

NATIONAL PE INSTITUTE JULY 27-29 2015 PHYSICAL EDUCATION'S GRANDEST EVENT

Purpose: The primary purpose of the National Physical Education Institute is to provide participants with the “Best-of-the-Best” in terms of technology, instructional tools, and researched-based information on how to develop a K-12 curriculum aligned with student assessment. By attending this year’s conference you will:

- Learn from the world’s best known Physical Education “Social Media Mavens.”
- Interact with others who have implemented data-driven assessment practices; and
- See how technology can be used with sound K-12 assessment practices!

For the past three years, hundreds of K-12 Physical Education teachers from over 40 states and 6 countries have gathered to make the National PE Institute a resounding success. In 2015, we are honored to have another amazing line-up of keynote speakers and presenters:

World Renown Keynote Speakers:

- Jarrod Robinson (ThePEGeek.com) - **Australia**
- Andy Vasily (PYPPEwithAndy.com) - **China**
- Nathan Horne (iPhys-Ed.com) - **Singapore**
- Joey Feith (ThePhysicalEducator.com) - **Canada**

NATIONAL PE INSTITUTE DISTINGUISHED KEYNOTERS

Jarrold Robinson is a physical education teacher from Victoria Australia, with a passion and enthusiasm for the role emerging technologies play within teaching and learning. He is first and foremost an advocate for lifelong movement and physical activity. Jarrold is known throughout the online community as "The PE Geek" and authors a blog of the same name at thepegeek.com.

Joey Feith is a young and energetic physical educator from Montreal, Canada. He is the creator of ThePhysicalEducator.com, an online resource. Described as one of the leading physical education innovators, Joey's work in the development of ThePhysicalEducator.com has been hailed as creating a new standard for a globally-connected online community for K-12 physical educators!

Andy Vasily has been teaching at fully authorized IB schools over the past 11 years in Japan, Azerbaijan, Cambodia, and China. He currently works at the Nanjing International School in China. He enjoys sharing and helping others to provide the best learning experiences possible for their students. Andy believes in the power of sharing as it makes us all better at what we do.

Dr. Ash Casey is a researcher, lecturer and academic. He has a talent for breaking down academic research into practical, everyday PE application. As the founder of PEPRN.com, Ash has created a collaborative space where teachers can learn from each other and grow professionally. He believes that shared practices can improve young people's experiences of physical activity.

Nathan Horne is a physical education specialist currently based in Singapore. He is the founder of iPhys-Ed.com: the definitive guide to Inquiry & Technology in Physical Education. He is committed to collaborating with other 21st century physical educators to improve the standard of instruction all around the world.
