real work experience in a chosen field while attending school full or part-time. Students will work with our onsite Michigan Works job coach learning about various career fields and exploring areas of interests. Earn a Novi High School diploma and get a paid work experience with us!

Credit Recovery

Students currently attending a high school can take additional classes with our program after school. You are required to obtain written counselor approval and pay tuition in full (\$249 resident, \$295 non-resident) the first day of class.

GED Prep Program We are a no cost open-entry and open-exit program. Call (248) 449-1717 for more information.

Novi Adult ESL Program Fall 2022 Registration Information

Welcome back to a new year of Novi adult ESL instruction! We are proud to offer day, afternoon and evening classes. We will be accepting students based on availability within each class level. Novi adult ESL program has expanded our class offerings to provide options for students who want to learn more!

2. Registration will take 1 ½ - 2 hours, please do not bring children.
3. You will need to bring photo ID, Social Security Card and the confirmation to your registration appointment at Career Prep High School/Adult Education located at the ROAR Center at 41 500 Gardenbrook Road, Novi 48375.
4. For more information please call 248-449-1717 or visit our website at: <https://cp.novi.k12.mi.us/novi-adult-esl>

CHESS

This program will include lectures, tournaments, game analysis and other components of chess training. The objective of the program is to give students the opportunity to study basic chess principals, to have fun playing chess and compete in a friendly environment. The program will be finished by the final tournament with trophies for each participant. Each student must provide his or her own chess set, or one can be purchased from instructor for \$12. A \$23 material fee (\$13 for Chess Tactics workbook and \$10 trophy fee) is payable to the instructor at first class.

After School Chess Club

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.

Kid Chemist: Chemistry Experiments!

Kid Chemist is a fully hands-on program that strives to have every child grow their interest, knowledge, and confidence in the wonderful subject of science by creating awesome hands-on experiments. Every week is a mixture of different hands-on experiments to learn about science terminology, organic chemistry, elements on the periodic table, and much more. Learning becomes fun when it's hands-on, so hold on tight while we take a journey through the world of science.

After School Guitar Club

Guitar Club provides the opportunity for students to learn many chords and scales in addition to playing their most favorite songs, too! This guitar course is instructed in an enjoyable and positive learning environment while celebrating many styles of music. Instructor Wayne Mrdjenovich is an award-winning music educator and writer and has over 30 years of experience teaching private lessons, classes, and songwriters' workshops. Please bring your own guitar. Guitar club is for beginning and experienced players.

iCode Tech Club

Tech Club is a one-hour long program held at the school each week. Students will gain a hands-on insight into iCode's computer science curriculum. Students will learn foundational concepts with extra exposure to patterns, sequencing, and logical thinking that results in an improved ability to solve problems. They will be learning python, drone programming, game development, and robotics through an application-based curriculum. Curriculum for K-2

During these courses, students will build engineering structures with the use of robotic equipment like Vex Robotics. Students will also program drones using scratch coding. They will also develop important skills in game creation and game design. Child must bring a Chromebook/iPad to class with them!

Minecraft Modding Quest

Covers Units 1-3 of the Minecraft Modding Quest series. Your child will code games, stories, buildings, and anything else they want in Minecraft and see them come alive in the game. The class covers deep computer programming concepts commonly used in advanced programming languages. This is a virtual class led by live instructors. Students must have a Windows or Mac laptop/computer with Zoom and a Chrome Browser.

Class Number	Date	Day	Time	# of Weeks	Grades

Mobile Coding for Apps and Games

Covers Units 1-3 of Mobile Coding. In this course, students will learn the basics of the mobile programming environment and how to code their very own apps. They will explore how to employ text, device sensors, and even the camera to build projects and games that involve image recognition, word games, and riddles. You must have taken Scratch 2 with us or are familiar with the concepts of Loop as well as if/then statements and variables before you can take this class. This is a virtual class led by live instructors. Students must have a Windows or Mac laptop/computer with Zoom and a Chrome Browser.

