To All Northview Students:

On behalf of the Faculty and Staff, I would like to welcome you back for another exciting, fun, and educational school year at Northview High School. The start of a school year is a new beginning, with limitless potential. The knowledge you will gain and the friends you will make will stay with you for a lifetime. High school is indeed one of the best times of one's life, and hopefully this school year will prove no different. Take advantage of the opportunities and challenges that our school community offers, and make this year at Northview High School your best yet.

This handbook contains a significant amount of information that you will need during the school year. It is your responsibility to be knowledgeable of all its contents. Some information has changed; read carefully and ask your teachers questions if you have any. Feel free to take advantage of the organization this handbook offers. Use this tool to keep track of your assignments, projects, tests, and extra-curricular activities. The hallway passport pages at the end of this book are also your travel ticket throughout Northview. You will use these pages as your hallway pass whenever you need to leave a classroom during the school day. This student handbook should be your constant companion throughout the school year.

Have fun, work hard, and enjoy this school year.

Sincerely,

Mark Pugh, Principal

ACADEMICS

GUIDANCE AND COUNSELING SERVICES

Each student is assigned to a counselor. These assignments are made in order to provide maximum service while meeting the needs of students, parents, and teachers. Counselors are assigned by the first letter of the student's last name. Counselors will work with students throughout their years.

Northview counselor assignments are as follows:

A – Co	Crystal Burnworth	Me - Sc	Kate Henk
Cr-Hi	Brian Hede	Se– Z	Stacie Wachowiak
Ho - Mc	Melanie Rogers		

Southview counselor assignments are as follows:

A – Fe	Michelle Peer	Li – Ro	Jodi Hess
Fi – Le	Megan Houts	Ru – Z	Teresa Ontko

Students are encouraged to go to the guidance offices and sign up for appointments to see their counselors. Parents are welcome to phone during school hours for an appointment with their son or daughter's counselor.

Listed below are some areas in which counselors may be of help:

You and High School

- Course selection and scheduling
- Coping with the demands of high school
- Opportunities for involvement in school and community life
- Administration and interpretation of standardized tests

You as a Person

- Understanding yourself - your strengths and limitations
- Discussion of personal concerns, relationships with others, etc.
- Family situations which affect school performance
- Provide information about community resources, family and/or individual counseling, medical needs, etc.

You and Your Future

- Vocational and career opportunities
- Opportunities for post-high school education, colleges and technical schools
- Applications to colleges and technical schools

SCHEDULE CHANGES

ASK COUNSELORS ABOUT DEADLINES

It is extremely important that you give serious attention to your selection of courses for next year. Our master schedule is constructed to accommodate those students requesting classes during spring registration. Schedule changes after this time will be difficult, if not impossible, due to our increasing student enrollment. If a parent approved scheduled change is to be considered, you should see your counselor prior to the closing of the school year or set up an appointment for the month of August. Space availability will be a major factor in honoring your request. A student may **not** request a specific teacher.

Students may drop a course without penalty until the end of the 10th school day of a semester or year long course with the teacher and parent permission. The course will be replaced with a study hall. Students will not be permitted to drop their course if their course load would drop below the required amount (six courses each semester).

Students dropping a course after ten (10) school days will receive an "F" for the semester unless it is dropped with written teacher recommendation. Teacher recommendation will be based on the following criteria:

1. The student sought assistance from the teacher.
2. The student has taken advantage of any available tutorial services.
3. The student's work does not indicate the ability to meet minimum course requirements with conscientious effort.

Students will be assigned to a study hall (not commons) for the remainder of the semester if the course is dropped. Students are expected to complete all year long classes, however, a semester's credit will be given to a student who has successfully passed one semester of a yearlong course if the student was enrolled in the course for the entire year or special circumstances exist to warrant a drop at the end of the first semester.

Seniors are expected to carry six (6) academic periods and Grades 9- 11 are expected to carry seven (7) academic periods. Schedule change request forms can be obtained in the counseling center.

WITHDRAWAL FROM SCHOOL

Parents who are withdrawing students should report to the record's office to fill out necessary paperwork. If the student is under 18, the parent must provide the name and address of the school the student is transferring to, or provide a current work permit that shows the student is working no less than 30 hours a week. Final transcripts will not be sent until all books and obligations are cleared.

GRADING

GRADING SCALE

The grade card contains the following information each semester:

1. A letter grade for the first and second nine-week periods.
2. A letter grade for the exam.

Each reporting period is 40% of the semester average while the exam equals 20%. The final percentage determines the letter grade that is listed on the transcript.

The semester grade is determined by multiplying the 1st marking period grade by two as shown in the chart below. The 2nd marking period grade is also multiplied by two. Finally, the exam grade is added to the sum of both marking periods and divided by five.

Example:

1st Quarter Grade	2nd Quarter Grade	1st Semester Exam
99/A+	91/A-	91/A-

$A+ \text{ A- A-} = (99 \times 2) + (91 \times 2) + 91 = 471/5 = 94.2 = A$

A minimum total of 300 is necessary to receive a passing grade for the semester.

GRADING SCALE & CONVERSION CHART

Grade	Grade Range	Conversion Equivalent	Honors Conversion Equivalent	Advanced Placement Conversion Equivalent
A+	98-100	4.0	4.5	5.0
A	93-97	4.0	4.5	5.0
A-	90-92	3.7	4.2	4.7
B+	87-89	3.3	3.8	4.3
B	83-86	3.0	3.5	4.0
B-	80-82	2.7	3.2	3.7
C+	77-79	2.3	2.8	3.3
C	73-76	2.0	2.5	3.0
C-	70-72	1.7	2.2	2.7
D+	67-69	1.3	1.3	1.3
D/P	60-66	1.0	1.0	1.0
F	50-59	0	0	0
DNA	Did Not Attempt	0	0	0

- The top of the grading scale is capped at 100 while the bottom is set at 50.
- For honors classes, a student earning the grade of A+ through C- will receive an additional .5 on the semester average GPA.
- For Advanced Placement (AP) classes, a student earning the grade of A+ through C- will receive an additional 1.0 on the semester average GPA.
- A student earning any combination of two F's in one semester automatically fails the course.
- A student may receive a grade of "P" if in the teacher's judgment the effort is commensurate with a passing grade.
- "I" is incomplete. An "I" must be removed within ten school days or it becomes an "F" unless the administration grants an extension.
- "W" is a withdrawal from the course.
- "DNA" (Did Not Attempt) is a designation used for students who do not attempt an exam. The DNA value is zero. DNA designation may include, but not be limited to: Non-attendance, attendance but not attempted, answers minimal questions, answers are random and indicates a student had not read the questions, and final score is extremely low and does not show work if required.

Cumulative Grade Point Average (GPA) is calculated by multiplying the semester average GPA points by the semester credit value for each class. The total GPA points per semester are divided by the total credit values to equal the semester cumulative GPA.

Example:

Sem Cum GPA	Total	Honors Choir	Health	PE	History	Science	AP Math	English	Class
		A+	B	A+	D	C	B-	A+	1st Qtr Grade
		99	85	99	63	75	81	99	1st Qtr %
		A-	F	A+	C-	C	A	B	2nd Qtr Grade
		91	59	99	71	75	95	85	2nd Qtr %
		A-	F	A+	C+	C	A+	A-	Exam Grade
		91	59	99	78	75	99	91	Exam %
		94.2	69.5	99	69.2	75	90.2	91.8	Sem Avg Conv %
		A	F	A+	D+	C	A-	A-	Sem Avg Grade
		4.5	0.0	4.0	1.3	2.0	4.7	3.7	Sem Avg GPA Pts
	3.25	.5	.5	.25	.5	.5	.5	.5	Credit Value
2.8	9.1	2.25	0.0	1.0	0.65	1.0	2.35	1.85	GPA Pts/ Sem

9.1 / 3.25 = 2.8 cumulative GPA for the semester.

HONOR ROLL

An Honor Roll, compiled and published at the end of each nine-week grade period recognizes outstanding academic achievement. A student must take four solids to be considered for the honor roll. The highest honor is **4.0** or better average and the next honor is for the student who achieves a cumulative of **3.5** to **3.9** grade averages. Any grade below a "C" will eliminate a student from either of the above honors. In addition, students who achieve **3.0 to 3.4** grade point averages will be honored on the Merit Honor Roll and students who increase their grade point average by **.5** from the previous quarter will be recognized for their achievement on the Principal's Recognition Award.

INTERIM REPORTS

Interim progress reports will be posted to **PowerSchool** at the midpoint of each quarter. This will provide the student an opportunity to assess his/her academic progress and make changes if necessary. We encourage parents to contact teachers at any time should a concern arise. Teachers are asked to contact you immediately if there is a concern regarding your child. Paper copies of the Interim will be made available upon parent request.

GRADE CARDS

Because grades and GPAs are updated daily in **PowerSchool**, hard copies of grade cards are no longer distributed. As a general rule, final grades are officially stored one week after the last day of the term. If you should require a paper copy of your grade card, one can be printed upon request.

CHEATING AND PLAGIARISM POLICY

The intent of this policy is to communicate to students and parents that cheating and plagiarism are against school policy, and in violation of the Student Discipline Code and completely unacceptable under any circumstances. All students are expected to adhere to the highest standards of personal honesty in their work. Work presented for credit in all classes must be original student work.

Cheating: Cheating is the use of a device or another individual in the completion of any assigned task, unless the directions for the task specify otherwise. Examples of cheating include but are not limited to:

- the deliberate copying of another's work on an examination, test, quiz, homework assignment or project which was assigned to be completed by an individual;
- representing work copied from another or work which was done collaboratively with another's as one's own;
- working with others on an assignment, quiz, or other work that was intended to be done by an individual;
- looking at an examination, test, or quiz of another student (whether or not information seen was used);
- submitting papers taken from the Internet;
- using Internet or other electronic translator programs to translate a foreign language assignment, quiz, or test or
- the use of cheating devices such as "crib sheets," books, or other materials to aid on a test or quiz.

Plagiarism: Plagiarism is the presentation of all or part of another's work as one's own without giving credit to the originator. Work may include speeches, written work, music, video, art, graphic designs, or any other work that is not original. Examples of plagiarism include but are not limited to

- paraphrasing a portion of any written or recorded work without crediting the original author;
- using direct quotations without identifying them as such;
- using a direct quotation without citing the source;
- the use of portions of music, video, photos, designs, or other media without citing the source; or
- misrepresenting the work of one author to be that of another or several others.

