Address: _____
Email Address: _____
Years Attended: _____

Please answer the questions below in up to 3-5 sentences each.

1. Please give a brief description of what you are doing now and any achievements since high school that you would like to share.

2. Please share what you did to reach the point at which you are today (e.g., attended college, went to community college, apprenticed).

3. Please share any challenges that you had to overcome in order to reach your goals.
