October 13, 2021

Hello Parents,

I would like to provide some information that will affect all calls made in the 920 area code, please read the following and make sure your children have their numbers updated in their phones.

The Federal Communications Commission (FCC) has adopted "988" as a new 3-digit number to be used nationwide to contact the National Suicide Prevention and Mental Health Crisis Lifeline, which will go live on July 16th, 2022. The National Suicide Prevention and Mental Health Crisis Lifeline can still be reached by dialing 1-800-273-TALK (8255).

In order to support the new "988" number, area codes (262, 414, 608 & 920) will be forced to move to 10-digit dialing for all calls (local and long distance). **The change to 10-digit dialing will take place on October 24th, 2021.** What this means is that you MUST dial an area code when calling any number.

Now is a good time to go through your contacts on your cell phones and update any contact that are currently programmed for 7-digits (XXX-XXXX) to 10-digits (XXX-XXX-XXXX). It is also a good time to reach out to family members that rely on using contacts for calls, but may need assistance updating the contacts on their cell phones.

Thanks,

Deputy Craig Wendling

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

Report it, don't just repeat it.