Consequences: An incident of cheating or plagiarizing will result in several consequences:

- The student found cheating or plagiarizing will receive a zero on the assignment, quiz, test or project involved;
- A referral from the teacher will be submitted to the administration. Depending on the circumstances and seriousness of the incident, this referral may result in a demerit or more serious consequences such as suspension or expulsion.
- The teacher will notify the student's parents.
- Cheating or plagiarism may be a factor in selection or continuing membership in the National Honor Society.
- Repeated violations of this policy will be treated as serious offenses and will result in harsher consequences

TESTING

EXAM POLICY

All students are required to take semester exams as scheduled. **New students** attending less than **one quarter** will not be required to take semester exams. In these situations, the quarter grade for that semester will be averaged together for the semester point average. The student may elect to take the exam(s) as a measure of his/her progress or an option to improve his/her grade if they choose.

Seniors may be exempt from taking final exams if they meet one of the following exemption guidelines.

1. Students can have no more than five (5) absences per class period for the second semester.
2. Students must maintain a minimum of "B-" or above both quarters in the class they wish to be exempt from the exam.
3. Students may not have any discipline dispensed by The Student Services Office for the 2nd semester.
4. In a performance class (e.g. choir, band, orchestra, etc.) students may not be exempt from the exam when a performance is required.
5. For an Advanced Placement (AP) Course, if the AP Exam Score is not used for the final exam grade, the teacher may assign an alternative project to take the place of the final exam grade.

OST (OHIO STATE TESTS) INCENTIVE PROGRAM

All students succeeding on state tests in Sylvania Schools will receive benefits not only in their test scores, but also in their school grades. This incentive program allows students that have excelled in these tests to replace low semester exam grades with higher grades based on the strength of their state test results. The program aims to incentivize student effort for state tests, which often do not present immediate value to students, and it is based in part on the successful incentive program previously run for Ohio's Graduation Tests. The details of the incentive program allow for differences among diverse populations of students, from AP students to students with disabilities, providing incentives that make sense for each population.

Students who earn a score on an Ohio State Test (OST) that translates on the below scale to a higher grade than their 2nd semester examination score will be able to submit a grade change form to the Record Secretary to have their 2nd semester exam grade changed to the higher mark.

Students in regular education classes will replace grades according to the following formula:

OST:	5	4	3	2	1
	A+ 100%	A 95%	B 85%	N/A	N/A

Students in AP/honors classes will replace grades according to the following formula:

OST:	5	4	3	2	1
	A 95%	B 85%	N/A	N/A	N/A

Students with disabilities on IEPs will be afforded several options for exam grade replacement:

Special Education Replacement: All students completing special education courses with exams, including, but not limited to, essentials-level courses, Academic Strategies, and Fundamentals of Math, will be allowed to raise their exam grade by 10% if their OST score demonstrates an increase from previous scores (see the guide below). This will lead to a letter-grade increase. In the case that a relevant previous test score is not available, the case manager and assistant principal for teaching and learning will decide on a reasonable measure for growth.

Ohio State Test	Relevant Previous State Test
English Language Arts I	Grade 8 English
English Language Arts II	English Language Arts I
Algebra I	Grade 8 Mathematics
Geometry	Algebra I
Biology	Grade 8 Science
American History	English Language Arts I
American Government	American History

- *Co-Taught Replacement:* Students with disabilities in co-taught classes will be offered the regular education replacement option unless the case manager makes a special appeal to use the special education replacement above.
- *Special Arrangements:* A case manager may request a special replacement policy for an individual student with disabilities or a special education class in order to support the individual needs of a student or students.

Logistics

- Students will be responsible for comparing the 2nd semester examination score and OST result from each course. While notifications and reminders will be sent to students and parents, the responsibility for initiating the change will be the responsibility of the student.
- Students will complete a Grade Change Form, and submit it to the Records Secretary by the end of the second full week of school in the next academic year.
- The Records Secretary will check the forms for accuracy, comparing the students' records and the OST results.
- The Records Secretary will make necessary changes to student transcripts, which will also alter the student's cumulative GPA.

Optional Extension to the Class of 2019 and beyond seniors

- All seniors sitting in American Government or completing an American Government CCP course before or during semester one, starting with the class of 2019, will be tested in American Government in December. This does not include students sitting in AP US Government and Politics, who will test in the traditional spring window.
- These students will choose from one of two options.
 - The student can complete the regularly-scheduled American Government exam in addition to the American Government OST. If the OST grade released in second semester is high enough, the student may opt to replace the exam grade according to the guidelines above.
 - The student can opt out of the regularly-scheduled American Government exam, choosing to replace that grade with the OST grade. In this case, the student must notify the American Government teacher of the opt-out. The teacher will leave the exam grade blank until the OST results arrive. The exam grade will then be replaced by the OST score according to the formula below.

OST	5	4	3	2	1
	A 100%	A 95%	B 85%	D 65%	50%

SYLVANIA SCHOOL'S TESTING SECURITY

Because of the impact of **Ohio State Tests (OSTs)** on students' graduation and/or the type of diploma they may receive, the State Department of Education takes the security of these tests very seriously. **Other standardized tests used by the ODE, such as the ACT to determine college readiness and AP Exams, which are used to determine college credit, the** district is required to inform students of the provisions for security of the tests and the penalty for violating test security.

As with any other tests, students must do their own work and keep their work to themselves. Any student suspected of cheating will be investigated using due process according to district procedures. Students confirmed cheating or assisting another student to cheat on a proficiency test will have their test(s) invalidated and may be subject to a disciplinary suspension. Students may also **not** share or discuss any specific test items with another person. If, for example, a student has a question from the math portion of the test, (s) he may not discuss that specific question with another student or teacher. Similar questions may be addressed in context of discussions from previous classes but not by using specific proficiency test questions.

EDUCATIONAL OPPORTUNITIES

HONORS AND ADVANCED PLACEMENT COURSES

Honors and Advanced Placement courses exist for the purpose of challenging students who have exhibited high academic achievement. They exist in several academic departments and are open to students only by selection based on these criteria: (1) standardized tests, (2) teacher recommendations, (3) past achievement in the subject matter and (4) department requirements. Students in honors and advanced placements courses are able to earn a 4.5 "A" and a 5.0 "A" as a result of outstanding

COLLEGE CREDIT PLUS (CCP)

College Credit Plus replaces the post-secondary education option (PSEO) and redefines dual enrollment programs. Eligible students can take a course and earn high school and college credit that appears on both the high school and college transcripts. There is no cost for the student to participate in College Credit Plus when the student is enrolled in a public college or university. Students choosing to enroll in a participating private college or university might incur costs. With both programs, there are several conditions that must be met. Students interested in participating in College Credit Plus must see their school counselor for full details. Prior to the deadline, a required informational meeting will be scheduled to outline the details of this program. All interested students and parents must attend.

EDUCATIONAL OPTIONS AND CREDIT FLEXIBILITY

Educational options and credit flexibility plans provide alternative means by which high school students may earn high school credit outside the traditional classroom instruction. Students who demonstrate the ability, interest, and maturity to accept personal responsibility for their learning may be interested in pursuing high school credit through one of these options. Please refer to the district website: <http://www.sylvania.k12.oh.us/> under the parent resource section for additional information and forms.

CREDIT RECOVERY

Required courses that fail should be taken in summer school when possible. Students may discuss other options with their guidance counselor. The building administrator reserves the right to limit the number of credits earned through alternative options.

Required courses that are failed should be taken in summer school through Edgenuity or assigned by the counselor or administrator during the school year. Failure to make up courses may ultimately delay graduation. Students must consult with their counselor to develop a credit recovery plan. Students who hire a private tutor to repeat coursework must have assistant principal approval, sign a contract, and meet state guidelines. In such a case, the student must take a department exam to earn course credit. The student should see a counselor BEFORE he or she considers this option. Grades from alternative learning opportunities will be averaged with other grades. If any course is repeated via traditional delivery method, the higher grade will be counted in the GPA. The class being repeated must be the same class as originally taken. Courses taken during the summer must be completed prior to the start of the next school year.

SYLVANIA VIRTUAL ACADEMY (SVA)

Sylvania Virtual Academy (SVA) is an online school that is part of the Sylvania City Schools system. provides an alternative to the traditional high school experience for those students who may need an alternative environment. SVA has a full time director, a licenced teacher who is also certified in special education so she can assist students on IEPs. Currently, there are 60 seats within SVA. Students at Northview and Southview must complete an application to be considered for admission. The admission process begins at a student's home school through his/her guidance counselor. SVA students are still students at their home schools (Northview or Southview) and may participate in extracurriculars. Also, students who attend SVA and complete graduation requirements in SVA will receive a diploma from the home school. For more information, please see www.sylvaniaschools.org and select Sylvania Virtual Academy under the Our Schools tab.

COMMONS

The Commons area is located next to the cafeteria and is a senior/junior privilege. Commons requires daily attendance unless other arrangements are made in advance by the teacher and student. Students must show the Commons supervisor a pass before leaving for another area. Students are expected to report to Commons on time and remain until the end of the period. Students are not to congregate at the entrance or exit from Commons. Juniors and seniors will be limited to one Commons per day for students who maintain a GPA of 2.5 or higher. (Exception to more than one commons: students assigned laboratory periods will be allowed commons on off setting days.) Students who fall below the 2.5 GPA can be considered for study hall.

At the end of each quarter of the school year, any junior or senior who has two (2) or more "F's" or falls below the 2.5 GPA will be assigned to a study hall in place of any Commons periods they might have.

Commons Procedures

1. **Students must be seated in an assigned area at the beginning of the period.**
2. **Students must have a pass in order to leave Commons for any reason. The pass must first be shown to the commons supervisor.**
3. Instructions from the Commons supervisor must be followed the first time instructed, failure to follow these instructions may lead to removal from Commons for the year.