Instructor: Create & Learn					

Junior Robotics

Covers Units 1-2 of Junior Robotics. This class introduces students to the basics of robotics programming. Students will learn how to navigate robots through virtual worlds, make robots transport objects, and complete exciting maze challenges! We will learn important real-world robotics applications. Experience with Scratch Coding or equivalent required. This is a virtual class led by live instructors. Students must have a Windows or Mac laptop/computer with Zoom and a Chrome Browser.

Price: Resident \$131 / Non-Resident \$136					
Instructor: Create & Learn					

Python for AI

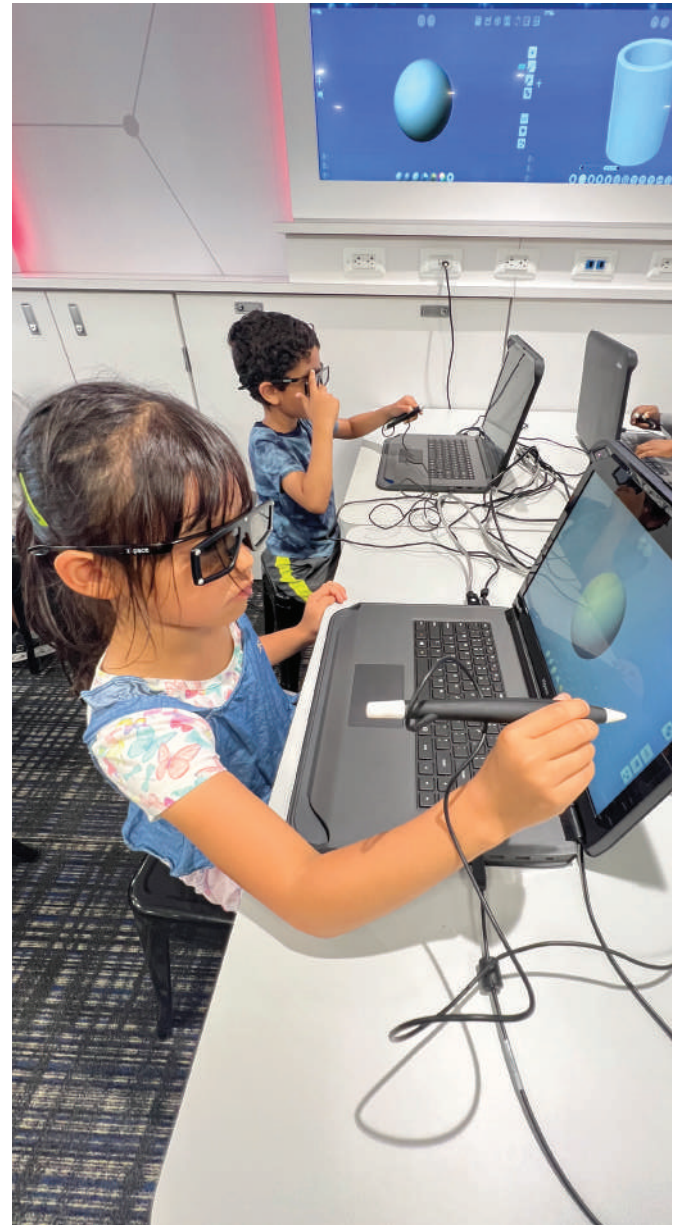

Covers Units 1-2 of Python for AI. This class covers not only the basics of Python coding for kids but also puts a strong focus on the elements of Python that are most relevant to Artificial Intelligence, including data structures and libraries. If your child is interested in exploring more advanced code writing and computer science programming languages, this is the perfect class to get started! This is a virtual class led by live instructors. Students must have a Windows or Mac laptop/computer with Zoom and a Chrome Browser.

The Power of Drawing

Experience the colorful magic of Fall and Winter in the Young Rembrandts classroom! We will kick off this session with an interesting Iguana, a video game favorite Pixel Block Character, and the geometrical world of architecture as we draw the Notre Dame Cathedral! Later in the session, students immerse themselves in the seasonal spirit as they learn still life technique of pumpkins, draw a detailed scarecrow, and draw a silly but challenging patterned bat! Finally, get ready for winter as we turn out a very 'sweet' drawing of a gingerbread house! We'll draw these (and many more exciting lessons!) while we improve creative and critical thinking skills today's students need. Don't wait... sign up now!

