

Topics for Ch 2 Test - Wed

- ① Define what Resonance is (what are we "doing" + why)
- ② list "2 commandments"
- ③ Determine which (if any) commandment is broken ex:  * Cannot break a single bond
- ④ Two True/False Q's
- ⑤ Determine if two images are possible resonance structures of each other (see WS#1 for examples)
- ⑥ Draw in the curved arrows for the res. structures
- ⑦ "follow the arrows" + draw the second res. structure
- ⑧ Draw the requested add'l quantity of structures + circle one(s) that would be significant (or explain why they are not)

★ Notes will be due FRIDAY 10/22 @ the start of class