*****Students may receive demerits and/or be assigned to study hall for not following Commons procedures.***

STUDY HALLS

1. The supervising staff member will assign seats. Attendance will be taken every period.
2. An atmosphere will be maintained which is conducive to study. ***No talking without permission.***
3. Books/magazines must be taken to the study hall by the student.
4. Card playing and other games are not permitted.
5. **Students must check into Study Hall first before going to another location. In addition they must have a signed pass from a staff member giving permission to go to that location.**
6. Students wanting to leave Study Hall to use the Media Center must first present to the Study Hall monitor the pass written by the teacher requiring library work. Students then need to sign into the library at the circulation desk. If leaving the library before the end of the period, students should acquire an exit pass from the librarian and then present that pass to the Study Hall monitor. Not following this procedure may result in disciplinary action.
7. No eating/drinking will be allowed in any study hall.

INTERVENTION SUPPORT

Extra support is available in different curricular areas based upon availability. A Math Lab will be available each period of the school day and held in individual math teachers' classrooms. Check the master schedule for teachers and period availability. Writing Lab hours will also be available - check the master schedule for availability. Testing support for small groups and other accommodations is also available upon request. Credit Recovery support will also be available based upon teacher availability - check the master schedule for periods and locations.

FIELD TRIPS (DISTRICT SPONSORED)

A field trip shall be defined as any planned journey by one or more students away from District premises, which is under the supervision of a staff member, and an integral part of curricular, co-curricular or extracurricular program.

The Superintendent or his/her designee shall approve all district-sponsored trips.

Students may be charged reasonable fees for field trips, but no student shall be denied participation for financial inability, nor shall non-participation be penalized academically.

Students on all District-sponsored trips remain under the supervision of this Board and are subject to its administrative guidelines and policies.

The Board does not endorse, support, or assume liability in any way for any staff member, volunteer, or parent of the District who takes students on trips not approved by the Superintendent or his/her designee.

A staff member's inclusion in a field trip either day or overnight does not denote the trip's being Board approved or school sponsored.

A parent's written permission is required for all field trips during the school year. Permission forms will indicate whether a trip is or is not sponsored.

During the summer, trips will not require signature unless there is indication on a requested permission slip that a trip is Board approved. All trips in the summer will not be approved and therefore, are unsponsored unless the trips are continuations of annual blanket Board pre-approved trips.

To find out whether a trip is sponsored or not sponsored, call the building principal.

It is the responsibility of the student to see their teacher for all make-up work.

INTERVENTION ASSISTANCE TEAM (IAT)

A core team works with staff members and parents to identify at-risk students, gathering necessary information about the individual and then develop a school-based action plan to meet the specific needs of each student in the areas of academics, health, behavior and attendance.

EWIMS (Early Warning Intervention and Monitoring System)

This system is set up to monitor student behavior, attendance and academic performance to ensure that students stay on track to graduate on time. Students are monitored in the three areas and then are assigned interventions and case managers as needed. This could include extra academic support, behavior interventions or attendance meetings with parents. Check ins are conducted to offer support and guidance to students. Grades, behavior and attendance are reevaluated each quarter.

MEDIA CENTER

The Northview Library Media Center, located on the second floor (G hall), is open for student use each school day. The Southview Library Media Center, located just past the main lobby, is open for students each school day from 7:00 a.m. to 3:30 p.m., Monday through Thursday, and is open until 2:30 p.m. on Fridays. The following guidelines have been implemented.

- It is the responsibility of each student using the library media center to sign in at the circulation desk upon arrival. This includes all periods, including lunch hours. Teachers may also schedule classes in the library media center and/or computer labs. Students are excused from signing in when accompanied by the classroom teacher.
- While in the library media center, no food, candy or drinks are permitted. No book bags, backpacks, carrying cases or large purses will be allowed in any part of the facility during all library media center hours.
- Books and back issues of magazines may be borrowed for three weeks. All checkouts are renewable. Students may not check out materials for other students.
- Overdue items will accrue a minimal fine and prevent subsequent checkouts until the obligation is met. Daily fines are ten cents per item per school day. No fine is charged for days when the student can provide an excused absence slip. Fines will never exceed replacement value of the materials. In the rare case of lost materials, a replacement charge will be assessed. See Mrs. Omev at Northview or Mrs. McCrary at Southview for current pricing. Finally, a \$1.00 charge will be assessed for all items returned without a barcode.
- Students are welcome to use the computers in the Library Media Center for independent use. However, teachers who have reserved the area and accompany their classes have priority.
- For student access to the Internet, written parental permission is required yearly on the "Network & Internet Access Agreement." Internet research on Sylvania Schools' equipment is to be curriculum related.
- A copy machine is available for student use. The cost of each 8.5 x 11 color reproduction is 25 cents.
- No passes will be issued by the Library Media Center.

The general policy of the Library Media Center is to provide, within time, budget and staff limitations, all support materials needed by students. All Library Media Center patrons are encouraged to make suggestions to Mrs. Omev at Northview or Mrs. McCrary at Southview. We are proud of the way our students use the facilities; we endeavor to create a positive environment.

MARRIED STUDENTS

The same rules and regulations as the rest of the student body shall govern married and/or pregnant students. However, a pregnant student may be required to be under a physician's care, so as to determine the extent of academic and extracurricular participation, with the immediate concern being for the student and the unborn child.

STUDENT SERVICES

ABSENCES

BOARD OF EDUCATION POLICIES REGARDING STUDENTS COMPULSORY ATTENDANCE- POLICY 5200

The Board of Education requires all students enrolled in the schools of this District attend school regularly in accordance with the laws of the State. The District's educational program is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

GUIDELINES FOR REPORTING AN ABSENCE:

EXCUSABLE REASONS FOR ABSENCE

The District accepts the following as **reasonable excuses for time missed at school**. Each absence shall be explained **in writing** and signed by the student's parents. The excuse shall be submitted to the building principal/designee and filed as part of the student's school record.

A **written** excuse for absence from school may be approved for one (1) or more following reasons or conditions:

A. Personal illness

B. Appointment with a health care provider.

The principal/designee may require a doctor's confirmation if she/he deems it advisable.

C. Illness in the immediate family

The absence under this condition shall not apply to children under fourteen (14) years of age.

D. Quarantine of the home

The absence of a child from school under this condition is limited to the length of quarantine as fixed by the proper health officials.

The intent of this section is not to permit half or part-day absence to attend special religious services when these services can be attended before or after school hours.

H. Emergency or set of circumstances

Any emergency or set of circumstances which in the judgement of the Superintendent of schools or his/her designee constitutes a good and sufficient cause for absence. The building principal shall serve as the Superintendent's designee in the determination of such emergency or set of circumstances.

I. Out of state travel

Up to a maximum twenty-four (24) hours per school year that the student's school is open for instruction to participate in a District approved enrichment or extracurricular activity. Any classroom assignment missed due to the absence shall be completed by the student. If the student will be absent for twenty-four (24) or more consecutive hours when the student's school is open for instruction, a classroom teacher shall accompany the students during the travel period to provide the student with instructional assistance.

Parents need to contact the Attendance Office at 419-824-8710 before 8:30 a.m. to verify why students will be absent or tardy for the day.

Absence note from Parent/Guardian

Telephone calls **do not** constitute an excused absence for an admit slip. Students are to report to the attendance office with a **written note** upon his/her return to school. Absence notes must include dates of absence, reason for absence, signature and the phone number where parent can be reached. Absence notes need to be taken care of **before** school in the Attendance Office.

Absence – Request for Assignments

It will be the responsibility of the student to request information and assignments missed during his/her absence. If an absence lasts three consecutive days or more, a parent may wish to call the Attendance Office secretary and arrange to pick-up assignments. **Twenty-four hours** notice will be needed to fulfill this request.

Make-up Work. The following conditions apply to the make-up of tests and other assignments missed during any absence - excused or unexcused:

- A. When an absence falls within any one or more of the seven (7) excused categories described above (See Excused Absence), students must make arrangements with the teacher upon his/her return for make-up tests and assignments. Every reasonable help and consideration in make-up will be offered by the faculty and administration to students with the excused absences.
- B. When a student has an unexcused absence or is truant, the faculty and administration assumes no obligation to assist the student with the completion of assignments and tests.
- C. The make-up of tests and other assignments associated with a personal convenience absence is detailed in the **PCA** Section.

ILLNESS WHILE AT SCHOOL

Whenever a student becomes ill in school and it is necessary that he/she be sent home, one of the parents must be contacted by the school secretary **before** the student may leave the building. If parents are not available by telephone, relatives or neighbors on the Emergency card may be contacted. **All students who are ill and not able to attend class must report to the Attendance Office.** By state law no medication, including aspirin, may be dispensed by office personnel.

 3. The student shall report back to school immediately after his/her appointment if school is still in session.
- Students enrolled in any program and/or are on a PSTA that allows them to leave the building during the day to work and/or participate in a job shadowing experience will be expected to follow the guidelines set up for that particular program. Failure to do so may result in an unexcused/truancy report for the student. Further violations may result in the removal of the student from the assigned program.

STUDENTS LEAVING SCHOOL - EARLY DISMISSAL

No staff member shall permit or cause any student to leave school prior to the regular hour of dismissal except with the knowledge and approval of the administration/designee and with the knowledge and approval of the student's parents.

PERSONAL CONVENIENCE ABSENCE (PCA) OR STUDENT VACATION DURING THE SCHOOL YEAR

Personal Convenience Absence (PCA): uninterrupted attendance in school is essential for student success. It is therefore expected that absences from class should occur only in unavoidable circumstances. Absence from school for student and/or parent personal convenience is **not** provided for under school attendance laws of the State of Ohio. Therefore, such absence will be considered **unexcused**. Personal convenience absences are available to parents for students participating in special trips or family activities. The absence is unexcused and must be taken in compliance with the following provisions:

- a) The PCA will be considered **unexcused**.
- b) The PCA forms will be issued only to **parents/guardians** by the principal or his/her designee. Notes from parents will not be accepted. Phone calls may be made to the Attendance Office at any time. Evenings-leave a voice message for the student to pick up the PCA the next school day.
- c) The PCA forms must be completed and on file **before** the date(s) of the absence.
- d) The PCA forms will **not** be issued for absences during **district wide testing, including exams and the first two and last two weeks of the school year**.
- e) The PCA absences are applicable only to trips on which students accompany their parents or designated chaperones.
- f) Students/parents are responsible to inform each teacher of the dates of a PCA.
- g) Students will be permitted to make-up graded assignments, classroom tests and examinations that **are** recorded or calculated as part of the student's grade.
- h) Students/parents are responsible to make arrangements to make-up tests by the **second day the student returns**.
- i) **Failure to abide by the above procedures and other administrative guidelines will result in denial of make-up privileges.**
- j) Sylvania Schools assumes no responsibility for a drop in grades.
- k) Teachers **are not required to prepare assignments in advance** for students who are anticipating days of absences.
- l) Teachers are not required to examine or correct assignments missed during a PCA that are not recorded or calculated as part of the student's grade.
- m) Teachers are not required to grade, examine, correct, or replicate any missed activity, written work, or class experience the completion of which is predicated upon a student's attendance or in-class participation (e.g. lab, play, etc.) You do not need to fill out an admit slip when you return from a PCA.