Smart Art

Art is smart, and this camp proves it! During this camp we'll explore STEAM (Science-Technology-Engineering-Art-Math) concepts in creative ways, resulting in fridge-worthy masterpieces, tons of experiential learning, and loads of messy fun. We'll design our own mini playgrounds, learn about M. C. Escher and Picasso, make our own lava lamps, and more. This is no ordinary S.T.E.M. class!

Messes & Masterpieces

What's one thing all great artists have in common? They make a mess, of course! In this class, we'll create stunning masterpieces while using some of the coolest, messiest art techniques ever. From Frida Kahlo, Picasso, Salvador Dali and more, each messy masterpiece will be inspired by a different master artist. Kids, you better roll up your sleeves, because no masterpiece was ever made without first making a mess!

Instructor: Next Level Karate					

KIDS KARATE

The Youth Karate Program offers traditional martial arts training to children ages 7-12. The program emphasizes self-defense, physical fitness, teamwork, and discipline. This program is designed specifically for children and teaches prevention first. It does not promote active aggressiveness, but teaches children to respect themselves, others and the skills they learn. This introductory program to traditional Tang Soo Do has been commended by many communities, teachers, and parents for the positive impact it has on children. It is a proven program that is positive, fun, exciting, and educational. There is no better program for kids!! A responsible adult must remain in attendance during the class. A uniform is included in the program price. It is required that students wear their Next Level Karate uniform to class.

HAPPY HOPPERS

This class offers energy, enthusiasm and excitement, guided by trained instructors.

Participants will have fun working on strength, coordination, balance, social skills and self-confidence. Our classes are jam packed with activities that include a new warm up, across the floor activities, movement to music, and an outrageously fun obstacle course. Each child takes home a paper explaining to parents what we did that day. Each child will be introduced and learn cartwheels, handstands, bridges, flips and a variety of skills on many different pieces of equipment.

Help make a child's holiday

Merry & Bright

*Adopt a Family
through Novi Youth Assistance*

Novi Youth Assistance holiday program matches families with businesses and individuals from the Novi community to help provide gifts for a happier holiday.

Families are selected through referrals from Novi schools, community partners, or other NYA programs. Referral families must meet program residency and income requirements.

Once a family is matched with an adopter we will send additional information about the family and will provide a gift drop off date and location.

*For more information on how to adopt a family,
please visit cityofnovi.org/nya or call 248.347.0410.*

INSTANT PIANO FOR
HOPELESSLY BUSY PEOPLE

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano the way professionals do – using chords. Since this class is being held online with ZOOM, you will be able to sit at your piano or keyboard at home and take this course with no pressure at all. And since this course includes an online book and online follow up video lessons,

you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. The course is partly lecture/demonstration and partly hands-on instruction. Topics include: How chords work in a song, how to get more out of sheet music by reading less of it, how to form the three main types of chords, how to handle different keys and time signatures, how to avoid “counting”, and how to simplify over 12,000 complex chords.

INSTANT GUITAR FOR
HOPELESSLY BUSY
PEOPLE

Have you ever wanted to learn the guitar but simply find it difficult to find the time?

In just a few hours you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Since this class is being held online with ZOOM, you will be able to sit at home with your guitar and take this class without any pressure at all. And since this class includes an online book and online follow-up video lessons, you will be able continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. Class limited to 15 students. For ages 13+. Topics include: How chords work in a song, how to form the three main types of chords, how to tune your guitar, basic strumming patterns, how to buy a good guitar (and things to avoid), and how to play along with simple tunes.

HOW TO PLAY PIANO OF GUITAR BY EAR (VIRTUAL)

Learn one of music's deepest mysteries: how to play songs without relying on music. A very practical presentation of music theory that includes predicting chord progressions, learning from recordings, and transposing—all expressed in everyday language. This is an ideal follow-up to the "Instant Piano" or the "Instant Guitar" class and is open to anyone who has a basic understanding of chords on any instrument. Expand your musical horizons, and free yourself from sheet music dependence, and be the life of the party! Prior experience with chords recommended. Fee includes the online book, online follow-up lessons and a recording of the class and an optional monthly question and answer session. Class is held online using ZOOM. Topics include: how to find the starting note, how to determine when chords change, how to predict the chord progression, how chords help you find the correct melody, how the melody helps you find the correct chords, how to learn songs from recordings, how to transpose, the Universal Key Signature, how to use the Circle of Fifths and how to recognize the most common chord patterns.

