## IB LEARNER PROFILE OF THE MONTH

### OPEN MINDED

This month's IB learner profile is appropriately chosen as we begin a month-long celebration of Hispanic Heritage Month!

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

The IB learner profile, "open minded" means we critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

Hispanic Heritage Month is a month-long celebration of Hispanic and Latino history and culture. While we celebrate Hispanic and Latino communities beyond this month, from September 15 to October 15 we give extra recognition to the many contributions made to the history and culture of the United States, including important advocacy work, vibrant art, popular and traditional foods, and much more.

Hispanic Heritage Month provides an additional opportunity to explore the incredible impact Latinas and Latinos have had on the United States for generations. The Latino presence in America spans centuries, predating Spain's colonization of what is now part of the United States, and they have been an integral part of shaping our nation since the Revolutionary War. Through the Treaty of Guadalupe Hidalgo and the Treaty of Paris that followed the Mexican-American and Spanish-American wars, the United States gained territories in the Southwest and Puerto Rico. This incorporated the people of this area into the United States and further expanded the presence of Hispanic Americans.

Today, the Latino population in the United States today is over 60 million, according to the U.S. Census Bureau. This makes up 18.9% of the total population and is the largest racial or ethnic group. Latinos continue to help fuel our economy and enrich our nation as entrepreneurs, athletes, artists, entertainers, scientists, public servants, and much more.

# Ways to celebrate *at home!*

Play Lotería, a card game that is Mexico's version of Bingo.

Learn a Latino dance.  
Make a charitable donation.

Attend an art exhibit or show.

Support a Hispanic or Latino/business.

Watch a movie to help celebrate.

Learn about global news and events  
impacting the Latino/community.

Make a meaningful dish to share with  
others.