COLLEGE VISIT/ MILITARY APPOINTMENTS/ CAREER TRAINING

Students who plan to make a college visitation must have the **College Visit** form on file in the attendance office **prior** to their visit. Parents do not need to pick up the college visit form. Upon your return to school you must provide the attendance office with a copy of the **College Visit** form signed and including the dates of your visit by the college representative. The form must be turned in to the attendance office upon your return to school. Students are allowed three (3) campus visits per school year. College visits will not be issued the first two weeks and the last two weeks of school.

DRIVER EXAMINATION ABSENCE

Students will be excused from school a ½ day in order for them to take their driver's license examination. This will be permitted one time only. Students who require more than one attempt to pass the exam will be required to do so after school hours.

Driving time is not an excused absence.

SEMESTER EXAM ATTENDANCE POLICY

Students need to be in attendance for the exams. Students may arrive late to school if they did not have an exam scheduled and may leave after they completed their exam(s) for the day with written permission from their parent/guardian to leave school. Students will not be permitted to leave school during open periods of scheduled exam days.

Occasionally, school delays during semester exams may result. When this occurs, exams will start at the beginning of school for the delay schedule, i.e. 2-hour delay – classes begin at 9:30 a.m. Students are requested to bring lunch for the day because exams will continue until 2:25 p.m. that day and no lunch service will be available.

For cancellations, exams will resume the next day in session and extend until exams are completed, i.e. Wednesday exams cancelled; these will be moved to Thursday. Thursday exams will be moved to Friday with record day being held on Monday. When parents have questions about the report card, they should contact the subject teacher or the counselor. **Students absent from an exam must provide a medical or court excuse to make up the exam.**

EXCESSIVE ABSENCE AND HABITUAL TRUANCY GUIDELINES

EXCESSIVE ABSENCES

1. Following requirements for Ohio House Bill 410, a student who has been absent with or without a legitimate excuse for 38 or more hours in one school month or absent 65 or more hours with or without a legitimate excuse in one school year will have a letter sent home informing parents that the student is considered excessively absent from school.
2. A student reaching 65 hours or beyond of absence may have their name forwarded to Student Services. (Absences used here would not include days for which a medical or court excuse has been provided.) Student Services may set up a conference with the parents, the school principal/designee and the Director of Student Services. Possible results of this conference could be referral to the courts, Children Services and the withholding or withdrawal of a student's driver's license, etc.

HABITUAL TRUANT

Under Ohio House Bill 410, the definition of 'habitual truant' has changed from days to hours. The definition now is: absent 30 or more consecutive hours without a legitimate excuse; absent 42 or more hours in one school month without a legitimate excuse; or absent 72 or more hours in one school year without a legitimate excuse. When a student is habitually truant, the following will occur: 1. Within 7 school days of the triggering absence, the district will do the following: a. Select members of the absence intervention team; b. Make 3 meaningful attempts to secure the participation of the student's parent or guardian on the absence intervention team. 2. Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team; 3. Within 14 school days after the assignment of the team, the district will develop the student's absence intervention plan; and 4. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in the juvenile court.

TRUANCY

Truancy demonstrates a deliberate disregard for the educational program and is considered a serious matter for which administrative action will be taken as follows:

1. **No credit will be recorded for work missed as result of truancy.**
2. **A record of the truancy will be entered in the student's attendance record.**
3. **Parent contact will be attempted.** Truancy is an unexcused absence. A student is truant if he/she leaves school without signing out, leaves school without permission of parents, comes to school but does not attend classes, or obtains permission to go to a certain place but does not report there.

Northview: Students are considered truant if caught in Sleepy Hollow. The pathway is Association property and intended only for the use of residents

Southview: Students are considered truant if caught in the parking lot or on Cougar Lane without permission.

DISCIPLINARY ACTION FOR TRUANCY

A. School truancy is defined as being absent from school grounds all day or any part of the school day. This may include students returned by parents, police or school personnel.

1st Offense: Parents notified. Detention(s) issued. Teachers must record a zero for the unexcused absence.

Subsequent Offenses: Parents notified. Administrative discretion for penalty. Teacher must record a zero for unexcused absences.

B. Class Truancy. Is defined as missing all or part of any period assigned to the students without a legitimate excused reason from a staff member. This includes lunch, study hall, or Commons.

Offense: Teacher must record a zero for an unexcused absence. Administrative discretion for penalty.

TARDINESS TO SCHOOL AND DISMISSAL FROM SCHOOL

Tardiness to school is defined as arriving after the start of school at 7:35 am until 7:50 am. After 7:50 am, it will be considered an absence. Students must report to the Attendance Office and sign in.

A dismissal from school is defined as leaving school/classes early before your schedule ends. In order for the dismissal to be excused you must bring documentation for an admit slip.

1st, 2nd, & 3rd offenses: No action

4th offense: Detention

Every four unexcused tardies/dismissals will result in progressive discipline.

EXCUSED TARDIES/DISMISSALS:

Medical (verified by doctor's office)

Court (verified by court official)

Accident (police report)

Parent notes for illness are required after 65 hours of absences for the year OR 38 hours per month after which time, official verification will be required. (excluding those with medical excuses).

UNEXCUSED TARDIES/DISMISSALS:

Overslept

Car trouble/traffic problems/speeding

Ride arrived late or never showed up

Missed bus

Accident without police report

These tardies are cumulative each semester and do not start over at the beginning of each semester.

TARDINESS TO CLASS

Students tardy to class are to be admitted by the classroom teacher. Students arriving tardy to class without an admittance pass signed by a staff member are considered unexcused. It is the responsibility of the student to secure a pass from their previous classroom teacher for an excused admit to their next class if they are late. The attendance office will **not** issue passes to class.

POSSIBLE RECOMMENDATION FOR EXPULSION

In addition to a student being suspended at his/her 9th, 18th and 27th demerits, a student may also be suspended for additional violations in accordance with Board Policy 5600. These suspensions are above and beyond the steps on the Demerit System and will be treated separately.

LEVEL 1 DETENTION

A Level One detention is a one hour detention that is intended to be an intermediate step in dealing with student behaviors. This would include but not be limited to behaviors that persist after attempts to correct the behavior have been tried. A Level One detention will be held in a designated location at Northview. This location will be noted on the detention form. Students assigned to a Level One Detention are required to be in attendance on the date indicated by 2:45pm until 3:45pm with appropriate school work and materials. Students who fail to attend or remain in assigned Level One detentions may receive additional consequences at the discretion of the Assistant Principal. Students may be removed at any time for behaviors that are deemed disruptive in nature. Students are required to follow school rules while in a Level One detention.

LEVEL 2 DETENTION AND LEVEL 3 DETENTION

A Level Two or Level Three detention is intended as another option in dealing with student behaviors. Level Two and Level Three detentions are issued as a progressive step in discipline if repeated behaviors have not stopped after Level One detentions have been issued. Level Two and Level Three detentions may be issued from a singular incident depending on the severity of the incident. Students assigned to a Level Two detention are required to be in attendance on the date indicated by 2:45pm until 4:45pm with appropriate school work and materials. Students assigned to a Level Three Detention are required to be in attendance on the date indicated by 2:45pm until 5:45pm. Students who fail to attend or remain in assigned Level Two or Level Three detentions may receive additional consequences at the discretion of the Assistant Principal. Students are required to follow school rules while in a Level Two or Level Three detention.

IN CLASS REASSIGNMENT (ICR)

In Class Reassignment (ICR) will be assigned to students who have accumulated 12 or more demerits or for actions beyond the scope of detentions. ICR is used in lieu of out of school suspensions. Students assigned to ICR attend school during regular school hours in the ICR classroom. Students are allowed to make up all class work and assessments assigned during days served in ICR and are supervised by the ICR teacher. Students must follow all rules of ICR.

Failure to follow ICR rules and procedures may result in removal from ICR and OSS.

5610 - REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS

The Board of Education recognizes that exclusion from the educational program of the schools, whether by out-of-school suspension, expulsion, or permanent exclusion, is the most severe sanction that can be imposed on a student in this District, and one that cannot be imposed without due process. However, the Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

No student is to be removed, suspended out-of-school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. [See Policy 2465, "Suspension/Expulsion of Disabled Students."

Students may be subject to discipline for violation of the Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board but where such conduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee.

For purposes of this policy and the Student Discipline Code, the following shall apply:

- A. "Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an ongoing threat of disrupting the educational process provided by the District. [See Policy 5610.03 "Emergency Removal"]
- B. "Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. **Suspension shall not exceed beyond the current school year. If at the time a suspension is imposed, fewer than ten (10) days remain in the school year, but the superintendent may require a student to participate in community service or an alternative consequence for the number of hours equal to the time left on the suspension.** The procedures for suspension are set forth in the Student Discipline Code and Board Policy 5611 "Due Process Rights".

- C. "Expulsion" shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Discipline Code and Board Policy 5611 "Due Process Rights". If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining days of expulsion to the following school year.

Responsibility for School Work

A student who is suspended shall be permitted to complete any classroom assignments missed because of the suspension, and receive at least partial credit for a completed assignment. Grade reductions on account of the student's suspension are permitted; however, no student may receive a failing grade on a completed assignment solely on account of his/her suspension.

1. Firearm or Knife

Unless a student is permanently excluded from school, the Superintendent shall expel a student from school for a period of one (1) year for bringing a firearm or knife to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except that the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. Similarly, the Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. The expulsion may extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. The Superintendent shall refer any student expelled for bringing a firearm (as defined in 18 U.S.C. 921(a)(3)) or weapon to school to the criminal justice or juvenile delinquency system serving the District.