FIRST TIME HOMEBUYER SEMINAR

Are you thinking about buying your first home but are not sure where to start? Are you concerned about making the right choices? Join our expert coaches at our First Time Homebuyer Class to learn about the steps required to easily manage the home buying process.

We help you to: Understand the ins and outs of homeownership. Is it right for you?

Assess your readiness to buy a home. How much can you afford? Learn how to qualify for a mortgage and about loan products for first-time homebuyers. How much does it really cost?

Understand the workings and responsibilities of credit. How does it affect your purchase? Learn how to select and work with a Realtor. How to shop for the home you want. Understand the legal aspects of buying a home from the Offer, to the Purchase Agreement, to the Closing. Find out about financial assistance available including first-time homebuyer mortgage products, down payment and closing cost support and mortgage buy-down programs.

YOUTH SWIM LESSONS

Classes are designed for the child's ability, not age. Use the descriptions below to help determine your child's placement level. All classes follow the American Red Cross level guidelines.

Level Descriptions

Preschool Aquatics Level: (ages 3-5)

The purpose of this class is to orient pre-school age children to the pool environment and get them comfortable in the water. Parents will not enter the water.

Level 1: Beginner (ages 5+)

This is our beginner class designed for kids ages 5+ who cannot fully submerge, glide, or swim independently. The focus of this class is independent submersion, as well as swimming, floating, and gliding very short distances with and without support.

Level 2: Advanced Beginner

Students should be comfortable in the water, be able to submerge themselves completely. The focus of this class is learning to swim away from the wall short distances using the fundamentals of front and back crawl. Students will also master floating, and streamlined gliding for approximately 10-15 feet.

Level 3: Intermediate

Students should be able to demonstrate front crawl while breathing to the side and back crawl for a minimum of 15 feet. Swimmers will continue improving front and back crawl while increasing distance. Students will practice swimming in deep water. Diving and treading water are introduced.

Level 4: Advanced

Students should be able to swim front and back crawl at least one length of pool with good technique. Swimmers will begin swimming full lengths of front and back crawl. Breaststroke and butterfly are introduced. Students will also master treading water and diving.

CSTP : Competitive Swim Team Preparation

Students should be able to swim a full length of all four competitive strokes using correct technique. Swimmers will continue learning advanced techniques for all four competitive strokes while increasing distance.

YOUTH SATURDAY SWIM

Saturdays: Session I: 9/10 – 10/15

Location: Novi High School Pool

Registration: 9/5

Class #	Level:	Time:	Session(s)	Fee
3001-F22A	PSA	11:00 – 11:30 AM	6	R-\$75/NR-\$80
3004-F22A	Level 1	11:00 – 11:30 AM	6	R-\$75/NR-\$80
3005-F22A	Level 2	11:30 – 12:00 PM	6	R-\$75/NR-\$80

3008-F22A	Level CSTP	12:00 PM – 12:45 PM	6	R-\$90/NR-\$95

YOUTH DIVING CLASSES

Introduction to Springboard Diving

Registration: 9/1

Instructor: Don Mason

Location: Novi High School Pool

Do you know a daredevil that is not afraid of the water and loves to jump and tumble? Someone who loves to play on the diving boards at pools? This class will teach them to use those boards properly and introduce them to the sport of diving. They must be able to swim 25 yards without assistance and cannot be afraid of deep water.

Class #	Dates	Day(s)	Time	Session(s)	Ages	Fee
3300-F22A	9/12-10/5	M/W	5:30-6:30PM	8	8+	R - \$120 / NR \$130
3300-F22B	10/10-11/2	M/W	5:30-6:30PM	8	8+	R - \$120 / NR \$130
3300-F22C	11/07-12/5	M/W	5:30-6:30PM	8	8+	R - \$120 / NR \$130

*No class 11/23