A firearm is defined as any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device. A destructive device, includes, but is not limited to any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than four (4) ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or other similar device.

A knife is defined as any weapon or cutting instrument consisting of a blade fastened to a handle; a razor blade; or any similar device (including sharp, metal martial arts weapons such as a ninja throwing stars) that is used for, or is readily capable of, causing death or serious bodily injury. The Superintendent may, in his/her sole judgment and discretion, modify or reduce such expulsion in writing, to a period of less than one (1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);
- b. The degree of culpability given the age of the student and its relevance to the misconduct and/or punishment and/or evidence regarding the probable danger posed to the health and safety of others, including evidence of the student's intent and awareness regarding possession of the firearm or knife; and/or
- c. The academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

2. Violent Conduct

If a student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act:

- a. would be a criminal offense if committed by an adult; and
- b. results in serious physical harm to person(s) as defined in Revised Code Section 2901.01(A)(5), or to property as defined in Revised Code Section 2901.01(A)(6) the Superintendent may expel the student for a period of up to one (1) year.

The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability); or
- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the suspension or expulsion, there are fewer days remaining in the school year than the number of days of the suspension or expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

3. Bomb Threats

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, for the following reasons:

- a. for students identified as disabled under the IDEA, ADA, and Section 504 of the Rehabilitation Act of 1973, upon recommendation from the group of persons knowledgeable of the student's educational needs; or
- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the suspension or expulsion, there are fewer days remaining in the school year than the number of days of the suspension or expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

- D. "Permanent exclusion" shall mean the student is banned forever from attending a public school in the State of Ohio. (See Policy 5610.01) If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

If the Superintendent determines that a student's behavior on a school vehicle violates school rules, s/ he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Any such suspension must comply with due process and the Student Discipline Code.

The Board authorizes the Superintendent to provide for options to suspension/expulsion of a student from school which may include alternative educational options.

The Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion must be imposed for the same duration it would have been had the student remained enrolled.

The Board may temporarily deny admittance to any student who has been expelled from the schools of another Ohio district or an out-of-state district, if the student's expulsion period set by the other district has not expired. The expelled student shall first be offered an opportunity for a hearing. This provision also applies to a student who is the subject of a power of attorney designating the child's grandparent as the attorney-in-fact or caretaker authorization affidavit executed by the child's grandparent and is seeking admittance into the schools of this District in accordance with Policy 5111.

The Board may temporarily deny admittance to any student who has been suspended from the schools of another Ohio district, if the student's suspension period set by the other district has not expired. The suspended student shall first be offered an opportunity for a hearing.

When a student is expelled from this District, the Superintendent shall send written notice to any college in which the expelled student is enrolled under Postsecondary Enrollment Options at the time the expulsion is imposed. The written notice shall indicate the date the expulsion is scheduled to expire and that the Board has adopted a provision in Policy 2271 under R.C. 3313.613 to deny high school credit for postsecondary courses taken during an expulsion.

If the expulsion is extended, the Superintendent shall notify the college of the extension.

A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian.

The procedure to pursue such appeal will be in accordance with regulations approved by the Superintendent. Notice of intent to appeal must be filed within fourteen (14) school days of the Superintendent's decision to expel to the Board directly or through the Superintendent's office.

The Superintendent shall ensure that all members of the staff use the above procedures when dealing with students. In addition, this statement of due process rights is to be placed in all student handbooks in a manner that will facilitate understanding by students and their parents.

These procedures shall not apply to in-school disciplinary alternatives including in-school suspensions. An in-school suspension is one served entirely within a school setting. In-school disciplinary alternative procedures shall not apply to students who are prohibited by authorized school personnel from all or part of their participation in co-curricular, interscholastic, and/or non-interscholastic extracurricular activities.

GENERAL POLICIES

BOOK BAGS/BACKPACKS

Book bags, backpacks, briefcases, any backpack or bag used to carry books are **not** permitted from 7:35 a.m. to 2:25 p.m. They are to be left in the student's locker and may not be taken to class. **An exception will be made for smaller, draw-string style bags to carry books or gym clothes.** Students may carry this smaller book bag/backpack only.

BUS CONDUCT

Bus transportation is provided at state and local expense. It is administered by the local Board of Education and regarded as a privilege for the parent and child and is not required by state legislation.

The safety of all pupils on the bus is of utmost importance. Every precaution must be taken to see that they arrive at their destination safely. Bus driving is a difficult task, and it is absolutely necessary that students riding on the bus cooperate fully with the bus driver. Failure to do so may result in loss of the bus riding privilege. Bus referral forms are issued by the bus driver in the case of adverse student behavior to and from the school or while on field trips.

Teachers, school bus drivers and other employees of this Board having authority over students shall have the authority to take such means as may be necessary, in accordance with administrative guidelines to control the disorderly conduct of students in all situations and in all places where such students are within the jurisdiction of this Board and when such conduct interferes with the educational program of the schools or threatens the health and safety of others.

CAFETERIA

There are **four** lunch periods. Both hot and cold lunches are available. Students may also bring their own lunches. Whether students purchase lunch or bring lunch, they must eat in the cafeteria. **Food and drink may not be taken from the cafeteria.**

During their assigned lunch period, students are to remain in the cafeteria. **Students are not to be in any of the halls or in any parking area during lunch periods without a pass from an academic teacher or the office.** Students unreasonably late to the cafeteria will be assigned a demerit. **Students wishing to leave the cafeteria during a lunch period must have a signed pass from a teacher, agenda book, or ID card. (Northview: Signed passes are not required for use of C hall restroom during lunch.)**

In order to assist with an orderly dismissal and allow custodians ample time to prepare for the next lunch period, the following guidelines may be implemented:

1. Students should sit in areas large enough to accommodate their particular group. Chairs are not to be moved from other tables and students are not permitted to sit in aisle ways.
2. Improper conduct such as throwing of food or objects will result in a Wednesday Detention assignment for the first offense. Any recurrent offenses will result in disciplinary action and may result in an assigned seat for the remainder of the quarter, semester or a designated length of time.
3. The snack bar is open before school.

CAREER TECH STUDENTS

Students traveling between Northview and Southview need to adhere to the rules of both schools and be aware of schedule changes that will affect their attendance in career tech programs and/or regular classes.

You must be registered to park at your home school in order to have the privilege to park on school grounds at another school.

Repeated attendance, tardy, or truancy issues will result in revoking your parking privileges at both schools. If you want to attend an assembly at your home school you will need to sign in the attendance office when you report for the assembly.

If you are at one school and leave for an appointment, go home ill, etc.; you must have a pass from the attendance office.

The transfer bus is available between both schools.

CONFLICT RESOLUTION

Students may be referred for conflict resolution as an intervention before disciplinary measures.

Conflict resolution is a process that brings people who are having a problem together to discuss the situation. By going through the conflict resolution process, the disputing parties begin to develop an understanding of the other person's perspective. Going through this process does not guarantee that the parties will agree instantly, but with the help of the conflict mediator(s), the conflict may be resolved.

Clear violations of the law, such as theft or assault, will involve disciplinary action and may or may not include mediation.

CULTURAL DIVERSITY AND SENSITIVITY

The school is proud of its diversity. Our students and staff represent a broad cross-section of various religious, ethnic, cultural, and socioeconomic groups. Each of these groups contributes to the distinct and positive fiber, which makes Sylvania an exciting place to learn.

We value our diversity and expect all individuals to be able to feel comfortable with and proud of their individuality. It is imperative, therefore, that we be sensitive to individual needs and concerns while working toward and developing common goals. Briefly, we need to respect each other.

Any behavior or language which detracts from one's feeling comfortable with his/her individuality, e.g., being victimized by religious or ethnic slurs, will be dealt with severely. Such acts against students are regarded as violations of the Student Discipline Code, Board Policy 5600, and are specifically detailed in Section A, Disruption of School, and Section F, Threat to Do Harm. Such acts against staff, regardless of where they occur, are violations of Board of Education Policy 5330.

DANCES

School dances may be sponsored by classes or organizations recognized by the school. The officers and the faculty advisors do the planning with organization members/parents subsequently volunteering to serve on various committees. Dances must be scheduled at least one month in advance. Complete a dance checklist form and turn into the office one week prior to the dance. Organizations are required to arrange security (police) and chaperones, as well as clean up after the dance.

A picture ID is required for admittance to the dance. Students bringing guests are reminded that all school rules and regulations also pertain to their guests. Students wishing to bring a guest to a school-sponsored dance must get prior approval (dance waiver) from the administration. The form must then be completed and submitted at the time of the bid purchase. Once a student leaves a dance, he/she may not be allowed to re-enter.

Junior high students or non-Sylvania students older than 20-years of age are not allowed at high school dances. The dress code will be enforced at all after game dances.

DRESS CODE GUIDELINES

Personal appearance shall not detract from the educational process. Appropriateness and tastefulness are the criteria of proper dress for both males and females at both high schools. The following establishes the minimum acceptable standards for student dress:.

All students are to abide by aunty orders provided by the Governor or Health Department when school is in session. This includes but is not limited to specific requirements with Personal Protection Equipment (PPEs).

One-armed sleeved shirts are not permitted. Blouses or shirts should be tucked in or extended below the waistband.

Time missed from school/class will be considered unexcused. Continued violations will result in discipline. Policy 5600, Section M (Inappropriate Attire).

EIGHTEEN-YEAR-OLD STUDENTS

State law identifies 18 years of age as being the age of majority, or in other words, 18 year-olds enjoy adult status in our society. State law also requires that all students (regardless of age) adhere to school rules and regulations. Consequently, an 18 year-old student (living at home) would be required to have parental permission for all activities that would require parental permission of the non-18 year-old student. This is also true of school mailing or notification.

FOOD POLICY

Food and drinks should be consumed only in the cafeteria. Therefore, food and drinks should not be taken to the classroom. Teachers may in rare cases, when necessary for educational purposes, make an exception to the rule. It is however exclusively the right of the administration and teachers, and not the students to make this exception.

Students cannot order food to be delivered to the office during school hours. Parents are welcome to drop off food for their students in the front office. The student will be expected to pick up their food there for consumption in the cafeteria.

FUNDRAISING

Any school organization wishing to conduct a money-raising activity must obtain the permission of the assistant principal. Permission will depend upon the number of other money-raising activities planned at that time.

HALL PASSES

The Student Daily Planner/Handbook is to be used as the official pass whenever a student is traveling throughout the school during assigned class times. An official Northview Hall Pass may also be used. It is the expectation that these passes will be used for visits to restrooms, principals' and guidance offices or other special areas.

IDENTIFICATION CARDS

I.D. card pictures are taken at the beginning of the school year. **All students must carry I.D. cards.** They are required identification when borrowing a book from the school media center. I.D. cards are also required for admittance to dances and athletic events and picking up yearbooks. **I.D. cards need to be carried at all times. Students may be asked by staff to present their I.D. cards. Failure to present I.D. cards upon request may result in disciplinary action.** Replacement charge for ID's is \$2.00 (first time) and \$5.00 for each card issued thereafter.

INSURANCE COVERAGE

Sylvania Schools does not have insurance coverage for injuries or losses sustained while students are at school. Parents should check with their insurance provider to make sure their student has coverage.

MEDICATION - USE OF MEDICATION WHILE AT SCHOOL

The Board of Education shall not be responsible for the diagnosis and treatment of student illness. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when failure to do so will jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours, or if the child is disabled and requires medication to benefit his/her educational program.

For purposes of this policy, "medication" shall include all medicines including those prescribed by a physician and any non-prescribed (over-the-counter) drugs, preparations, and/or remedies. "Treatment" refers both to the manner in which a medication is administered and to health-care procedures, which require special training, such as catheterization.

Before any prescribed medication or treatment may be administered by school personnel to any student during school hours, the Board shall require the written prescription from the child's physician accompanied by the written authorization of the parent (Form 5332 F2). Before, any non-prescribed medication or treatment may be administered; the Board shall require the prior written consent of the parent along with a waiver of any liability of the District for the administration of the medication. Students who may require administration of an emergency medication may have such medication, identified as aforementioned, **stored in the attendance office and administered in accord with this policy.**

ONE VIEW - EMERGENCY INFORMATION

One View is the program used for parents to document their students' emergency information. Prior to the beginning of the school year, parents or guardians should fill out the information required in the One View portal, which can be found on the sylvaniaschools.org website under Parents & Families at the top of the web page and then under Parent Links. Information should be updated yearly, as it is vital that the school has the most current information.

The books are collected at the end of the year, and any student who does not turn in the book registered to them, or turns in a badly damaged book, will be required to pay the replacement costs (currently averaging \$45.00 per text). Students may be assessed certain charges for damages to textbooks while in their possession. In some academic and elective classes, it may be necessary to purchase workbooks.

Both high schools offer many activities in which students may participate. There are certain rules, regulations or requirements for participation in each of them. These activities are open to all that meet requirements. If there is any question concerning qualification, check with the advisor in charge of the activity, your counselor or your class advisor. All guests at closed school activities are expected to follow school rules.

See a revised list in Northview's Program of Studies available online at sylvaniaschools.org/northviewhighschool under the School Information tab

- C. The student activity program should be based upon the district's philosophy, have objectives and be regulated on a regular basis.

ATHLETIC PROGRAMS

The athletic program of the Sylvania Schools shall follow the rules and regulations as established and maintained by the Ohio High School Athletic Association and Board of Education Policy 5600B – Eligibility for Extracurricular Activities. It shall be the practice of the Sylvania Board of Education to disapprove any transfer of athletic eligibility out of the district if the student does not meet standards of Board of Education Policy.

Participants are subject to two systems of eligibility, one per the Ohio High School Athletic Association (OHSAA) and one per Sylvania Schools.

The OHSAA rule states: "During the preceding grading period, the student must have received passing grades in a minimum of five one-credit courses or the equivalent which count toward graduation." If those requirements are not met, the student will be ineligible for the next quarter.

The Sylvania rule, which applies to everyone participating in extracurricular activities states that a student must maintain a minimum grade point of 1.5. **Due to this rule, it is recommended that athletes carry a course load of a minimum of 6 classes to help them maintain eligibility.** The first time a student falls under this standard he/she is placed on probation but allowed to continue to participate. The second time a student falls below 1.5 standards, he/she becomes ineligible to participate in any extracurricular activity for the following quarter. One probationary period is allowed in the ninth and tenth grade years and one more in the eleventh and twelfth grade years.

However, a student may never have two consecutive quarters of probation. An unused probationary period does not carry over and cannot be accumulated.

Any information regarding the Athletic Code of Conduct may be obtained from the Athletic Office.

CODE OF CONDUCT FOR EXTRACURRICULAR ACTIVITIES/ATHLETICS POLICY 5500.01

Participation in athletics and extracurricular activities is a privilege extended to all students who meet the eligibility requirements. One of the requirements is compliance with this Code, which supports the District's commitment to provide a drug-free atmosphere where all students have the opportunity to achieve their academic, athletic, and social potential. To that end, athletic and extracurricular programs promote and reinforce a clear no-use message for students. Students must earn the right to represent the school by conducting themselves in such a manner that the image of the student, team or organization, school and school district are not tarnished in any way.

Failure to abide by the Code of Conduct, or other behavior derogatory to the individual or the program during the calendar year, will lead to denial of participation consistent with this policy. If a student participates in multiple extracurricular activities, denial of participation will apply to all activities. If a student violates the Code of Conduct, it will apply to all extracurricular activities and athletics simultaneously.

This Code of Conduct must be signed before the student participates in any extracurricular tryout, practice, game or event. The student will be subject to the Code of Conduct for the entire calendar year, not just during the period the student is participating in the sport or activity.

The Code of Conduct shall be deemed to have been violated under the following circumstances: (1) when a student is observed in violation of the Code of Conduct by school personnel; (2) when a student has been charged by any law enforcement officer with an activity prohibited by this Code; (3) by an admission of violation by the student or his/her parents; or (4) when an investigation by school officials reasonably determines the student has violated this Code.

Rule 1: Citizenship

Any conduct that results in dishonor to the participant, the team or organization, the school, the school district, or a citizen violation, as defined herein, is prohibited. Dishonorable acts include, but are not limited to, cheating, dishonesty, harassment, intimidation or bullying, hazing, fighting, theft, vandalism, disrespect, unsportsmanlike conduct, or violations of the law. Citizenship violations include any violation of the Student Discipline Code and any violation of the rules established by the coach or advisor.

PENALTIES FOR VIOLATIONS OF RULE ONE: ATHLETICS/EXTRACURRICULAR ACTIVITIES

The penalties for a violation of Rule 1 shall range from missing a percentage of the current season/activity to complete denial of participation from athletics/extracurricular activities for the student's academic career, depending on the severity of the offense, any harm or injury to person or property, the remorse of the athlete, and any other relevant factors. The penalty shall be determined by the Athletic Director/Assistant Principal, in consultation with the coach/advisor.

Rule 2: Alcohol and Drugs

No student shall possess, conceal, use, convey to another, or offer for sale, or attempt to purchase any alcoholic beverage, illegal drugs, non-prescribed drugs, prescribed drugs illegally used, look alike drugs, or any mind-altering substance. No student shall be in the presence of illegal drug/alcohol activity. Included in the prohibition are any substances represented as controlled substances, drug paraphernalia, and tobacco, including e-cigarettes.

SELF-REFERRAL/PARENTAL REFERRAL

Any student and parents may employ a "self-referral" procedure, allowing the student an avenue to seek guidance, assessment/counseling and/or treatment in regard to the use of alcohol, drugs and tobacco. Voluntary or parental referrals do not carry punitive consequences. A self-referral/parental referral however, is not to be used by students and parents as a method to avoid consequences once an alcohol and/or drug policy violation has occurred. All self-referrals by a student/athlete must begin by informing a staff member, coach/advisor, or Athletic Director/Administrator. The Sylvania Schools believe it is extremely important to keep the lines of communication open between parents, students, coaches, teachers, and administrators. Parents and students shall be encouraged to discuss problems in a confidential manner with school personnel without punitive consequences, regardless of a student's level of participation in extracurricular and/or athletic activities.

Sylvania Schools will maintain a current list of community treatment and evaluation providers, which will be available to parents and students employing these self-referral procedures, as well as to any student found in violation of this Code of Conduct. The cost as assessment and/or treatment is the sole responsibility of the student, parents or guardians.

PENALTIES FOR VIOLATIONS OF RULE TWO: ATHLETICS

- A. First violation: The student shall not participate in any athletic activity for one (1) calendar year. However, students who elect to receive professional assessment and assistance will be denied participation in twenty percent (20%) of the games in the current season immediately following the date of the coding as defined by the published schedule of games. If the assessment recommends treatment, compliance with the treatment plan will be a condition for reinstatement. Fractions of games shall be rounded to the nearest whole number. If the violation occurs at the end of the season or in the off season, such that the full twenty percent (20%) penalty cannot be served, the remaining penalty shall be carried into the next season in which the student is a full-time participant of that entire season.
- B. Second Violation: The second violation of the Code of Conduct will result in termination of athletic eligibility for the remainder of the student's career. However, a student who elects to receive professional assessment and assistance will be denied participation in any athletic activity for one (1) calendar year. If the assessment recommends treatment, compliance with the treatment plan will be a condition for reinstatement.
- C. Third Violation: The third violation will result in termination of athletic eligibility at Sylvania Schools for the remainder of the student's career. A student who has received professional assessment and assistance may petition for reinstatement to a committee consisting of the building Principal, Athletic Director and a Board of Education member at the conclusion of one (1) calendar year from the date of the coded violation.
- D. Fourth Violation: A fourth violation of the code of conduct will result in termination of athletic eligibility at Sylvania Schools for the remainder of the student's career.

Participation in Practice

Pursuant to the stated philosophy of prevention and rehabilitation, Sylvania Schools recognizes the benefit of continuing involvement in structured, positive activities for its students. Therefore, a student who is denied participation from athletics under this Code of Conduct for a first violation of Rule 2 must practice with the team and attend games (out of uniform). Coaches are encouraged to allow full participation in practice. A student who is denied participation for a second, third or fourth violation under this Code of Conduct shall not be permitted to participate in practice, attend any post-season banquets, or receive any awards.

PENALTIES FOR VIOLATIONS OF Rule 2: CLUBS AND ORGANIZATIONS

- A. First violation: The student shall not participate in any extracurricular activity for one (1) calendar year. However, students who elect to receive professional assessment and assistance will be denied participation in twenty percent (20%) of the activities, as defined by each club or organization advisor, if the assessment recommends treatment, compliance with the treatment plan will be a condition for reinstatement. If the violation occurs at the end of the season or in the off season for the activity, such that the full twenty percent (20%) penalty cannot be served, the remaining penalty shall be carried into the next season in which the student is a full-time participant of that entire season. For year-long clubs and organizations, a 20% loss of participation equates to 9 weeks.

- B. Second Violation: The second violation of the Code of Conduct will result in termination of extracurricular eligibility for the remainder of the student's career. A student who has received professional assessment and assistance will be denied participation in any extracurricular activity for one (1) calendar year. If the assessment recommends treatment, compliance with the treatment plan will be a condition for reinstatement.
- C. Third Violation: The third violation will result in termination of extracurricular eligibility at Sylvania Schools for the remainder of the student's career. A student who has received professional assessment and assistance may petition for reinstatement to a committee consisting of the building Principal, Athletic Director and a Board of Education member at the conclusion of one (1) calendar year from the date of the coded violation.
- D. Fourth Violation: A fourth violation of the Code of Conduct will result in termination of all eligibility for all activities for the remainder of the student's career in Sylvania Schools.

Code Violation Process For Athletics, Clubs and Organizations

When an Athletic Director, Principal, or Assistant Principal has been notified of a student violation of this Code of Conduct, the following shall occur:

- A. The Athletic Director and/or Assistant Principal shall investigate the allegation, including holding a meeting with the student to determine if a violation of the Code of Conduct has occurred.
- B. When a determination of a violation of the Code of Conduct has been made by the Administrator, the parent/guardians of the student shall be notified in writing. The Administrator shall make reasonable efforts to contact the parents or guardians of the student to inform them of the school's determination. All penalties as outlined above shall be imposed from the date of this determination to the end of the specified period.
- C. Any student, parent, or guardian may appeal a violation decision by notifying the Athletic Director/Assistant Principal of his/her intent to appeal. Such notification must be made in writing to the Athletic Director/Assistant Principal, within five (5) business days of the date of determination of violation of the code. The Athletic Director/Assistant Principal will convene the Code of Conduct Committee, and will establish a date and time for the Appeal Hearing. The Code of Conduct Committee shall consist of the Assistant Principal and four other building staff members designated by the Principal. Students shall not participate in athletics and/or clubs and organizations while an appeal is pending.
- D. After hearing the appeal, the Code of Conduct Committee will forward its recommendation to the Principal, who shall have the authority to either accept or overrule the recommendation of the Committee. It shall be the responsibility of the Principal to notify the student and his/her parents of the decision of the Code of Conduct Committee and the determination of the Principal.
- E. The Principal's decision shall be final and no further appeal shall be available.

Notwithstanding the above rules, a student who is subject to suspension or expulsion from school will be excluded from participation during the period of the discipline. A student who is denied participation for more than twenty percent (20%) of the season/activities shall forfeit eligibility for leadership positions and awards.

Violations of the above rules are cumulative. A violation of one rule will lead to the next disciplinary level for a separate violation of the other rule. For purposes of culminating violations, there shall be two separate periods of the student's academic career: (1) Grades 7 and 8; and (2) Grades 9 through 12. Penalties for violation of this Code of Conduct shall apply to both athletic and extracurricular participation concurrently.

DRUG TESTING POLICY

PHILOSOPHY:

THE SYLVANIA SCHOOLS provides a variety of extra curricular/co-curricular activities that complement the educational and athletic development of each student. The privilege of participation carries the responsibility of adherence to the Extra Curricular/ Co-Curricular Drug Testing Policy and Code of Conduct. The SYLVANIA SCHOOLS Board of Education desires to implement a policy which will attempt to provide the district with a safe and healthful student program. This policy reflects the SYLVANIA SCHOOLS Board of Education and the community's strong commitment to establish a truly drug and alcohol-free school program. SYLVANIA SCHOOLS have selected student athletes, students who participate in extracurricular activities, co-curricular activities or performances that can be graded with an alternative assignment, clubs, student drivers, school dance attendees, and students who, along with consent from their parents, volunteer to be tested, for inclusion in the testing pool. This policy applies to students from grades 9-12.

PURPOSE OF THIS POLICY SHALL BE:

1. To provide a healthy and safe environment to all students participating in the athletic co-curricular and extracurricular programs, clubs, student drivers, and school dance attendees.
2. To discourage all students from using drugs and alcohol.
 - a. Students will assume all responsibility for regulating their personal lives in ways that will result in their becoming healthful members of a team and worthy representatives of the school and community.
3. To provide students with the opportunity to become leaders in the student body for a drug free school.
4. To provide solutions for the student who does use drugs and alcohol.
5. To provide the school with positive guidelines and disciplinary policies for violations of the drug free policy.
6. To encourage those students who participate in athletic and extracurricular programs to remain drug free and alcohol free.

The program does not affect the current policies, practices, or rights of the District regarding student drug and/or alcohol possession or use, where reasonable suspicion is established by means other than drug testing through this policy. The drug testing policy is non-punitive with regards to academics. No student will be suspended or expelled from school or penalized academically as a result of a certified positive test conducted by the District under this policy. The results of random drug tests will not be documented in any student's academic records. Such results will not be disclosed to criminal or juvenile authorities unless otherwise required by law.

Students involved in athletics, extra-curricular activities, co-curricular activities or performances that can be graded with an alternative assignment, clubs, drive to school, and attend school dances, need to be exemplary in the eyes of the community and other students. The drug testing and education policy is designed to create a safe, drug free environment for students and assist them in getting help when needed. Although students risk the loss of continued participation in activities, no student shall be suspended or expelled from school as a result of any certified "positive" test conducted by his/her school under this program.

No student will be penalized academically for testing positive for banned substances. The results of drug tests will not be documented in any student's academic record.

Any student in grades nine (9) through twelve (12) and his/her parent(s) or legal guardian(s) must first sign a drug testing registration/consent form in order to be eligible to participate in any one (1) or combination of the following:

- A. athletics

- D. co-curricular activities or performances that can be graded with an alternative assignment.

TYPE OF TESTING

1. RANDOM TESTING

In-session random testing shall be done throughout the season. Each school may have up to 20% of its eligible students tested per random selection. A student may be tested more than once per season. In the event of a positive result, the specimen will be sent to a laboratory for confirmation of results and a certified Medical Review Officer will determine the results.

- a. Random selection of student athletes, students who participate in competitive extracurricular activities, non-graded co-curricular activities and clubs, possess a parking pass, attend school dances, and students who, along with consent from their parents, volunteer to be tested:

The Athletic Director, under the Principal's supervision, will use a system to ensure that students are selected in a random fashion. This system may include computer generated random numbers or names or by pulling numbers from a pool of numbers equal to the number of eligible student athletes.

- b. Scheduling of random testing:

3. COLLECTION PROCESS (Urine Screens) Other testing types may apply.

The student will be notified to report to the collection site. A specimen from the student will be collected as follows and all students must follow this process:

All students must have a picture ID or be identified by the Athletic Director or Principal. No exceptions will be allowed.

Drug testing areas must be secured during the testing.

Only lab technicians, designated school administrator and students will be witness to the test.

Privacy must be kept for all students.

The Athletic Director is responsible for ensuring that all of the forms are completed and signed by both parent/guardian/custodian and student. No student is to enter the collection site until forms, money and proper ID are completed.

When students arrive and cannot give a sample, they will need to start drinking water, pop or juice. After 36 oz. the human body will need to urinate.

No bags, backpacks, purses, cups, containers or drinks will be allowed to enter the collection area. All coats, vests, jackets, sweaters, hats, scarves or baggy clothing must be removed before entering the collection site. Only pants and t-shirts or dresses may be worn in the collection area. Any infringement of the rules will result in the student taking the test over.

Students processed by the lab technician who cannot produce a sample will be kept in a secured area to wait until they can test. If they leave this area they will not be allowed to test. They are not to have contact with anyone until after the sample is given.

Students will be asked to hold out their hands and a sanitizer will be put on their hands or will wash hands with water. The bathroom personnel will add a dye to the toilet.

Students will be asked to urinate directly into the collection cup given to them by the lab personnel. The lab technician will stand outside the stall and listen for normal sounds of urination.

Any and all adulterations of the specimen will be detected and considered the same as a test refusal or 1st time infraction. (The lab checks every sample for adulteration, such as additives you drink or add to urine to change the sample.)

Adulterations: We will treat adulterations and diluted samples as first time offenses. They are not called positives but have the same consequences. A retest will be required within 24 hours.

Any suspicion of tampering with the sample will be brought to the tester's attention. The sample will be screened or sent to the lab for immediate confirmation of tampering.

The sample must be taken in one attempt and be at least 30 ml in size. The student must hand the cup to the lab technician.

Students are not to flush the toilets or urinals. In the event that a student flushes the toilet he or she will be required to give a new sample immediately or the sample will be invalid.

With student watching, the lab technician will recap the sample and hand it to the student who must then return it to the intake technician. In the event that the student does not hand the cup directly to the intake technician, the sample is invalid and a new sample must be taken. If the student leaves the collection area or has contact with anyone, the sample will be invalid and the student will have to give another sample.

This collection procedure is subject to change because of procedural requirements by the testing agency. The School Board reserves the right to change the collection procedure to coincide with the testing guidelines set forth by the testing agency.

When using rapid screens, all non-negative screens will be sent out with a chain of custody to a certified laboratory for confirmation. A Certified Medical Review Officer will verify the positive test.

Any student that tests positive will have to be tested weekly for the term of a 5 week program with drug counseling at the expense of the student and or parent. Testing will be done by (Testing Company Name) only so long as this is the company the school selects.

NATIONAL HONOR SOCIETY

Membership in the Northview and Southview Chapter of the National Honor Society is based on character, scholarship, leadership, and service. All by-laws, policies, and procedures are based on and reflect the National Charter for the National Honor Society. To be considered for membership, juniors who have at least a 3.60 cumulative grade point average after the fifth semester of high school are eligible; additionally, seniors with the qualifying GPA at the end of their sixth semester are also eligible. Information on the National Honor Society will be made available during the summer at both Northview's Wildcat Welcome Days and Southview's Cougar Kickoff.

Prior to induction, students must attend a mandatory informational meeting, with the time and date to be announced. Following the meeting, students must submit candidate forms attesting to their leadership and service. These candidate forms may be viewed on the National Honor Society website for each school.

The decision on whether each candidate is invited into the National Honor Society is made by a vote of the Faculty Council. This five-member committee is chosen by the principal and reflects the various departments for the school. Three affirmative votes for each candidate are necessary for selection. As part of the selection process, teachers are asked for input on the student candidates. This input takes a written form and will be signed by the teachers. If a student is not selected, he/she may meet with the National Honor Society advisor for input on the decision. Students may appeal non-selection within five school days to the school principal. This appeal must be in writing, and the principal's decision on the selection or non-selection is final. Seniors who were either non-selected as juniors, or did not apply as juniors, may apply during their senior year. Any students admitted into the National Honor Society during their senior year must meet the same requirements as those students admitted their junior year in order to receive their honor cords.

National Honor Society members are required to maintain the standards of character, scholarship, leadership, and service for which they were selected, or they may be permanently dismissed from the organization.

STUDENT GOVERNMENT

The freshman, sophomore, junior and senior classes are able to carry out class projects, money-making activities and social events under the direction of their class officers and faculty advisors. Each class elects its own president, vice-president, secretary and treasurer, and class representative. A student must meet the credit requirements and the 1.5 eligibility requirements at the time of election to be qualified to run for office. Senior, junior and sophomore elections are held in the spring, while freshman elections are held in the fall. Student government officers are elected on a school-wide basis. All candidates and elected class or government officers must meet the organization's constitutional requirements.

The student body elects a president, vice president, secretary and treasurer in the spring of each year to hold the office for the next school year. In addition to the officers, each class elects four representatives and one alternate as members of Student Government.

The Student Government is the official organization through which the student body participates in the organization and administration of the school. The student Government centers its activities on pupil-to-pupil relationships and makes suggestions to the administration regarding activities pertaining to school. Student Government also regulates all school and class elections and represents the student body in out-of-school activities.

YOUR WORKS-CITED LIST	Your works-cited list should appear at the end of your essay. It provides the information necessary for a reader to locate and retrieve any source you cite in the essay. Each source you cite in the essay must appear in your works-cited list; likewise, each entry in the works-cited list must be cited in the text.
------------------------------	---

According to the *Modern Language Association Handbook for Writers of Research Papers, 8th edition*:

- {1} Double-space all entries.
- {2} Begin the first line of an entry flush with the left margin, and indent lines that follow by one-half inch.
- {3} List entries in alphabetical order by the author's last name. If you are listing more than one work by the same author, alphabetize the works according to title. Instead of repeating the author's name, type three hyphens followed by a period, and then give the title.
- {4} Italicize the titles of works published independently. Books, plays, long poems, pamphlets, periodicals, and films are all published independently.
- {5} If the title of a book you are citing includes the title of another book, italicize the main title but not the other title.
- {6} Use quotation marks to indicate titles of short works included in larger works, song titles, and titles of unpublished works.
- {7} Separate the author, title, and publication information with a period followed by one space.
- {8} Use lowercase abbreviations to identify parts of a work (for example, vol. for volume), a named translator (trans.), and a named editor (ed.). However, when these designations follow a period, the first letter should be capitalized.
- {9} Use the shortened forms for the publisher's name. When the publisher's name includes the name of a person, cite the last name alone. When the publisher's name includes the name of more than one person, cite only the first of these names.
- {10} Use the phrase, "Accessed 5 Jan. 2019" instead of listing the date or the abbreviation, "n.d."

SUCCESS SKILLS *successful notetaking*

SUCCESSFUL NOTETAKING

- ➔ Taking notes reinforces what we hear in the classroom and requires active listening. Having accurate information makes your outside study and review time that much easier. Good notetaking requires practice.
- ➔ Be aware of each teacher's lecture style; learning how to adapt to each style takes patience. Take notes as you (attentively) listen to the lecture. Keep notes in an individual notebook for each class or in a loose-leaf binder that has a section for each class. Your teacher may have certain requirements.
- ➔ Date each day's notes, and keep them in chronological order. Some teachers provide outlines that tell you how a series of lectures will be organized; other teachers will deliver their lectures and expect you to write the information in your notes. Most teachers will emphasize important points by stressing them or repeating them a few times. Make a note in the margin or highlight any information the teacher specifically identifies as important.
- ➔ Write notes in short phrases, leaving out unnecessary words. Use abbreviations. Write clearly so you will be able to understand your notes when you review them.
- ➔ If you make a mistake, a single line through the material is less time consuming than trying to erase the whole thing. This will save time and you won't miss any of the lecture. Don't copy your notes over to make them neat; write them neatly in the first place. Don't create opportunities to waste your time.
- ➔ Write notes on the right two-thirds of the notebook page. Keep the left one-third free for your follow-up questions or to highlight the really important points in the discussion.
- ➔ Listen for key ideas. Write them down in your own words. Don't try to write down every word that your teachers say. Some teachers will use the chalkboard, an overhead projector, or a PowerPoint presentation to outline these key ideas. Others will simply stress them in their discussion.
- ➔ Soon after class, while the information is still fresh in your mind, create questions directly related to your notes in the left column of the paper. Place these questions across from the information to which it pertains. Highlight or underline any key points, terms, events or people. Quiz yourself by covering the 2/3 side of your notes and try to answer the questions you developed without referring to your notes. If you need to refresh your memory, simply uncover the note section to find the answers to your questions. Short, quick reviews will help you remember and understand the information as well as prepare for tests.
- ➔ Review your notes daily. This reinforces the information and helps you make sure that you understand the material.
- ➔ Make sure your notes summarize, not duplicate, the material.
- ➔ Devise your own use of shorthand.
- ➔ Vary the size of titles and headings.
- ➔ Use a creative approach, not the standard outline form.
- ➔ Keep class lecture notes and study notes together.

SUCCESS SKILLS *about cheating*

WINNERS NEVER CHEAT.
CHEATERS NEVER WIN.

SOME PEOPLE RATIONALIZE THE REASONS WHY THEY CHEAT: "THE TEACHER DIDN'T GIVE US ENOUGH TIME," "MY COMPUTER CRASHED AND I LOST MY PAPER," "IT WAS ONLY A LITTLE HOMEWORK," "IT WASN'T LIKE IT WAS A TEST OR ANYTHING IMPORTANT!"

But the bottom line is,

nobody wins when they cheat.

What happens when you actually need to know the answer?
Don't be fooled, someday it will come back to haunt you.

Cheaters:

MISS OUT ON LEARNING THE MATERIAL AND EVENTUALLY
FIND THEMSELVES IN OVER THEIR HEADS.

UNDOUBTEDLY FEEL BADLY ABOUT CHEATING,
WHETHER THEY WANT TO ADMIT IT OR NOT.

HAVE TO TRY TO KEEP TRACK OF THEIR LIES,
WHICH IS IMPOSSIBLE AND A WASTE
OF PRECIOUS TIME AND ENERGY.

ARE USUALLY CAUGHT. WEB-BASED
ANTI-PLAGIARISM SERVICES AND
CHEAT-PROOF SOFTWARE MAKE IT EASY
FOR TEACHERS TO ROOT OUT CHEATERS.
YOU CAN'T CHEAT FOR LONG WITHOUT
SOMEONE EVENTUALLY UNMASKING YOU.

SUCCESS SKILLS *preparing for college*

PREPARING FOR COLLEGE

The College Application Process

- {1} The application process begins in NINTH grade. Your grades and coursework will directly impact your admittance to college.
- {2} Fill your schedule with a variety of subjects and difficulty. Colleges are looking for well-rounded students who are highly motivated. Do your best in each class. Do not let a class slip because it does not interest you. Colleges look for a consistent performance in all subjects.
- {3} Take the SAT or ACT in time to include scores on your college applications.
- {4} Look at as many potential colleges as possible. Do not limit your options.
- {5} Visit as many campuses as possible and talk to students, staff, and the office of admissions while at the college.
- {6} Send applications to prospective colleges beginning in early fall of your senior year. You can obtain applications and information in the guidance office or online at university and college websites.
- {7} Fill out any potential scholarship forms and send them to the appropriate personnel.
- {8} Allow at least two weeks for your counselor to process your applications.
- {9} Many schools will respond to your application within four to six weeks.

Steps for Juniors

- {1} Talk to your counselor about filling your junior-year class schedule with coursework in English, foreign language, social studies, science, and mathematics. It is recommended that students take as many mathematics courses as possible.
- {2} Colleges are looking for well-rounded students in the arts, business, drama, and speech.
- {3} Find out when potential universities are visiting your school or when your school is going on visits to potential colleges.
- {4} It is best to visit campuses when classes are in session. (Not spring break, Christmas or any major holiday.)
- {5} Take a course that prepares you for the SAT or ACT.
- {6} At the beginning of your junior year, take the PSAT exam to practice for the SAT.
- {7} Take the SAT or ACT in the spring of your junior year. If you feel the score does not reflect your ability, retake the exam during your senior year.
- {8} Start applying for any scholarships for which you are qualified.
- {9} If you know your intended field of study in college, schedule your senior year with an emphasis in that area.
- {10} Plan to visit as many colleges during the summer as possible.

Steps for Seniors

- {1} Attend as many college fairs as possible in your local area.
- {2} Visit as many institutions and universities as possible. It is best to visit campuses when classes are in session. (Not spring break, Christmas, or any major holiday.)
- {3} When visiting colleges, meet with the admissions office, and financial aid office, as well as speak with professors in your intended field of study.
- {4} Talk to older friends and students about that particular college or university.
- {5} Ensure that your SAT or ACT scores meet the requirements of the colleges and universities that interest you. If necessary, retake the entrance exams.
- {6} Make a list of admission deadlines at the colleges you are interested in attending.
- {7} Submit completed college applications to your guidance counselor, and be sure to include any application fees.
- {8} File a financial aid form.
- {9} Inquire about any available scholarships, and be sure to meet the appropriate requirements and deadlines.
- {10} Keep a file of any correspondence from potential colleges for future reference.
